***The following is a statement from the YMCA of San Diego County:***

The South Bay Family YMCA and Eastlake YMCA are working with Baldwin & Sons to improve the quality of life for people of all ages in Chula Vista. Baldwin & Sons development in Otay Ranch envisions providing its residents with a healthier place to live through walkways and bike paths that will encourage activity. These goals align with the YMCA's values making them a strong partner for the YMCA.

We are pleased to confirm that Baldwin & Sons has contributed \$10,000 to our YMCA Annual Campaign over the past four years.

Funds like this allow the YMCA to extend our reach to nurture the potential of kids, improve health and well-being and to give back and support our neighbors. Through its support of the YMCA and through proposed projects like the Freeway Commercial North project and the Promenade at Otay Ranch Town Center, Baldwin & Sons is working to make Chula Vista a better place to live.

The South Bay Family YMCA and Eastlake YMCA look forward to building on our relationship with Baldwin & Sons to maximize community impact for generations to come.
