

RESOLUTION NO. _____

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHULA VISTA WAIVING THE COMPETITIVE FORMAL BID REQUIREMENT AND APPROVING THE EQUIPMENT AND SOFTWARE LEASE CONTRACT WITH MOTOROLA SOLUTIONS, INC. FOR THE PREMIERONE COMPUTER AIDED DISPATCH AND MOBILE, WITH PREMIERONE JAIL HARDWARE, SOFTWARE AND SERVICES SOLUTION

WHEREAS, the Police Department's current Computer Aided Dispatch (CAD) system is over eighteen years old and no longer meets the Department's technological and operational needs; and

WHEREAS, replacement of the current CAD system has been identified as a critical infrastructure need of the Police Department; and

WHEREAS, the Police Department and ITS Department have conducted extensive research toward the replacement of the current Police Department CAD system; and

WHEREAS, the Police Department CAD project team surveyed six different vendors and dedicated more than 464 hours of staff time researching the best CAD, Mobile and Jail system to meet the needs of the Police Department for the next decade; and

WHEREAS, the CAD project team and Police Department staff recommend the Motorola Solutions, Inc. PremierOne software suite after having conducted an extensive informal proposal process that determined that the Motorola Solutions, Inc. PremierOne Suite of software products, including CAD, Mobile and Jail solutions, represents the best balance of price, advanced technology and leading support designed to enhance Police Department Operations; and

WHEREAS, Police Department staff negotiated a \$902,618 total system and maintenance discount combined with a ten (10) year lease contract at a competitive rate, thereby enabling the Department to implement the new program immediately with no impact to the FY 16/17 General Fund; and

WHEREAS, the Police and ITS Departments are seeking approval to enter into an equipment and software lease contract for the integrated CAD system with support services through Motorola Solutions Inc.; and

WHEREAS, to minimize the annual fiscal impact, the Police Department will enter into a ten (10) year equipment and software lease contract with Motorola Solutions, Inc.; and

WHEREAS, the Police Department negotiated ten years of standard maintenance and lifecycle maintenance at competitive and fixed rates to maintain a state-of-the-art system for the term of the contract; and

WHEREAS, the City Council finds, pursuant to Chula Vista Municipal Code section 2.56.070.B.3, that competitive bidding is not required for this equipment and software lease contract with Motorola Solutions Inc., because competitive bidding in this unique context is impractical, and the City's best interests are materially better served by the Police Department's careful and exhaustive review of similar systems offered by several vendors to find the best fit for its needs and budget, consistent with due diligence and good purchasing practices.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Chula Vista waives the competitive formal bid requirement.

BE IT FURTHER RESOLVED by the City Council of the City of Chula Vista, that it approves the equipment and software lease contract with Motorola Solutions, Inc. for the PremierOne Computer Aided Dispatch and Mobile, with PremierOne Jail hardware, software and services solution, in the form presented, with such minor modifications as may be required or approved by the City Attorney, a copy of which shall be kept on file in the Office of the City Clerk, and authorizes and directs the City Manager to execute same.
