RE: Request for time limited parking

Respectfully request that time limited parking (2 hours) be assigned to the curbs on 2620 Main Street and the west corner of Silvas and Main Street in Chula Vista. Our business is located at 2620 Main Street and often large trucks and employees from businesses across the street are parked from 8:00 a.m. until 6:00 p.m. Also, semi trucks often park their trucks overnight making it very difficult for our vendors and customers to find parking.

Any assistance you can give us is greatly appreciated. I can be reached at (619) 424-3535 - business or (619) [REDACTED] (cell) for further information.
