RE: Parkside Pump Station Bid

In our bid SWR0293 Parkside Pump Station there was an inadvertent oversight in totaling bid item number 24. The unit price of 4,500.00 is correct but the extended amount should have been 9,000.00 Which means the correct total for our bid should be 1,350,270.00 instead of 1,345,770.00
