

RESOLUTION NO. _____

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHULA VISTA WAIVING THE COMPETITIVE FORMAL BID REQUIREMENT AND AUTHORIZING THE CITY TO CONTRACT FOR SERVICES, AS NECESSARY, WITH GEOCAL, ITERIS, MERZ CONSTRUCTION COMPANY, SOUTH BAY FENCE AND YOUNG NICKS ENTERPRISES, INC. FOR PUBLIC WORKS PROJECTS

WHEREAS, The Public Works Department seeks estimates from multiple vendors for Public Works maintenance projects; and

WHEREAS, City staff continually strives to select responsive and responsible vendors for Public Works maintenance projects; and

WHEREAS, GEOCAL, ITERIS, Merz Construction Company South Bay Fence and Young Nick Enterprises, Inc. have proved to be efficient and consistently priced lower than other vendors; and

WHEREAS, the total costs from these vendors will exceed the \$100,000 spending threshold per the City's purchasing policies; and

WHEREAS, Chula Vista Municipal code Section 2.56.070(B)(3) permits the City Council to waive formal competitive bidding requirements when the competitive bidding requirements as applied to that contract are impractical, impossible or that city interests would be materially better served by applying a different purchasing procedure approved by the purchasing agent as being consistent with good purchasing practices; and

WHEREAS, in accordance with Chula Vista Municipal code Section 2.56.070(B)(3), the City's purchasing agent has determined that, based on several factors identified in the staff report, such as specialization in particular type of maintenance work, readily available crews, consistently lower pricing and proven efficiency, the City's best interests would be best served by waiving the formal competitive bidding requirement.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Chula Vista, that it does hereby waive the competitive formal bid requirements and authorize the City to contract for services, as necessary, from GEOCAL, ITERIS, Merz Construction Company, South Bay Fence and Young Nicks Enterprises, Inc. for minor Public Works projects.
