Item 9: Support Ad Hoc Stakeholder Subcommittee to Modify Eviction Moratorium Policies

Dear Mayor Salas and Councilmembers:

The Southern California Rental Housing Association (SCRHA) respectfully requests you approve the creation of an Ad Hoc Stakeholder Subcommittee to Modify the City's Eviction Moratorium Policies. A stakeholder subcommittee can assist the city in this complex matter and help craft a balanced approach for tenants, property owners and small businesses.

The Southern California Rental Housing Association would also like to be considered as a stakeholder and offer its rental housing expertise to assist in the formation of well-crafted policy for both the short and long-term.

Thank you in advance for your consideration and for your continued work to protect all Chula Vista residents and business owners.

Sincerely,

A handwritten signature in black ink that reads "Alan Pentico". The signature is written in a cursive, flowing style.
