Rennsie R. Gregorio

November 5, 2015

To the Chula Vista Boards & Commissions,

I am currently an active duty service member with 22 years of service in the United States Navy. I have taken advantage of every opportunity to volunteer and serve local communities everywhere the Navy has stationed me and every port that my ships have pulled into. It is now that I have the opportunity to serve my community in a more official capacity while here at my shore duty command.

My interest in serving as a member of the Parks & Recreation Commission stems from my years of experience as a parent of children who have enjoyed utilizing our parks as youth athletes, celebrating parties, and hanging out with families and friends. As an active duty service member we have also enjoyed the use of our parks to celebrate military events and functions. The parks have been a place where our memories have been built and our children learned the value of team work, community involvement, and commitment.

I am ready and willing to provide my leadership, dedication, and cooperation on ensuring our parks and recreational activities continue to improve and provide our community with every opportunity to build memories and establish a sense of ownership in our neighborhoods. Thank you for your time and I am excited and looking forward for an interview.

Sincerely,

Rennsie R. Gregorio
