

# Exhibit C

## BAKER & TAYLOR VS INGRAM SUMMARY VIEWS

Baker & Taylor “Enhanced” summary view shows inventory without the user having to go deeper into the item’s full record.

The screenshot shows a search results page for "gardening california". The main item displayed is "Firescaping: Creating Fire-resistant Landscapes, Gardens, And Properties In California's Diverse Environments" by Kent, Douglas. The price is \$18.95 (Net: \$17.06). A table of inventory and on-order quantities is circled in blue:

	Inventory	On Order
Vip***	10	0
West*	0	0
30-Day Demand:	0	0

Ingram’s “Extended” summary view requires more time be spent on each item of possible interest.

The screenshot shows a search results page for "california gardening". It displays three products with detailed metadata:
