RE: Frank & Sons Paving, Inc.
Major Pavement Rehabilitation FY 18/19

Dear Sir or Madame:

I am writing to you regarding Frank & Sons Paving project awarded to them January 7, 2021. Frank & Sons has a new surety relationship and as a result, Hudson Insurance Company required notarized documents be presented to them prior to release of the final bonds for the referenced project.

It is my understanding that Ms. Alicia Vasquez contracted COVID 19 and as a result, the signing of the required documents was delayed until she was well enough to execute the documents in front of a notary without jeopardizing the health of the notary and her office staff. In addition, the documents had to be recorded which was also slowed by Covid.

Once we received and recorded the required documents, we did expedite bond issuance.

Sincerely,

A handwritten signature in black ink, appearing to read "Cyndi Beilman", with a long horizontal flourish extending to the right.
