(f) The Borrower (and any person related to it within the meaning of Section 147(a)(2) of the Code) will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds from the Project Loans, the Tax-Exempt Obligations, or the sale of the Tax-Exempt Obligations or an interest therein to be applied in a manner contrary to the requirements of the Construction Funding Agreement, Borrower Loan Agreement, the Funding Loan Agreement, the Junior Indenture, the Junior Loan Agreement or this Regulatory Agreement. Neither the Borrower nor any Affiliated Party shall purchase any interest in the Tax-Exempt Obligations and shall not take any action that would cause the Tax-Exempt Obligations to be considered federally guaranteed within the meaning of Section 149(b)(2)(B)(ii) of the Code.

To that end, and for the term of this Regulatory Agreement, the Borrower hereby represents, as of the date hereof, and covenants, warrants and agrees as follows:

(a) The Project is being acquired, constructed and equipped for the purpose of providing senior multifamily residential rental property, and the Borrower shall own, manage and operate the Project as a project to provide senior multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with applicable provisions of Section 142(d) of the Code and Section 1.103-8(b) of the Regulations, and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) All of the dwelling units in the Project will be similarly constructed units, and, to the extent required by the Code and the Regulations, each dwelling unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range, refrigerator and sink; provided that any tenant may, but shall not be obligated to, provide a refrigerator for the unit to be occupied.

(d) No part of the Project will at any time be owned or used as a condominium or by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or uses. The Borrower shall not take any steps in connection with a conversion of the Project to a condominium or cooperative ownership except with the prior written approving opinion of Tax Counsel that by reason of any such action the interest on the Tax-Exempt Obligations will not become includable in gross income for federal income tax purposes.

(e) All of the dwelling units (except for one manager's unit described in (g) below) will be available for rental on a continuous basis to members of the general public and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent that dwelling units are required by this Regulatory Agreement or any other restriction to be imposed on the Project to be leased or rented to Low Income Tenants, Very Low Income Tenants and to holders of Section 8 certificates or vouchers or, in the case of any other restrictions imposed on the Project, to tenants meeting the income and affordability restrictions required thereby.

(f) The Project Site consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the Project Facilities will comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in any building in the Project shall be occupied by the Borrower unless the building contains five or more dwelling units, in which case one unit may be occupied by the Borrower or by persons related to or affiliated with the Borrower such as a resident manager or maintenance personnel. Subject to the foregoing limitation, one unit in the Project may be occupied by resident managers or maintenance personnel.

(h) Should involuntary noncompliance with the provisions of Section 1.103-8(b) of the Regulations be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the Governmental Lender from enforcing the requirements of the Regulations, or condemnation or similar event, the Borrower covenants that, within a "reasonable period" determined in accordance with the Regulations, and subject to the provisions of the Funding Loan Agreement, the Borrower Loan Agreement and the Junior Loan Agreement, it will either prepay the Project Loans and cause the Tax-Exempt Obligations to be prepaid or redeemed, as applicable, or apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the Regulations.

(i) The Borrower shall not discriminate on the basis of race, religion, creed, color, ethnic group identification, sex, sexual preference, source of income (e.g. AFDC, SSI), mental or physical disability, national origin or marital status in the rental, lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project.

(j) Following the expiration or termination of the Qualified Project Period, Low Income Units and Very Low Income Units shall remain available to the Low Income Tenants and Very Low Income Tenants then occupying such units at the date of expiration or termination of the Qualified Project Period at a rent not greater than the rent determined pursuant to Section 4(a)(i) and (ii) below until the earliest of any of the following occurs:

(i) The household's income exceeds 140 percent of the income at which such household would qualify as a Low Income Tenant or Very Low Income Tenant, applicable.

(ii) The household voluntarily moves or is evicted for "good cause." For these purposes, "good cause" means the nonpayment of rent or allegation of facts necessary to prove major, or repeated minor, violations of material provisions of the lease agreement which

detrimentally affect the health and safety of other persons or the structure, the fiscal integrity of the Project, or the purposes or special programs of the Project.

(iii) Sixty (60) years after the commencement of the Qualified Project Period.

(iv) The Borrower pays the relocation assistance and benefits to such Low Income Tenants or Very Low Income Tenants, as applicable, as provided in Section 7264(b) of the Government Code of the State of California.

(k) The Governmental Lender may but shall not be required to monitor the Borrower's compliance with the provisions of subparagraph (j) above.

A unit occupied by a Very Low Income Tenant who at the commencement of the occupancy is a Very Low Income Tenant shall be treated as occupied by a Very Low Income Tenant until a recertification of such tenant's income in accordance with Section 4(c)(i) below demonstrates that such tenant no longer qualifies as a Very Low Income Tenant and thereafter such unit shall be treated as any residential unit of comparable or smaller size in the Project occupied by a new resident other than a Very Low Income Tenant. Moreover, a unit previously occupied by a Very Low Income Tenant and then vacated shall be considered occupied by a Very Low Income Tenant until reoccupied, other than for a temporary period, at which time the character of the unit shall be redetermined. In no event shall such temporary period exceed thirty-one (31) days.

(ii) In addition to the Very Low Income Units set aside under paragraph (i) above, during the Qualified Project Period not less than another one hundred nine (109) of the units in the Project shall be designated as Low Income Units, as set forth in Exhibit A to the CDLAC

Resolution, and shall be continuously occupied by or held available for occupancy by Low Income Tenants at monthly rents which do not exceed one-twelfth of the amount obtained by multiplying 30% times 60% of the Median Income for the Area, as adjusted for household size utilizing the percentages set forth above under the definition of Low Income Tenant less a reasonable deduction for utilities paid by the tenant as determined by the Issuer and assuming (solely for purposes of the above-described limit on the amount of monthly rent, and not for purposes of determining whether individuals or families are Low Income Tenants for purposes of Section 142(d) of the Code), the following unit sizes and household sizes:

<i>Unit Size</i>	<i>Household Size</i>
One Bedroom	Two Persons
Two Bedrooms	Three Persons
Three Bedrooms	Four Persons

Such Low Income Units shall be of comparable quality and offer a range of sizes and number of bedrooms comparable to those units which are available to other tenants and shall be distributed throughout the Project.

A unit occupied by a Low Income Tenant who at the commencement of the occupancy is a Low Income Tenant shall be treated as occupied by a Low Income Tenant until a recertification of such tenant's income in accordance with Section 4(c)(ii) below demonstrates that such tenant no longer qualifies as a Low Income Tenant and thereafter such unit shall be treated as any residential unit of comparable or smaller size in the Project occupied by a new resident other than a Low Income Tenant. Moreover, a unit previously occupied by a Low Income Tenant and then vacated shall be considered occupied by a Low Income Tenant until reoccupied, other than for a temporary period, at which time the character of the unit shall be redetermined. In no event shall such temporary period exceed thirty-one (31) days.

(b) Immediately prior to a Very Low Income Tenant's occupancy of a Very Low Income Unit and a Low Income Tenant's occupancy of a Low Income Unit, the Borrower will obtain and maintain on file an Income Certification from each Very Low Income Tenant occupying a Very Low Income Unit and each Low Income Tenant occupying a Low Income Unit, dated immediately prior to the initial occupancy of such Very Low Income Tenant or Low Income Tenant, as applicable, in the Project. In addition, the Borrower will provide such further information as may be required in the future by the State of California, the Governmental Lender, the Act, Section 142(d) of the Code and the Regulations, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations issued under Section 142(d) of the Code. The Borrower shall verify that the income provided by an applicant is accurate by taking one or more of the following steps as a part of the verification process: (1) obtain a federal income tax return for the most recent tax year, (2) obtain a written verification of income and employment from the applicant's current employer, (3) if an applicant is unemployed or did not file a tax return for the previous calendar year, obtain other verification of such applicant's income satisfactory to the Governmental Lender or (4) such other information as may be reasonably requested by the Governmental Lender.

Copies of the most recent Income Certifications for Low Income Tenants and Very Low Income Tenants shall be attached to the annual report to be filed with the Governmental Lender as required in (d) below.

(c) (i) Immediately prior to the first anniversary date of the occupancy of a Very Low Income Unit by one or more Very Low Income Tenants, and on each anniversary date thereafter, the Borrower shall recertify the income of the occupants of each Very Low Income Unit by obtaining a completed Income Certification based upon the current income of each occupant of the unit. In the event the recertification demonstrates that such household's income exceeds 140% of the income at which such household would qualify as Very Low Income Tenants, such household will no longer qualify as Very Low Income Tenants, and to the extent necessary to comply with the requirements of Section 4(a)(i) above, the Borrower will rent the next available unit of comparable or smaller size to one or more Very Low Income Tenants. No tenants shall be denied continued occupancy in the Project because, after occupancy, their income increases to make them no longer qualify as Very Low Income Tenants.

(ii) Immediately prior to the first anniversary date of the occupancy of a Low Income Unit by one or more Low Income Tenants, and on each anniversary date thereafter, the Borrower shall recertify the income of the occupants of each Low Income Unit by obtaining a completed Income Certification based upon the current income of each occupant of the unit. In the event the recertification demonstrates that such household's income exceeds 140% of the income at which such household would qualify as Low Income Tenants, such household will no longer qualify as Low Income Tenants and to the extent necessary to comply with the requirements of Section 4(a)(ii) above, the Borrower will rent the next available unit of comparable size to one or more Low Income Tenants.

(d) Upon commencement of the Qualified Project Period, and within ten days of the last day of each year thereafter during the term of this Regulatory Agreement, the Borrower shall advise the Governmental Lender of the status of the occupancy of the Project by delivering to the Governmental Lender a Certificate of Continuing Program Compliance (with a copy to the Funding Lender).

(e) The Borrower shall maintain complete and accurate records pertaining to the Low Income Units and Very Low Income Units, and shall permit any duly authorized representative of the Governmental Lender, the Funding Lender, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project, including those records pertaining to the occupancy of the Low Income Units and Very Low Income Units.

(f) The Borrower shall submit to the Secretary of the Treasury annually on the anniversary date of the start of the Qualified Project Period, or such other date as is required by the Secretary, a certification that the Project continues to meet the requirements of Section 142(d) of the Code, and shall provide a copy of such certification to the Governmental Lender and the Funding Lender.

(g) The Borrower shall accept as tenants on the same basis as all other prospective tenants, persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the United States Housing Act of 1937, or its successor. The Borrower shall not apply selection criteria to Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants. The Borrower shall not collect any

additional fees or payments from a Low Income Tenant or a Very Low Income Tenant except security deposits or other deposits required of all tenants. The Borrower shall not collect security deposits or other deposits from Section 8 certificate or voucher holders in excess of those allowed under the Section 8 Program. The Borrower shall not discriminate against applicants for Low Income Units or Very Low Income Units on the basis of source of income (i.e., AFDC or SSI), and the Borrower shall consider a prospective tenant's previous rent history of at least one year as evidence of the ability to pay the applicable rent (ability to pay shall be demonstrated if an applicant can show that the same percentage or more of the applicant's income has been paid for rent in the past as will be required to be paid to rent the Very Low Income Unit to be occupied).

(h) Each lease pertaining to a Low Income Unit or Very Low Income Unit shall contain a provision to the effect that the Borrower has relied on the Income Certification and supporting information supplied by the applicant in determining qualification for occupancy of the Low Income Unit or Very Low Income Unit, as applicable, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease. Each lease will also contain a provision that failure to cooperate with the annual recertification process reasonably instituted by the Borrower pursuant to Section 4(c) above may, at the option of the Borrower, disqualify the unit as a Low Income Unit or Very Low Income Unit, as applicable, or provide grounds for termination of the lease.

(i) Prior to the Closing Date, the Borrower agrees to provide to the Governmental Lender a copy of the form of application and lease to be provided to prospective Low Income Tenants and Very Low Income Tenants. The term of the lease shall be not less than thirty (30) days.

(j) To the extent required by law, notwithstanding the termination of the Qualified Project Period, the rent of "in-place" Low Income Tenants and Very Low Income Tenants at the conclusion of the Qualified Project Period will continue to be governed by the applicable affordability restrictions in this Section 4, so long as those tenants continue to live in the Project. The foregoing shall not prevent the Borrower from terminating a tenant's occupancy in accordance with the terms of such tenant's lease or from declining to extend such tenant's lease.

Section 5. Tax Status of the Tax-Exempt Obligations. The Borrower and the Governmental Lender each hereby represents, as of the date hereof, and warrants, covenants and agrees that:

(a) It will not knowingly take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the exclusion from gross income for federal income tax purposes or the exemption from California personal income taxation of the interest on the Tax-Exempt Obligations and, if it should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof;

(b) It will take such action or actions as may be necessary, in the written opinion of Tax Counsel filed with the Governmental Lender and the Funding Lender, to comply fully with the Act and all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service pertaining to obligations issued under Section 142(d) of the Code to the extent necessary to maintain the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Obligations; and

(c) The Borrower, at the Borrower's expense, will file of record such documents and take such other steps as are necessary, in the written opinion of Tax Counsel filed with the Governmental Lender and the Funding Lender, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County of San Diego.

The Borrower hereby covenants to notify any subsequent owner of the Project of the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project to another person to the end that such transferee has notice of such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement; provided that the covenants contained in this paragraph shall not apply to any transfer of the Project by foreclosure, deed in lieu of foreclosure or comparable conversion of the Borrower Loan.

Section 6. Modification of Special Tax Covenants. The Borrower and the Governmental Lender hereby agree as follows:

(a) To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Tax Counsel filed with the Governmental Lender and the Funding Lender, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement which must be complied with in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Obligations, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements following delivery of written notice thereof to Borrower.

(b) To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Tax Counsel filed with the Governmental Lender and the Funding Lender, impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended to conform in whole or in part to such changed requirements should the Governmental Lender, in its sole discretion, determine that such requirements should be made applicable to the Project.

(c) The Borrower and the Governmental Lender shall execute, deliver and, if applicable, file of record any and all documents and instruments, necessary to effectuate the intent of this Section 6, and the Borrower hereby appoints the Governmental Lender as its true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Borrower any such document or instrument (in such form as may be approved in writing by Tax Counsel) if the Borrower defaults in the performance of its obligations under this subsection (c); provided, however, that the Governmental Lender shall take no action under this subsection (c) without first notifying the Borrower or and without first providing the Borrower an opportunity to comply with the requirements of this Section 6.

Section 7. Indemnification. The Borrower hereby releases the Governmental Lender, the Funding Lender, their officers and employees from, and covenants and agrees to indemnify, hold harmless and defend the Governmental Lender, the Funding Lender, the Fiscal Agent, the Junior Trustee, their officers, members, directors, officials, agents and employees and each of them (collectively the "Indemnified Parties," and, individually an "Indemnified Party") from and against, any and all claims, losses, costs, damages, demands, expenses, taxes, suits, judgments, actions and

liabilities of whatever nature, joint or several (including, without limitation, costs of investigation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments), made directly or indirectly (a) by or on behalf of any person arising from any cause whatsoever in connection with transactions contemplated hereby or otherwise in connection with the Project, the Project Loans, the Tax-Exempt Obligations or the execution or amendment of any document relating thereto; (b) arising from any cause whatsoever in connection with the approval of financing for the Project, the making of the Funding Loan or the Project Loans or otherwise; (c) arising from any act or omission of the Borrower or any of its agents, servants, employees or licensees, in connection with the Funding Loan or the Project Loans or the Project; (d) arising in connection with the issuance and sale, resale or reissuance of the Tax-Exempt Obligations or any interest therein or any certifications or representations made by any person (other than the Governmental Lender or the party seeking indemnification in connection therewith) or the carrying out by the Borrower of any of the transactions contemplated by the Funding Loan, the Project Loans, the Tax-Exempt Obligations, the Construction Funding Agreement, the Borrower Loan Agreement, the Funding Loan Agreement, the Junior Indenture, the Junior Loan Agreement or this Regulatory Agreement; (e) arising in connection with the operation of the Project, or the conditions, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, construction or equipping of, the Project or any part thereof; and (f) arising out of or in connection with the Funding Lender's exercise of its powers or duties under the Construction Funding Agreement, the Funding Loan Agreement, this Regulatory Agreement or any other agreements in connection therewith to which it is a party.

This indemnification shall extend to and include, without limitation, all reasonable costs, counsel fees, expenses and liabilities incurred in connection with any such claim, or proceeding brought with respect to such claim, except (i) in the case of the foregoing indemnification of the Funding Lender and/or Fiscal Agent and/or Junior Trustee or any of its Indemnified Parties, to the extent such damages are caused by the negligence or willful misconduct of such Person and (ii) in the case of the foregoing indemnification of the Governmental Lender or any of its Indemnified Parties to the extent such damages are caused by the willful misconduct of such Person.

In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel selected by the Indemnified Party and approved by the Borrower (which approval shall not be unreasonably withheld); and the Borrower shall assume the payment of all reasonable fees and expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Governmental Lender shall have the right to review and approve or disapprove any such compromise or settlement. The Borrower specifically acknowledges and agrees that it has an immediate and independent obligation to defend each Indemnified Party from any claim which actually or potentially falls within this Section 7 even if such claim is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to the Borrower by any Indemnified Party and continues at all times thereafter. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that unless such separate counsel is employed with the approval of the Borrower, which approval shall not be unreasonably withheld, the Borrower shall not be required to pay the fees and expenses of such separate counsel unless the Indemnified Party reasonably determines that a conflict exists between the interests of the Borrower and such Indemnified Party, in which case the Borrower shall pay the reasonable fees and expenses of such separate counsel.

The Borrower also shall pay and discharge and shall indemnify and hold harmless the Governmental Lender and the Funding Lender from (i) any lien or charge upon payments by the Borrower to the Governmental Lender, the Funding Lender, the Fiscal Agent and Trustee hereunder arising out of Borrower's actions or inactions and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges, are sought to be imposed, the Governmental Lender shall give prompt notice to the Borrower, and the Borrower shall have the sole right and duty to assume, and will assume, the defense thereof, with full power to litigate, compromise or settle the same in its sole discretion.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of Section 10 of this Regulatory Agreement, the Borrower shall remain obligated to indemnify the Indemnified Parties pursuant to this Section 7 for all claims arising from events occurring prior to such transfer, unless at the time of transfer the Governmental Lender has consented to indemnification under this Section 7 from such subsequent owner for all claims arising from events occurring prior to such transfer. If the Governmental Lender has consented to any transfer of the Project in accordance with the provisions of Section 10 of this Regulatory Agreement, the Borrower shall not be obligated to indemnify the Indemnified Parties pursuant to this Section 7 for actions or inactions of the transferee arising after such transfer, but shall remain obligated to provide indemnity for claims related to actions or inactions occurring prior to such transfer.

In addition to the foregoing, the Borrower will pay upon demand all of the fees and expenses paid or incurred by the Governmental Lender and/or the Funding Lender in enforcing the provisions hereof.

The provisions of this Section 7 shall survive the term of the Tax-Exempt Obligations and this Regulatory Agreement.

The obligations of the Borrower under this Section are independent of any other contractual obligation of the Borrower to provide indemnity to the Indemnified Parties, and the obligation of the Borrower to provide indemnity hereunder shall not be interpreted, construed or limited in light of any other separate indemnification obligation of the Borrower. The Indemnified Parties shall be entitled simultaneously to seek indemnity under this Section and any other provision under which they are entitled to indemnity.

Section 8. Consideration. The Governmental Lender has entered into the Funding Loan Agreement, the Borrower Loan Agreement, the Junior Indenture and Junior Loan Agreement and issued the Tax-Exempt Obligations to make the Project Loans to finance the Project, all for the purpose, among others, of inducing the Borrower to acquire, construct, equip and operate the Project. In consideration of the Governmental Lender entering into the Funding Loan Agreement, the Borrower Loan Agreement, the Junior Indenture and Junior Loan Agreement and issuing the Tax-Exempt Obligations, the Borrower has entered into this Regulatory Agreement and has agreed to restrict the uses to which the Project can be put on the terms and conditions set forth herein.

Section 9. Reliance. The Governmental Lender and the Borrower hereby recognize and agree that the representations, warranties, covenants and agreements set forth herein may be relied upon by all persons interested in the legality and validity of the Funding Loan Agreement, the Borrower Loan Agreement, the Junior Indenture and Junior Loan Agreement and the Tax-Exempt

Obligations, and in the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Obligations and the exemption from California personal income taxation of the interest on the Tax-Exempt Obligations. In performing their duties and obligations hereunder, the Governmental Lender may rely upon statements and certificates of the Borrower, the Low Income Tenants, the Very Low Income Tenants, and upon audits of the books and records of the Borrower pertaining to the Project. In addition, the Governmental Lender may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Governmental Lender under this Regulatory Agreement in good faith and in conformity with such opinion; provided, however, if there are conflicting opinions among the counsel selected by such parties, the opinion of Tax Counsel shall govern the interpretation and enforcement of this Regulatory Agreement.

Section 10. Sale or Transfer of the Project. The Borrower intends to hold the Project for its own account, with the exception of a transfer of the Project to Borrower's general partner or a third party following the end of the low income housing tax credit compliance period applicable to the Project, has no current plans to sell, transfer or otherwise dispose of the Project, and hereby covenants and agrees not to sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated hereunder), without obtaining the prior written consent of the Governmental Lender (except as provided in the next succeeding paragraph of this Section 10), which consent shall not be unreasonably withheld, delayed or conditioned, and upon receipt by the Governmental Lender (except as provided in the second to last paragraph of this Section 10) of (i) such certifications as deemed necessary by the Governmental Lender to establish that the Borrower shall not be in default under this Regulatory Agreement or under the Project Loans Agreement or, if any such defaults exist, the purchaser or assignee undertakes to cure such defaults to the satisfaction of the Governmental Lender; (ii) a written instrument by which the Borrower's purchaser or transferee has assumed in writing and in full the Borrower's duties and obligations under this Regulatory Agreement, (iii) an opinion of counsel for the transferee that the transferee has duly assumed the obligations of the Borrower under this Regulatory Agreement and that such obligations and this Regulatory Agreement are binding on the transferee, (iv) documentation from the transferee reflecting the transferee's experience or, should the transferee choose to have a property manager run the Project, a property manager's experience with owning and/or operating multifamily housing projects such as the Project and with use and occupancy restrictions similar to those contained in this Regulatory Agreement, and (v) an opinion of Tax Counsel addressed to the Governmental Lender to the effect that such transfer will not cause interest on the Tax-Exempt Obligations, to become includable in the gross income of the recipients thereof for federal income tax purposes. The Borrower shall not allow any non-profit entity, which is not as of the date hereof a general partner of the Borrower, to become a general partner of the Borrower nor release any non-profit entity which is a general partner of the Borrower as of the date hereof from the limited partnership without the prior written consent of an Authorized Officer of the Governmental Lender (which consent shall not be unreasonably withheld, delayed or conditioned).

No transfer of the Project shall operate to release the Borrower from its obligations under this Regulatory Agreement with respect to any action or inaction taken prior to such transfer. Nothing contained in this Section 10 shall affect any provision of the other Funding Loan Documents to which the Borrower is a party which requires the Borrower to obtain the consent of the Funding Lender as a precondition to sale, transfer or other disposition of, or any direct or indirect interest in, the Project or of any direct or indirect interest in the Borrower or which gives the Funding Lender the right to accelerate the maturity of the Borrower Loan made pursuant to the Borrower Loan Agreement, or to take some other similar action with respect to the Borrower Loan, upon the sale,

transfer or other disposition of the Project. Notwithstanding anything contained in this Section 10 to the contrary, neither the consent of the Governmental Lender nor the delivery of items (i) through (v) of the preceding paragraph shall be required in the case of a foreclosure or deed in lieu of foreclosure or comparable conversion of the Borrower Loan made pursuant to the Borrower Loan Agreement, whereby the Funding Lender or its designee, or a third party purchaser from the Funding Lender becomes the owner of the Project, and nothing contained in this Section 10 shall otherwise affect the right of the Funding Lender or its designee, or any such third party purchaser to foreclose on the Project or to accept a deed in lieu of foreclosure or to effect a comparable conversion of the Borrower Loan made pursuant to the Borrower Loan Agreement. Consent of the Governmental Lender and delivery of items (i) through (v) of the preceding paragraph shall be required for any future transfer of the Project to be made subsequent to any transfer described in the preceding sentence.

It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 10 shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. Not less than 30 days prior to consummating any sale, transfer or disposition of any interest in the Project, the Borrower shall deliver to the Governmental Lender a notice in writing explaining the nature of the proposed transfer.

Section 11. Foreclosure. Notwithstanding anything contained in Section 10 hereof to the contrary, neither the consent of the Governmental Lender nor the delivery of items (i) through (v) of the first paragraph of Section 10 hereof (the “Transfer Conditions”) shall be required in the case of a transfer by foreclosure or deed in lieu of foreclosure, whereby the Funding Lender becomes the owner of the Project, and nothing contained in this Section 11 shall otherwise affect the right of the Funding Lender to foreclose on the Project or accept a deed in lieu of foreclosure. The Transfer Conditions shall be applicable to any subsequent transfer by the Funding Lender.

Section 12. Term. This Regulatory Agreement and all and several of the terms hereof shall become effective upon its execution and delivery and shall remain in full force and effect during the Qualified Project Period, or for such longer period as is provided in Sections 3(j) and 7 above, and in the CDLAC Resolution referred to in Section 26 below, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Tax-Exempt Obligations and expiration of the Borrower Loan Agreement, the Junior Indenture, the Junior Loan Agreement, the Project Loans, the Construction Funding Agreement and the Security Instrument. Notwithstanding any other provisions of this Regulatory Agreement to the contrary, this entire Regulatory Agreement, or any of the provisions or sections hereof, may be terminated prior to the expiration of the Qualified Project Period upon agreement by the Governmental Lender, the Funding Lender (if the Borrower Loan is still outstanding) and the Borrower only if there shall have been received by the Governmental Lender an opinion of Tax Counsel that such termination will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Obligations or the exemption from State personal income taxes of the interest on the Tax-Exempt Obligations.

The terms of this Regulatory Agreement to the contrary notwithstanding (except as to the provisions of Section 7 hereof), this Regulatory Agreement, and each and all of the terms hereof, shall terminate and be of no further force or effect in the event of an involuntary noncompliance by the Borrower with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date which prevents the

Governmental Lender and the Funding Lender from enforcing the provisions of this Regulatory Agreement, foreclosure on the Project or delivery of a deed in lieu of foreclosure or condemnation or a similar event, but only if within a reasonable period thereafter the Tax-Exempt Obligations are redeemed or retired or amounts received as a consequence of such event are used to provide a project that meets the requirements of the Code set forth in this Regulatory Agreement; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure on the Project or the delivery of a deed in lieu of foreclosure or a similar event, the Borrower or any Affiliated Party obtains an ownership interest in the Project for federal income tax purposes. Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

Section 13. Covenants to Run With the Land. The Borrower hereby subjects the Project (including the Project Site) to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The Governmental Lender and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

Section 14. Burden and Benefit. The Governmental Lender and the Borrower hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Borrower's legal interest in the Project is rendered less valuable thereby. The Governmental Lender and the Borrower hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low Income Tenants and Very Low Income Tenants and by furthering the public purposes for which the Tax-Exempt Obligations were issued.

Section 15. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Project Site.

Section 16. Enforcement. If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Regulatory Agreement, and if such default remains uncured for a period of 60 days after notice thereof shall have been given (i) by the Governmental Lender to the Funding Lender and the Borrower and Equity Investor or (ii) by the Funding Lender to the Governmental Lender and the Borrower and Equity Investor (provided, however, that the Governmental Lender may at its sole option extend such period if the Borrower provides the Governmental Lender and the Funding Lender with an opinion of Tax Counsel to the effect that such extension will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Obligations), then the Governmental Lender may, or the Funding Lender, subject to the provisions of the Funding Loan Agreement and Construction Funding Agreement, may and at the direction of the Governmental Lender shall, declare an "Event of

Default” to have occurred hereunder and shall provide written notice thereof to the Borrower and the Equity Investor and the Governmental Lender or the Funding Lender, as applicable, and, at its option may take any one or more of the following steps:

(i) by mandamus or other suit, action or proceeding at law or in equity, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the Governmental Lender or the Funding Lender hereunder;

(ii) have access to and inspect, examine and make copies of all of the books and records of the Borrower pertaining to the Project; or

(iii) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

The Borrower hereby agrees that specific enforcement of the Borrower’s agreements contained herein is the only means by which the Governmental Lender may fully obtain the benefits of such agreements made by the Borrower herein, and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any Event of Default by the Borrower hereunder.

The Funding Lender shall have the right, in accordance with this Section 20 and subject to the provisions of Section 2.2 of the Funding Loan Agreement, to exercise any or all of the rights or remedies of the Governmental Lender hereunder; provided that prior to taking any such act the Funding Lender shall give the Governmental Lender written notice of its intended action. All fees, costs and expenses of the Funding Lender (including, without limitation, reasonable attorneys fees) incurred in taking any action pursuant to this Section 20 shall be the sole responsibility of the Borrower.

Notwithstanding anything contained in this Regulatory Agreement or the Funding Loan Agreement to the contrary, the occurrence of an Event of Default under this Regulatory Agreement shall not be deemed, under any circumstances whatsoever, to be a default under the other Funding Loan Documents or Junior Loan Agreement except as may be otherwise specified in the other Funding Loan Documents or Junior Loan Agreement. The parties hereto agree that the maturity date of the Borrower Loan may be accelerated solely by the Funding Lender upon the occurrence of a default, after the expiration of any notice, grace or cure periods, on the part of the Borrower under the Borrower Loan Documents in accordance with their respective terms and for no other reason.

The Governmental Lender may not, upon the occurrence of an event of default under this Regulatory Agreement, seek, in any manner, to foreclose on the Security Instrument, to cause the Funding Lender to cause a prepayment of the Governmental Lender Note or Junior Bonds or to declare the principal of the Governmental Lender Note or Junior Bonds and the interest accrued on the Governmental Lender Note to be immediately due and payable or to cause the Funding Lender to take any action under any of the Funding Loan Documents or any other documents which action would or could have the effect of achieving any one or more of the actions, events or results described above. The occurrence of an Event of Default under this Regulatory Agreement shall not impair, defeat or render invalid the lien of the Security Instrument.

The rights of the Funding Lender under this Section are in addition to all rights conferred upon the Funding Lender under the Funding Loan Agreement and the other Funding Loan Documents and in no way limit those rights.

Section 17. Recording and Filing. The Borrower shall cause this Regulatory Agreement and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the County of San Diego and in such other places as the Governmental Lender may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.

Section 18. Payment of Fees. The Borrower hereby agrees to pay or shall cause the Fiscal Agent and/or Junior Trustees to pay all reasonable costs and expenses of the Governmental Lender in connection with the Tax-Exempt Obligations and the financing of the Project as such costs and expenses become due and payable upon the receipt of written invoices verifying such costs and expenses.

On the Closing Date, the Governmental Lender shall be paid a one-time fee equal to 0.125% of the maximum amount of the Tax-Exempt Obligations. Thereafter, the Borrower shall pay or shall cause the Fiscal Agent to pay to the Governmental Lender the Governmental Lender Fee on March 1 of each year throughout the term of the Regulatory Agreement, commencing March 1, 2017, in an amount equal to 0.125% of the original maximum principal amount of the Tax-Exempt Obligations until the end of the Qualified Project Period.

Notwithstanding any prepayment of the Borrower Loan and notwithstanding a discharge of the Funding Loan Agreement, the Borrower Loan Agreement, the Junior Indenture and the Junior Loan Agreement, throughout the term of this Regulatory Agreement, the Borrower shall continue to pay to the Governmental Lender the Governmental Lender Fee, and, in the event of default, shall also pay to the Governmental Lender and to the Funding Lender reasonable compensation for any services rendered by either of them hereunder and reimbursement for all expenses reasonably incurred by either of them in connection therewith. The fee payable to the Governmental Lender referenced in this section shall in no way limit amounts payable by the Borrower under Section 7 hereof, or arising after an Event of Default in connection with the Governmental Lender's or the Funding Lender's enforcement of the provisions of this Regulatory Agreement. The fee payable to the Governmental Lender referenced in this section includes any fee to be paid by the Governmental Lender to any entity which administers the Project.

In the event that the Tax-Exempt Obligations are redeemed or prepaid, as applicable, in part or in full prior to the end of the term of this Regulatory Agreement, the Governmental Lender Fee for the remainder of the term of this Regulatory Agreement shall continue to be payable to the Governmental Lender for the number of years remaining in the Qualified Project Period. However, at the option of the Governmental Lender, the Governmental Lender may elect to have the Governmental Lender Fee paid by the Borrower at the time of the final prepayment of the Tax-Exempt Obligations in a lump sum amount equal to the present value (based on a discount rate equal to the yield on the Tax-Exempt Obligations, as determined by the Governmental Lender at the time of prepayment of the Governmental Lender Note and Junior Trustee at the time of prepayment of the Junior Bonds) of the Governmental Lender Fee for the number of years remaining in the Qualified Project Period under this Regulatory Agreement.

Section 19. Governing Law. This Regulatory Agreement shall be governed by the laws of the State of California.

Section 20. Amendments. Except as provided in Section 6(a) hereof, this Regulatory Agreement shall be amended by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the County of San Diego. Any amendment to this Regulatory Agreement shall be accompanied by an opinion of Tax Counsel to the effect that such amendment will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Obligations.

Section 21. Notice. All notices, certificates or other communications shall be sufficiently given and shall be deemed given on the date personally delivered or on the second day following the date on which the same have been mailed by certified mail, return receipt requested, postage prepaid, addressed as follows:

Any of the foregoing parties may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates, documents or other communications shall be sent. Copies of notices sent by any party hereto shall be sent concurrently to each of the parties listed above.

So long as the Funding Loan Agreement and/or Junior Loan Agreement are in effect, the Government Lender shall provide the Fiscal Agent and/or Junior Trustee, as applicable, with notice of any termination of this Regulatory Agreement, or any amendments, supplements or modifications of this Regulatory Agreement which affect the payment terms of the Governmental Lender Fee.

Section 22. Severability. If any provision of this Regulatory Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

Section 23. Multiple Counterparts. This Regulatory Agreement may be executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 24. Compliance by Borrower. The Funding Lender shall not be responsible for monitoring or verifying compliance by the Borrower with its obligations under this Regulatory Agreement.

Section 25. Obligation of Borrower; Limitations on Recourse to Borrower. Notwithstanding any provisions of this Regulatory Agreement to the contrary, all obligations of the Borrower under this Regulatory Agreement for the payment of money and all claims for damages against the Borrower occasioned by breach or alleged breach by the Borrower of its obligations under this Regulatory Agreement, including indemnification obligations, shall not be secured by or in any manner constitute a lien on the Project and no person shall have the right to enforce such obligations other than directly against the Borrower without recourse to the Project, and all such obligations shall be subordinate in priority, in right to payment and in all other respects to the obligations, liens, rights

(including without limitation the right to payment) and interests arising or created under the Loan Documents. Except as otherwise provided in Section 7 of this Regulatory Agreement, no subsequent owner of the Project shall be liable or obligated for the breach or default of any obligation of any prior owner of the Project (including the Borrower) under this Regulatory Agreement. Such obligations shall be the obligations of the Person who was the owner of the Project at the time the default or breach was alleged to have occurred, and such Person shall remain liable for any and all damages occasioned by the default or breach even after such Person ceases to be the owner of the Project.

The following obligations of the Borrower shall, subject to the limitations set forth in the preceding paragraph, and Section 16 of this Regulatory Agreement, be and remain the joint and several full recourse obligations of the Borrower and each general partner of the Borrower (other than any nonprofit general partner):

(i) the Borrower's obligations to the Governmental Lender and the Funding Lender and the Borrower's obligation to pay any and all rebate amounts that may be owed with respect to the Tax-Exempt Obligations; and

(ii) the Borrower's obligations under Section 7 of this Regulatory Agreement.

Section 26. CDLAC Requirements. The acquisition, construction, equipping and operation of the Project and the financing thereof are and shall be in compliance with the conditions set forth in Exhibit A to the CDLAC Resolution, a copy of which is attached hereto as Exhibit D, which conditions are incorporated herein by reference and are made a part hereof. The Governmental Lender shall monitor and enforce the Borrower's compliance with the provisions of this Section 26. In addition, Borrower shall cooperate with the Government Lender's reporting requirements and utilize such forms, software, websites and third-party vendors as may be required by the Governmental Lender in its monitoring efforts. The Borrower shall prepare and submit to CDLAC annually by February 1 of each year following the Closing Date, and on such other date as is reasonably requested by CDLAC, a Certificate of Compliance in substantially the form attached hereto as Exhibit E, executed by an authorized representative of the Borrower and the form of CDLAC public benefits certification in the form attached hereto as Exhibit F. CDLAC shall be a third-party beneficiary of this Regulatory Agreement solely for purposes of enforcing the terms of the CDLAC Resolution. CDLAC shall have the right to enforce the terms of the CDLAC Resolution through an action for specific performance or any other available remedy; provided, however, that CDLAC shall not take any action or enforce any remedy that would be materially adverse to the interests of the holders of the Tax-Exempt Obligations and any such action or enforcement shall otherwise be subject to the terms, conditions and limitations applicable to the enforcement of remedies under this Regulatory Agreement.

Section 27. Damage, Destruction or Condemnation of the Property. In the event that the Property is damaged or destroyed or title to the property, or any part thereof, is taken through the exercise or the threat of the exercise of the power of eminent domain, the Borrower shall comply with all applicable requirements of the Security Instrument, the other Borrower Loan Documents and the Junior Loan Agreement.

Section 28. Third-Party Beneficiaries. The parties to this Regulatory Agreement recognize and agree that the terms of this Regulatory Agreement and the enforcement of those terms are essential to the security of the Funding Lender and are entered into for the benefit of the Funding

Lender. The Funding Lender shall have contractual rights in this Regulatory Agreement and shall be entitled (but not obligated) to enforce, separately or jointly with the Governmental Lender, or to cause the Governmental Lender to enforce, the terms of this Regulatory Agreement. The Funding Lender, the Fiscal Agent and Junior Trustee are intended to be and shall be third-party beneficiaries of this Regulatory Agreement, and the Funding Lender shall have the right (but not the obligation) to enforce the terms of this Regulatory Agreement insofar as this Regulatory Agreement sets forth obligations of the Borrower.
