

CITY COUNCIL AGENDA STATEMENT

July 23, 2019

File ID: 19-0361

TITLE

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHULA VISTA APPROVING THE AGREEMENT WITH THE COUNTY OF SAN DIEGO FOR THE POLICE DEPARTMENT'S PARTICIPATION IN THE CALIFORNIA IDENTIFICATION SYSTEM REMOTE ACCESS NETWORK

RECOMMENDED ACTION

Council adopt the resolution.

SUMMARY

Since 1990, the Police Department has participated in the California Identification System Remote Access Network, commonly known as Cal-ID/RAN. This system is maintained by the State Department of Justice, but the County of San Diego is the responsible agency for system allocation and funding. The Police Department is requesting continued participation in the Cal-ID/Remote Access Network through June 30, 2024.

ENVIRONMENTAL REVIEW

The activity is not a "Project" as defined under Section 15378 of the California Environmental Quality Act State Guidelines; therefore, pursuant to State Guidelines Section 15060(c)(3) no environmental review is required.

BOARD/COMMISSION/COMMITTEE RECOMMENDATION

Not applicable.

DISCUSSION

The State of California Department of Justice maintains an automated system for retaining and identifying fingerprints, palm prints and photos called the California Identification System and Cal-Photo (hereinafter referred to as "Cal-ID"). The California Penal Code, Section 11112.1 provides for the establishment of a Remote Access Network (RAN), consisting of a statewide network of equipment and procedures allowing local law enforcement agencies direct access to Cal-ID. The San Diego County Sheriff's Department is the County's proprietary agency for San Diego County's Cal-ID/RAN.

Since 1990, the Police Department has been entering into five-year agreements with the County of San Diego to participate in Cal-ID/RAN. The previous agreement terminated June 30, 2019. The new agreement is

effective July 1, 2019 and will terminate on June 30, 2024. The Police Department is requesting continued participation in the Cal-ID/Remote Access Network through June 30, 2024. Either party may terminate the agreement by giving a one-year advance written notice of intention to terminate. The City will reimburse the County for its proportional share of net operational costs associated with Cal-ID/RAN based on the city's percentage of total county population and the city's percentage of FBI crimes. These associated costs, approximately \$55,000 annually, are already included in the fiscal year 2019/2020 adopted budget.

DECISION-MAKER CONFLICT

Staff has reviewed the decision contemplated by this action and has determined that it is not site-specific and consequently, the real property holdings of the City Council members do not create a disqualifying real property-related financial conflict of interest under the Political Reform Act (Cal. Gov't Code § 87100, et seq.).

Staff is not independently aware, and has not been informed by any City Council member, of any other fact that may constitute a basis for a decision- maker conflict of interest in this matter.

CURRENT-YEAR FISCAL IMPACT

Approval of this resolution will result in the Police Department's continued participation in the Cal-ID/Remote Access Network through June 30, 2024. The amount of \$55,000 for Cal-ID/RAN costs has already been included in the fiscal year 2019/2020 adopted budget. There is no net fiscal impact by accepting this resolution.

ONGOING FISCAL IMPACT

Cal-ID/RAN costs in subsequent years will be included in the proposed budget and will be considered as part of the normal budget process.
