Subject: Re: Board of Library Trustees Meeting - Oct 19 @ 4 pm

Hello Betty and Yeelin,

I wanted to do this in person and before today's Trustee Meeting (and will still swing though when I'm back in town), but I unfortunately must step down as a Board of Trustee.

I am not able to commit the time needed to effectively execute my responsibilities as a Trustee and don't feel that it's fair to you or the other Trustees to continue to miss meetings.

I wanted to thank you for the opportunity to be a part of such a great group, and wish you all the best as you continue to make inroads into building the library of the future!
