WHEREAS, on August 8, 2017, the City Council approved an agreement with Clean Harbors Environmental Services, Inc. (Clean Harbors) for Turn-Key Household Hazardous Waste and Conditionally Exempt Small Quantity Generator Waste Management Services (Agreement); and

WHEREAS, the term of the Agreement was initially from August 2017 to June 30, 2019 and also provided that, upon satisfactory work performance, the parties could mutually agree to extend the Agreement for up to five (5) additional one-year periods, for a maximum term of approximately seven (7) years; and

WHEREAS, the parties have exercised two (2) of the possible five (5) options under the Agreement; and

WHEREAS, last fiscal year Environmental Services requested an increase in the maximum compensation amount under the Agreement due to rising participation rates at the Household Hazardous Waste Facility, just as the COVID-19 pandemic began; and

WHEREAS, due to a continued increase in participation at the Household Hazardous Waste Facility as a result of stay-at-home orders in response to the pandemic, the current maximum compensation amount during the current option term is nearing exhaustion; and

WHEREAS, City staff recommends increasing the annual maximum compensation amount for the current option term, and any future option terms that are duly exercised, to \$700,000, for a new total not-to-exceed amount for the original term and all potential option terms of \$3,650,000.
