SUBJECT: **CORRECTION TO AGENDA STATEMENT 18-0442**

Honorable Mayor and Members of the City Council,

Please note the following correction to agenda statement 18-0442 regarding access hours to Friendship Park and the Civic Center library from the deck project.

The language currently in the agenda statement to be changed is "The Grand Terrace project will provide 24/7 access to Friendship park directly from a new north side entrance of the Civic Center library."

The corrected language should be "Access to the Grand Terrace deck will be open during normal operational hours of Friendship Park (7am – 10pm) 7 days a week, unless extended due to a special event."

We apologize for any confusion this may have caused.
