Margarita

I am so sorry to have to submit my letter of resignation from the commission. Effective immediately.

My responsibilities and lack of availability consistently on Wednesdays has made it impossible to serve the aging population in the manner that I would feel would do honor to the older members of my community.

The care of my 86 year stroke and breastfeeding cancer surviving mom is a constant reminder of the challenges of aging on the individual, the family and their caregivers.

Please extend my gratitude to the members of the commission for their service and commitment.

In His Name,

Warmly,
Charlaine Carter
