- I. Continue to exercise efficient and productive management practices consistent with federal and state laws and in compliance with the City Charter and City ordinances.

Terms and conditions set forth in this MOU represent the full and complete understanding between the parties. During the term of this MOU, Local 2180 expressly waives the right to meet and confer with respect to any subject covered in this MOU, unless modified through the voluntary, mutual consent of the parties in a written amendment. This MOU terminates and supersedes those partial practices, agreements, procedures, traditions, and rules or regulations inconsistent with any matters covered in the MOU. The parties agree that during the negotiations that culminated in this MOU, each party enjoyed the opportunity to make demands and proposals or counter-proposals with respect to any matter, even though some matters were proposed and later withdrawn, and that the understandings and agreements arrived at after the exercise of that right and opportunity are executed in this MOU.

The City's exercise of its management rights is not subject to challenge through the grievance procedure or in any other forum, except where otherwise in conflict with a specific term of this MOU.

ARTICLE 1.04 LOCAL 2180 RIGHTS

The exclusive rights of Local 2180 shall include, but not be limited to:

- A. Authorized representatives of Local 2180 shall be allowed reasonable access to represented employees at their work locations during working hours for the purpose of consulting with employees regarding the employer-employee relationship, provided that: (1) the work operation and service to the public are not unduly impaired, and (2) the authorized representatives shall have given advance notice to the Fire Chief or his/her designated representative when contacting represented employees during the duty period of the employees. The Fire Chief or his/her designee shall determine the appropriate time for such access.
- B. Local 2180 officers and members of its Board shall be granted use of City facilities for meetings composed of such officers or Board members, provided space can be made available without interfering with City needs, and provided such meetings are conducted at no cost to the City.
- C. Local 2180 may designate up to four (4) representatives (in addition to the President and Vice-President) who will be allowed reasonable access to unit employees.
- D. A reasonable amount of space shall continue to be provided to Local 2180 on City bulletin boards for legitimate communications with represented employees. Local 2180 shall be responsible to maintain space provided in an orderly condition and shall promptly remove outdated materials. Copies of such communications shall be furnished to the Director of Human Resources for review.
- E. The City will continue to provide biweekly payroll dues deductions as authorized by unit employees to Local 2180, and Local 2180 will pay the City \$.10 per member per pay period for the actual costs incurred for dues deduction on behalf of Local 2180. The City will remit the deductions to Local 2180 in a timely manner and will provide Local 2180 a biweekly computer print-out of its members' dues deductions.

- F. The City shall provide, upon request, such literature and public documents as may be necessary (i.e., City budget, Civil Service Commission meetings, open Council conferences, etc.) when the requested documents are not available on the City's intranet.

ARTICLE 1.05 EMPLOYEE RIGHTS

 - A. Form, join, and participate in the activities of employee organizations of their own Choosing for the purpose of representation in matters of employer- employee relations.
 - B. Refuse to join or participate in the activities of employee organizations.
 - C. Represent themselves individually in their employee relations with the City.

The City agrees that all supervisors will remove any negative letters, notes, or other forms of documentation from any supervisor files they may have on an IAFF Local 2180 subordinate member after one year from the date the supervisor has knowledge of the facts/circumstances underlying the entry. Any such documentation should instead be reflected on an employee's most current performance evaluation. This will coincide with the City's current policy and will not apply to the employee's personnel folder maintained by the Human Resources Department.

III. Representation by Local:

Represented employees required to meet with any supervisor(s) in which the purpose or part of the purpose is to discipline the employee, or to discuss the likelihood of future disciplinary action, shall have the right to have a shop steward in attendance if any written record of the discussion will be made by the supervisor(s) or other management personnel. Such meeting shall be preceded by at least 24-hour notification of the time and purpose of the meeting to the employee, provided employees may waive any advance notification if they so choose. A shop steward would not be permitted in meetings for Performance Reports (except ones with an overall rating of Unsatisfactory), reviews or selections or promotion interviews.

ARTICLE 1.06 LABOR-MANAGEMENT COOPERATION

The parties agree that during the term of this MOU, they will continue to support the Pride At Work Program. In addition they will continue to participate in efforts to contain health care costs. The City and Local 2180 agree that they will continue to have open discussions on matters of concern to the parties during the term of this MOU.

ARTICLE 1.07 TERM AND EFFECT OF MOU

- I. This Memorandum of Understanding shall remain in full force and effect from the date of ratification by IAFF and approval of City Council until June 30, 2017. - II. The provisions of this MOU shall be subject to federal, state and local law.
- III. This MOU fully and completely incorporates the understandings of the parties for the full term of this MOU, constituting the sole and entire understanding between the parties. It is further understood, however, that nothing in this MOU prohibits the parties from changing and amending the terms of this MOU during the period of its effectiveness by mutual agreement. Nothing contained in this MOU shall affect rights and privileges of parties as established by the laws of the State of California, as contained in the Government Code of the State of California under those provisions known as the Meyers-Milias-Brown Act, unless specifically referred to herein.
- IV. If at any time during the term of this MOU, the City Council declares a fiscal emergency, then, in such event, the City may re-negotiate this MOU and meet and confer on wages, hours, and other terms and conditions of employment. This section, however, in no way effects the existing right of the City to lay off employees.

ARTICLE 1.08 MOU REVISIONS

The City and LOCAL 2180 agree that during the term of the MOU they will continue to meet and confer on non-substantive changes to the format and language of the MOU if necessary. The purpose of the proposed changes is to reconcile the MOU, Civil Service Rules, the Employer/Employee Relations Policy, and other City policies and procedures.

If any article or section of this MOU shall be held invalid by operation of law or by any court of competent jurisdiction or if compliance with, or enforcement of, any article or section shall be restrained by such court, the remainder of this MOU shall not be affected thereby. SECTION II COMPENSATION

SUBSECTION A. WAGES

ARTICLE 2.01 WAGES

- I. A. [Salary Adjustments] Salary adjustments shall be made as follows:
 1. 2% as stated in Paragraph B
 2. 2% in the first full pay period of July 2015, if both parties ratify and approve this MOU as set forth on Paragraph B.
 3. 2% in the first full pay period of July 2016, if both parties ratify and approve this MOU as set forth in Paragraph B.
- B. [Effective Date] The salary adjustments in Paragraph A shall be effective the first full pay period after ratification by IAFF and approval of this MOU by the City Council via resolution in open session.
- C. [Salary Adjustments Not Retroactive] The salary adjustments in Paragraph A shall not be retroactive.
- D. [Reopener] The City and IAFF shall mutually agree to reopen this Article for salary increases for Fiscal Year 2016-2017 by providing written notice between September 1, 2015 and December 31, 2015.

E. [One-Time Stipend In-Lieu of RMT] IAFF withdraws its request for an RMT. In lieu of the City agreeing to contribute start-up costs and a per member amount into the RMT, IAFF represented employees shall be provided a one-time stipend in the amount of \$1268 in the first full pay period after ratification by IAFF and approval of a successor MOU by the City Council via resolution in open session.

- II. Merit (Step) Increases will be made according to the formula set forth in the Civil Service Rules currently in effect. The effective date of exceptional merit increases shall be the beginning of the pay period following approval.

The classifications shall be subject to a five (5) step salary range.

- III. Effective Dates - All other payroll and wage changes, such as regular merit increases, shall be made effective at the beginning of the regular biweekly payroll period closest to the employee's actual qualifying date.
- IV. Rate of Pay Following Promotion - When a represented employee is promoted, the new rate of pay will be the lowest step in the new salary range which will result in the employee receiving at least 5% more than the actual base rate of the old classification.

ARTICLE 2.02 OVERTIME

- I. Whenever employees are ordered, because of an emergency or in the interest of the efficiency of the department, to render overtime service as defined below, they shall be granted overtime pay at the rate of 1-1/2 times their Fair Labor Standards Act (FLSA) "regular rate," or compensatory time off at 1-1/2 times the overtime hours worked (subject to the Compensatory Time provisions in Article 2.03 below).

- A. Fire Suppression personnel will receive overtime pay or compensatory time off at 1½ time for hours worked in excess of 182 hours in a 24-day work period. Authorized paid time off (e.g. vacation, compensatory time, and sick leave) will be counted as time worked for purposes of calculating overtime.

For Fire Suppression personnel, payment for overtime earned in a given 24-day work period will be made no later than with the pay warrant covering the biweekly pay period during which the work period ended.

- B. Non-Suppression personnel will receive overtime pay or compensatory time off at one and one-half times hours worked in excess of 40 hours in a 7-day work period. Authorized paid time off (e.g. vacation, compensatory time, and sick leave) will be counted as time worked for purposes of calculating overtime for non-Suppression personnel.

For non-Suppression personnel, payment for overtime shall be made with the pay warrant covering the pay period in which the overtime was earned.

- C. [K-9 Handler Pay] Employees who are designated Dog Handlers will receive three and a half (3 ½) hours paid overtime cash compensation per week.

- II. Emergency Holdovers - Employees who are held over more than fifteen minutes beyond the scheduled termination of their work shift due to fire or other emergency calls, shall be paid on a 1 ½ time basis after fifteen minutes to the nearest half hour for all such time worked. “Time worked” shall include staff’s preparation of incident reports and such personal or equipment clean-up as is necessary and required by the Fire Chief.
- III. Non-Emergency Holdovers - Employees required to remain on duty more than fifteen minutes beyond the scheduled termination of their shift for other than emergency calls shall be paid on a 1½ time basis after fifteen minutes to the nearest half hour for all such time worked. "Time worked" shall include such personal or equipment clean-up as is necessary and required by the Fire Chief, up to a maximum of 30 minutes of clean-up time.
- IV. The practice of “acting down” and provisions set forth in paragraph 3 of the June 16, 2009 Side Letter of Agreement regarding “working down” are eliminated. However, fire personnel (Engineers and above) who are certified as a paramedic may “work down” to a firefighter-paramedic assignment. In addition, the Fire Chief or their designee may authorize “working down” under the following circumstances, as determined to exist by the Fire Chief or their designee: (1) during an emergency, such as a large fire or incident requiring a County wide response; (2) unplanned need for staffing, such as an employee having a family emergency and has the immediate need to leave the workplace; or (3) when attempts to contact replacement staff of the same rank have been made, but result in no same rank staff being available to work overtime and continuing attempts to contact replacement staff of the same rank would be futile or not permit a timely filling of an unfilled position and to prevent a force hire. However, this paragraph does not preclude the City from being able to force hire as an option.

ARTICLE 2.03 COMPENSATORY TIME

- 1. Compensation for overtime (“CTO”) with compensatory time in lieu of overtime pay will be at the option of the supervisor and the Fire Chief, based on the employee's request while recognizing the overall staffing requirements of the department. Approval of such requests shall not be unreasonably withheld. A record of compensatory time earned and utilized shall be maintained on the biweekly pay records. Use of compensatory time will be subject to the same procedures as vacation leave requests i.e. approval of compensatory time off if the employee calls in by 6 a.m. on the day of the shift and no more than eight (8) hours off using annual leave or e-compensatory time that shift except that requests for vacation leave will have priority over requests for compensatory leave. In the first pay period in September each year, employees shall be paid for any accumulated compensatory time at their regular rate of pay then in effect.
- 2. The City expects to study CTO and prepare a report. The City will provide IAFF a copy of that report. The City may reopen the MOU by providing written notice to IAFF between September 1, 2015 and December 31, 2015 and renegotiate this Article.
- 3. IAFF members shall be permitted to accrue up to 480 total hours of compensatory time off (“CTO”) per September to September period. Once IAFF members have reached 480 hours during this period they will be paid solely via overtime cash until the accrued 480 hours is reduced. In addition to the September CTO cash out in September of each year (as currently provided for in the MOU), CTO may be cashed out at any time at the employee’s request.

ARTICLE 2.04 CALLBACKS

- A. Employees who are called back to work before the scheduled start of their next regular shift, after having left their work site or at the conclusion of their prior scheduled shift, shall be paid for the actual overtime worked to the nearest half hour, with two (2) hours being the minimum amount paid. The two (2) hour minimum shall not, however, apply under any of the following situations:
 - (1) The employee is held over beyond the scheduled termination of his or her work shift (see Article 2.02, II and III.
 - (2) The employee returns to work within two (2) hours of the start of his/her next regular shift.
- B. The amount of overtime worked shall not include travel time from the employee's home (or other non-work location where he/she was notified of the callback) to the employee's work station or incident scene, whichever location the employee is required to report to first. Similarly, overtime shall not include travel time after the employee leaves his/her work station or incident scene, whichever location the employee reports to last.

ARTICLE 2.05 STRIKE TEAM COMPENSATION

- 1. IAFF represented employees who are assigned to continuous non-relief strike team assignments (including overhead assignments or such other out-of-county assignments for which the City receives reimbursement from Cal OES) outside San Diego County shall receive their regular rate of pay on days they are ordinarily scheduled to work and, on days they are not regularly scheduled work, they shall receive premium overtime compensation of one and one-half times the employees regular rate of pay. Eligibility for strike team compensation shall begin when they report for duty until they return to the fire station.
- 2. In addition to the compensation provided for in Paragraph 1, those employees who are assigned to continuous non-relief strike team assignments (including overhead assignment or such other out-of-county assignments for which the City receives reimbursement from Cal OES) outside of San Diego County, shall receive a fifty dollar (\$50) stipend for each full, consecutive, and complete 24 hour period in which they are on the strike team. There shall be no stipend for partial hours or incomplete 24 hour periods.

ARTICLE 2.06 STANDBY

- I. Definition - Standby duty is defined as that period of time assigned by the Fire Chief, Deputy Chief or Battalion Chief in addition to the employee's normal work week assignment, during which the employee must remain at all times where he or she can be contacted by telephone or beeper, ready for callback to perform an essential service.
- II. Application in Suppression - In addition to his/her regular salary, Suppression personnel shall be compensated with an additional \$50 per each 24-hr shift assigned to standby duties. If a Suppression employee works less than a full shift of standby, he or she shall be compensated \$2.08 per hour assigned to standby duties.

- III. Any callbacks that occur while an employee is on standby duty shall not reduce the amount of standby pay the employee would have earned had there not been a callback. Any overtime or callback pay shall thus be in addition to the standby pay. In terms of FLSA requirements, the parties agree that standby time shall not be counted as hours worked.
- IV. Fire Investigation Stand-by-pay – In addition to his/her regular salary, represented employees assigned to Fire Investigation shall be compensated with an additional \$50 per each 24-hr shift assigned to standby duties. If a Suppression employee works less than a full shift of standby, he or she shall be compensated \$2.08 per hour assigned to standby duties.

ARTICLE 2.07 OUT-OF-CLASS ASSIGNMENT

- I. Employees assigned duty as an Acting Fire Engineer, Acting Fire Captain or Acting Battalion Chief for a period of at least one full regularly scheduled, continuous work shift (24-hour period) shall receive compensation at a rate of five percent (5%) above his other base pay. Payment will be retroactive to the beginning of the first regularly scheduled shift of the out-of-class assignment and will continue until the out-of-class assignment ends, provided the above full-shift minimum is met.
- II. The assignment of Acting Fire Engineer, Acting Fire Captain, Acting Battalion Chief, or shall be made in writing and shall indicate the date and time the assignment begins. If any part of an hour is worked as an out-of-class assignment, the entire hour will be considered an out-of-class assignment

In order to continue receiving bilingual pay at this level, employees must successfully complete a Bilingual Performance Examination once every three (3) years. The Human Resources Department, in conjunction with IAFF Local 2180, shall develop and administer testing based on the skills above to determine if an employee is at a basic

After an employee passes the City administered examination showing an advanced level of proficiency then no further re-testing is required.

A. Enrollment:

1. Health – Each eligible employee will be covered under the City offered health plan of their choice effective from employee's date of hire in that eligible position. For employees enrolling in Kaiser, the City will pay the full cost of the premium. For employees enrolling in a non-Kaiser HMO, the City will pay the cost of the premium less \$50 per month. For employees enrolled in a non-Kaiser PPO, the City will pay an amount equal to the City's share of the non-Kaiser HMO premium. Any difference between the City's share of the health premium and the full premium cost will be paid by the employee through payroll deductions. Employees who fail to submit required benefit election forms within 30 days of the date of eligibility or during open enrollment will automatically be enrolled in the Kaiser-Employee Only plan.

2. Dental – Represented employees will be eligible to participate in any City sponsored group dental plan effective the first of the month following the employee’ s date of hire. The City will pay an amount equal to the pre-paid dental plan premium for employees who enroll in a dental plan within 30 days of their date of eligibility or during open enrollment. Any difference between the pre-paid dental plan premium and the PPO dental plan premium will be paid by the employee through payroll deductions. Employees may only change their health or dental coverage levels at open enrollment or upon a qualifying event (marriage, divorce, birth, adoption, etc.).

3. Employee Paid Medical and Dental Premiums Taken as Pre-Tax Payroll Deductions

It is the intent of the parties that participating employees receive the maximum benefit allowable in accordance with IRS regulations. In those cases where the employee pays a portion of the cost, premiums will be deducted from the employee’ s paycheck on a pre-tax basis as allowed under Sections 125, 105, and 213 of the Internal Revenue Code. If an employee prefers to have the deductions taken on a post-tax basis, he or she must present the request for such change in writing to the Human Resources Department. If the City does not meet IRS requirements, or if IRS regulations change for any reason, this benefit may be discontinued.

4. Vision – Optional

Represented employees will be eligible to voluntarily participate in a City sponsored group vision plan. The premium for the selected plan will be paid by the employee through payroll deductions.

5. Insurance Coverage While on Leave of Absence Without Pay

Represented employees on leave without pay for any reason may continue, at their own expense, their group insurance coverage by paying the full cost of their premium plus a 2% administrative fee.

Upon an employee’ s return from leave without pay, the employee’ s benefits will be reinstated to the same benefit level in effect prior to the beginning of the leave without pay status, provided the employee is eligible to receive City benefits. An employee who pays for the cost of his or her insurance while on leave of absence and who returns to work prior to the 15th of the month, will not be required to pay their insurance premiums for that month.

6. Termination of Benefits Upon Separation of Employment

An employee’ s coverage under the City’ s group medical, dental, and group term life insurance plans is effective through the last day of the month in which the employee’ s termination is effective. Employees may continue their coverage beyond that date, at his or her own expense, in accordance with the federal COBRA law. The cost of COBRA coverage is his or her premium cost plus a 2% administrative fee.

II. Flexible Spending Accounts (FSAs)-Health Care and Dependent Care

Represented employees will be eligible to participate in the two Flexible Spending Account (FSA) options offered by the City. These accounts are allowed by Sections 125,105,129, and 213 of the Internal Revenue Code. Employees may elect to set aside a portion of their salary, on a pre-tax basis, to fund eligible health care and dependent care expenses. If the City does not meet IRS regulations, or if the IRS regulations change for any reason, this benefit may be discontinued.

The maximum amounts an employee may set aside are:

\$2,500 for Health Care
\$5,000 for Dependent Care

These accounts may only be established during the Benefits Open Enrollment period or within 30 days of a qualifying change in family status as defined by the IRS.

Salary deductions will be taken 24 pay periods per year, bi-weekly except for those months with three pay periods, where deductions will only be taken two times.

Reimbursements will be made on a schedule to be determined by the City. Requests for reimbursement must be made on forms provided by the City. Any monies not used by the end of the plan year will be forfeited. Specific details of the plan are provided in the City's Summary of Benefits publication available from Human Resources.

The City reserves the right to contract with a Third Party Administrator for administration of FSAs. The City will pay the start-up costs associated with third party administration. Participating employees will pay any fees (monthly, per employee, or per transaction).

ARTICLE 2.16 GROUP TERM LIFE INSURANCE

SECTION III HOURS

ARTICLE 3.01 WORK PERIOD

- I. Fire Suppression - Members of represented classifications assigned to this division shall work on a 56-hour week, three platoon basis. The duty schedule shall include eight (8) 24-hour shifts (totaling 192 hours) in a twenty-four (24) day duty cycle. Each 24-hour shift will begin and end at 7:30 a.m. The City has enacted the 7K exemption for Fire Suppression personnel as permitted under the Fair Labor Standards Act. This includes a 24-day work period which coincides with the 24-day duty cycle described in the previous paragraph.

- II. Non-Fire Suppression – Members of represented classifications which are assigned to the Training Division, Prevention Division, and other 40-hour work week assignments shall work 40 hours per week.

The work period (week) for non-Suppression personnel is a fixed and regular recurring period of 168 consecutive hours (7 consecutive 24-hour periods). The work week for non-Suppression personnel begins at 12:01 a.m. on Friday morning and ends at 12:01 a.m. the following Friday morning.

Represented members in Non-Fire Suppression assignments may request to work “Alternative Work Schedules” as provide for in Human Resources Policy 912.

- III. Fire Investigator Rest and Recovery Period – It is the purpose and intent to provide guidelines to Fire Investigators and their supervisors to ensure that Fire Investigators receive an adequate rest period before work shifts in order to perform their work duties in a safe and efficient manner. This section is a “work in progress” and this section may be modified at any time by the City upon written notice from the City to IAFF as part of a meet and confer process. It is the intent of the City and IAFF to allow Fire Investigators to have seven (7) total consecutive hours for rest and recovery prior to returning to work.

If a Fire Investigator has worked their normal shift (10 hours) in any given 24-hour shift period and is called back to work before the start of their next normal shift and works no less than four (4) consecutive hours after midnight; or if a Fire Investigator is called into work outside of their normal work shift, and as part of that working period, the Fire Investigator does not have at least seven (7) consecutive hours of rest (midnight to 0700) prior to the beginning of their normal work shift then the Fire Investigator has the option to take up to seven (7) consecutive hours off for rest. The City will provide administrative leave, hour-for-hour up to a maximum of four (4) hours, for rest period hours that extend into the employee’s normal work shift. The employee may take leave for the remaining rest period hours that also extend into the employee’s normal work shift hours. This proposal does not allow a Fire Investigator to voluntarily leave an active fire investigation scene for rest without supervisor approval or to miss a court appearance.

The aforementioned seven consecutive hours the Fire Investigator may take will begin when the Fire Investigator has completed their investigation for the evening and has transmitted their overtime report via email to their supervisor prior to leaving, as is the practice. The employee shall also inform their

supervisor of the rest and recovery time they will be taking off. Section III applies only to the following work periods: starting at 12:00 am on the first regularly scheduled day of work and ending at 5:00 pm on the last regularly scheduled day of work. For example, if an employee works four (ten hour) days Monday through Thursday, then the employee would be eligible for rest and recovery time for hours worked starting Monday at 12:00 am and would not be eligible after Thursday at 5:00 pm. Thus, if the employee is called back any time between Thursday at 5:00 pm and Sunday 11:59, they would not get rest and recovery time. Section III does not apply to hard holidays, which the employee has off, starting at 12:00 am of the hard holiday and ending 24 hours later.

ARTICLE 3.02 VACATION

I. Miscellaneous

A. Definition - for the purpose of this section the following definitions shall apply:

1. "Continuous service" means City service uninterrupted by separation.
2. "Intermittent service" means City service interrupted by separation.
3. "Time worked" includes actual time worked, holidays with pay, and leave of absence without pay (not to exceed one year) for which worker's compensation is paid. It shall also include Saturdays, Sundays or other regular days off which are immediately preceded or immediately followed by other time worked.
4. "Active service" includes time worked, leaves of absence without pay not to exceed 14 calendar days and leave of absence not to exceed one (1) year for which workers' compensation is paid.

B. Amount of Vacation and Sick Leave Use - Employees assigned to Fire Suppression must take a minimum of two (2) hours of vacation, compensatory time, or sick leave at one time. This two (2) hour minimum shall not apply if the time off occurs within the first two (2) hours or last two (2) hours of the employee's regular shift. During this first two (2) hours or last two (2) hours of the regular shift, the employee will be charged for the actual time taken off.

II. VACATION

A. Vacation Accrual - Continuous Service: Each employee paid at a biweekly rate who has had continuous full-time active service shall be entitled to vacation with pay. The following provisions shall apply:

1. The vacation leave accrual rates shall be as follows:

Years of Service	# of Weeks	Hrs. of Supp. Accrual Bi-Week	Hrs. of Supp. Accrual Yearly	Hrs. of Non-Supp. Accrual Bi-Weekly	Hrs. Non-Supp. Accrual Yearly
0-4	2	4.30	112	3.07	80
5-9	3	6.44	168	4.60	120
10-14	4	8.62	224	6.14	160
15+	5	11.08	288	7.70	200

2. Maximum Vacation Accrual –

At no time may an employee have more than two years of vacation leave accumulated (i.e. twice the number of hours accrued annually). No vacation credits shall be accrued above this limit.

B. Payment upon Separation

At the time an employee is separated from City service, whether voluntarily or involuntarily, he or she shall be granted all of the unused vacation leave to which he/she is entitled based upon his or her active service in prior years, and in addition, he or she shall be granted vacation leave based upon the length of his/her active service during the year in which the separation occurs and computed on the basis set forth in Section (A). Payment shall be made hour for hour with any portion of an hour being considered a full hour.

C. Vacation Use

Vacation leave balances shall be reduced by the actual time not worked to the nearest quarter hour. Absence may not be charged to vacation, not already accumulated.

D. Vacation Leave Sell Back

All members of represented classifications who have completed at least four years of service shall have the option of selling one week (56 hours for employees assigned to Fire Suppression and 40 hours for employees assigned to other divisions) of accrued vacation leave back to the City annually. The accumulated vacation leave balance will be reduced accordingly. Payment of vacation leave hours will be made the first payday of any month provided that the Finance Department has received ten working days advance notice of the request prior to payday.

ARTICLE 3.03 SICK LEAVE

- A. Accumulated paid sick leave credit is to be used for the sole purpose of protecting the employee's wages in the event absence is made necessary because of disability due to non-industrial injury or illness of the employee, or illness of the employee's immediate family. For the purposes of this article, immediate family is defined pursuant to the Family and Medical Leave Act. Sick Leave may not be used for absences due to an industrial injury or illness except as follows: in the event an employee sustains an industrial injury or illness that requires an absence beyond the one year of paid leave afforded by Labor Code 4850 and it appears, based on the medical evidence, that they will be able to return to full duty within a reasonable time frame, they may be granted an exemption to the non-industrial causation requirement of this section. This determination will be made by the City Manager on the advice of the Fire Chief, Director of Human Resources, and the Risk Manager, based on the medical evidence. If this exemption is granted and the employee fails to return to full duty for any reason other than the disabling condition, they may be required to pay back to the City all salary and benefits provided and accrued during the exemption period if it is determined that the employee is intentionally attempting to defer their retirement beyond the one year of paid leave afforded by Labor Code Section 4850. When an employee is on sick leave, any type of outside employment will not be permitted. The clear intent of this section is to prevent (except in very unusual cases) an employee from deferring his or her retirement beyond the one year of paid leave afforded by Labor Code 4850.

- B. Members of represented classifications assigned to the Fire Suppression Division will accumulate sick leave at the rate of 5.15 working hours for each biweekly pay period of service.
- C. Members of represented classifications assigned to divisions other than Fire Suppression will accumulate sick leave at the rate of 3.68 working hours for each biweekly pay period of service (96 hours annually).
- D. Unused sick leave may be accumulated in an unlimited amount but the City shall have no financial obligation to pay for such accumulated and unused sick leave upon termination from the City for any reason provided, however, this subsection does not abrogate the employee's right to have all unused accumulated sick leave credited to his/her service credits under PERS upon retirement or any rights provided under Section 7 below. In calculating the number of days of service credits under PERS, unused accumulated sick leave hours will be divided by 8.0.
- E. Sick Leave Reimbursement
 - (1) Employees shall have the option of converting 50% of their accumulated unused sick leave for the fiscal year to pay. In calculating the number of hours that could be converted to pay, all computations shall be rounded to the nearest whole hour and the fiscal year will be considered to start and end with the first pay period commencing in July of each year.
 - (2) If the pay option is selected, the paid sick leave hours shall be subtracted from the employee's accumulated yearly sick leave balance. The remaining sick leave hours shall be carried over and accumulated.
 - (3) Payment for sick leave the previous fiscal year will be made during the month of July of each year. Pay will be computed based on the employee's base salary rate on June 15.
 - (4) An employee will not be eligible for sick leave reimbursement under this plan if it would result in the employee having an accumulated sick leave balance of less than the amount that the employee would earn during a two-year period. This restriction shall not apply to subsections (5) and (6) below.
 - (5) Permanent employees who retire during the fiscal year may be compensated in a prorated manner under this plan based on their formal retirement date. Prorated payment may also be made under this plan to an employee who terminates during the fiscal year.
 - (6) In the event of the death of a represented employee while employed by the City, 100% of the employee's total unused accumulated sick leave, after consideration for any reductions allowed under PERS Sick Leave Conversion/Service Credit Policy, will be paid to the appropriate beneficiary.
- F. Sick leave balances shall be reduced by the actual time not worked to the nearest quarter hour. Absences for illness may not be charged to sick leave not accumulated.
- G. Sick Leave Verification - The City may, in its discretion, require a doctor's certificate or personal sworn affidavit verifying that the employee is unable to perform the duties of his or her job and the nature of the limitations and restrictions due to the disability injury or illness of the employee or illness or injury of immediate family members in order to determine eligibility for use of sick leave.
- H. The City and Local 2180 agree that Sick Leave is a benefit and not a right.

- I. Employees may choose to donate any accrued, but unused, sick leave to another City employee who has exhausted his or her accrued leave due to a disability caused by prolonged illness or injury of the employee or a member of his/her immediate family, subject to and in the manner set forth in Human Resources Policy and Procedures, Policy 614, except as modified herein. Sick leave donations will be made in hourly increments. In order for employees to donate accrued unused sick leave as stated herein, the donating employee must have a minimum 80 hours of banked unused sick leave for themselves. The donated sick leave may not cause the donating employee to fall below the minimum hours required to be banked as stated herein and the donating employee may not donate more than a total of 72 hours of unused sick leave in any fiscal year.
- J. An employee, who has given birth, or at termination of their pregnancy, and is out on leave, may elect to either be on a 40-hour schedule or 56-hour schedule while out on said leave. The employee shall notify their Supervisor of their decision as to which work schedule will be used during their leave, the pay period prior to being out on leave or, if unable to do so because of unexpected medical reasons, as soon as possible. Any change in schedule shall be effectuated to begin in a complete pay period. There shall be no changes during portions of pay periods. In the absence of an employee election, the employee shall be on a 56 hours schedule.

ARTICLE 3.04 BEREAVEMENT LEAVE

When an employee with permanent status is compelled to be absent from work because of the death of an immediate family member, an immediate family member of the employee's spouse, or any other person defined by the Internal Revenue Service as a dependent, and after such employee makes written request and receives written approval from the Fire Chief, the employee may be allowed the privilege to be absent from work with pay for any scheduled work during a period of up to five (5) calendar days, plus reasonable travel time. Travel time will be actual time used not to exceed three (3) calendar days. Paid absence for the death of a family member shall be charged to sick leave. For purposes of bereavement leave, immediate family includes husband, wife, child, stepchild, brother, stepbrother, sister, stepsister, parent, step-parent or any other person serving as parent, grandmother, grandfather, or any other person living in the same household as the employee.

ARTICLE 3.05 HOLIDAYS

- I. Scheduled Holidays
 - A. Employees assigned to the Fire Suppression Division will receive one hundred twenty (120) hours holiday pay at straight time (10 hours for each of the 12 holidays described below) each fiscal year. Holiday pay shall consist of approximately 4.60 hours per pay period for each employee in the bargaining unit. Pro-rated adjustments will be made for employees of represented classifications entering or leaving the Fire Suppression Division of the Department.
 - B. Employees assigned to divisions other than Fire Suppression shall accrue 8 hours of holiday time for each of three (3) floating holidays and 10 hours of holiday time for each of ten (10) hard holidays, only if they work a 4-10 workweek (four ten-hour days). If said employees work a 5-8 work week (five eight-hour days), they shall accrue 8 hours of holiday time for each of the ten (10) hard holidays. Compensation will be administered as designated in the

Civil Service Rules, Chapter 2.00, Section 2.01 (D). (Hard holidays are: New Year's Day, Martin Luther King's Birthday, Cesar Chavez Day, Memorial Day, Independence Day, Labor Day, Veterans' Day, Thanksgiving Day, Day After Thanksgiving, and Christmas Day; floating holidays are: Lincoln's Birthday, Washington's Birthday, and Admission Day.

II. Unscheduled Holidays

Members of the Fire Department from Fire Fighter through the rank of Battalion Chief shall work unscheduled holidays (i.e., special holidays declared by the President or Governor) at their regular hourly rate of pay. If employees have that day off, they will not receive extra compensation for the unscheduled holiday.

III. Light Duty Days

The City agrees to designate all hard holidays as 'light duty days' for suppression personnel. No mandatory training or meetings will be scheduled or conducted on designated light duty days. Voluntary training or meetings are permissible.

ARTICLE 3.06 JURY DUTY/COURT LEAVE

- I. Permanent and probationary employees who are called to serve on jury duty for any county, state or federal court shall be entitled to paid leave under the following circumstances:
 - A. The employee must present to his or her supervisor the court order to appear for jury duty at least three weeks prior to the date to report.
 - B. The employee must submit a daily court authorized stamped time card accounting for all hours of required service ordered by the court.
 - C. If jury service and travel time from court to work is less than five hours (7 hours for person on a 4/10 plan) in a work day, the employee is expected to return to work unless a justification for not returning to work is provided and approved, or pre-authorized leave is approved.
 - D. Employees who are required to serve on jury duty on their scheduled days off will not be compensated for this time and may keep any fees paid by the court.
 - E. If the employee is not required to report for jury duty on any particular day(s) he or she is then expected to be at work as per the normal schedule.

ARTICLE 3.07 RELEASE TIME

1. [Release Time] The City agrees to provide Release Time as set forth in Government Code section 3503.3, but only to the extent required by its terms unless otherwise stated herein. The City reserves any and all rights to challenge or object to for any reason in any forum or venue any aspect or term of Government Code section 3503.3 and not to apply it, as the City, in its discretion, determines it is not applicable or lawful.
2. [Procedure] The Release Time Leave set forth above shall be subject to the following. Release Time shall be provided only for actual time spent in “formal” meetings and for a reasonable period of time. Both parties must agree that the meeting is a “formal” meeting prior to such meeting to be eligible for Release Time. The term “formal meetings” shall not include informal meetings or discussions wherein items within the scope of representation are or may be discussed, including, but not limited to, working groups or meetings where the parties do not agree that the meeting is a “formal meeting.” A “formal” meeting shall mean a meeting required under the MMBA to “meet and confer in good faith.” The term “within the scope of representation” shall have the same meaning as set forth in Government Code section 3504. The term “meeting and conferring in good faith” shall have the meaning set forth in Government Code section 3505. Release Time will not be provided for days IAFF representatives are not regularly scheduled to work and/or for days they are working overtime. Release Time shall be calculated in base pay and shall not be on an overtime basis. In addition, Release Time provided herein may not be banked. Also, included within “meeting and conferring” is time actually spent meeting with the City Manager (as the Municipal Employee Relations Officer) pursuant to section 14(A) of Employee-Employer Labor Relations Policy (if said meeting is required) and actual time spent in mediation with the City (if there was a mutual

agreement to participate in mediation). Release Time shall not encompass Fact-Finding under the MMBA (if Fact-Finding is required). The Fire Department may remove the requirement that a leave slip is required and provide for alternate noticing and tracking of Release Time. IAFF shall provide reasonable notice of its request for Release Time, with IAFF endeavoring to provide 40 hour advance notice for non-suppression personnel and 48 hour advance notice for suppression personnel that Release Time will be requested and identify the person(s) who will be taking the Release Time. Only a reasonable number of designated IAFF representatives will be permitted; generally up to six (6) IAFF members constituting IAFF's "negotiating team" on a successor MOU (to the MOU that is set to expire on June 30, 2017) and up to two (2) IAFF members in other circumstances will be considered a "reasonable number." The number of designated IAFF representatives may be increased by mutual Agreement by the City and IAFF. The Human Resources Director shall make determinations if Release Time is required under this Section and said determination shall be final.

3. The City may permit one hour of additional release time (to be used for IAFF preparation) if a meeting under this Section is expected to last more than four (4) hours. IAFF must request the additional hour with its required advance notice of request for Release Time. The Human Resources Director shall make determinations if the additional hour may be authorized under this paragraph and said determination shall be final.
4. In addition to the activities for which Release Time is authorized under Government Code section 3503.3, the Fire Chief may permit up to two (2) hours of Release Time for IAFF representatives to attend the monthly "Labor-Management Meeting" with the Fire Chief or their designee. Release Time, pursuant to this paragraph, will be provided in such a manner so that impacts to Fire Department operations are minimized and may be denied or limited, if the Fire Department determines that Fire Department operations may be negatively impacted. IAFF shall work with the Fire Department to minimize impacts to Fire Department operations, including but not limited to, being "on call" during the "Labor-Management Meeting" or reducing the number of IAFF representatives present at the "Labor Management Meeting." For purposes of this paragraph, "Labor-Management Meeting" shall mean that one time per month meeting with the Fire Chief or their designee that has traditionally been held every third Tuesday of the month lasting for about 2 hours. It does not mean or include any other meeting with the Fire Chief or their designee, including, but not limited to, informal meetings or other discussions wherein items within the scope of representation are or may be discussed.

ARTICLE 3.08 SHIFT EXCHANGE

The City agrees to continue to allow the practice of shift exchanges, subject to the provisions of the Fair Labor Standards Act.

Subject to the Battalion Chiefs approval, employees shall have the right to voluntarily exchange shifts or parts of shifts when the change does not interfere with the operation of the Fire Department. In addition to exchange rank for rank, personnel of a lower classification but of qualified rank may be permitted to

exchange shifts. "Paybacks" of shift trades are the obligation of the employees involved in the trade. Paybacks should be completed within one calendar year of the date of the initial shift trade. Any dispute as to paybacks is to be resolved by the involved employees. The City is not responsible in any manner for hours owed to employees by other employees who leave the employment of the City or are assigned other duties.

ARTICLE 3.09 CIVIL SERVICE RULES

- I. For purpose of this MOU, the Civil Service Rules are incorporated as reference as though set out in full in this article.
- II. The City agrees to maintain a current eligibility list for Battalion Chief, Captain, and Fire Engineer. The Fire Department shall, in its sole discretion, determine the manner to keep an eligibility list current -- either by promulgating a new list or by extending a current list. Should an eligibility list expire, the remedy shall be the expeditious promulgation of a new eligibility list.

SECTION IV WORKING CONDITIONS

ARTICLE 4.01 PROHIBITED PRACTICES

- I. Local 2180 pledges it shall not cause, condone or counsel represented employees or any of them to strike, fail to fully and faithfully perform duties, slow down, disrupt, impede or otherwise impair the normal functions and procedures of the City.
- II. Should any unit employees breach the obligations of Paragraph 1 during the term of this MOU, the City Manager or his or her designee shall immediately notify Local 2180 that an alleged prohibited action is in progress.
- III. Local 2180 shall as soon as possible, and in any event, within eight working hours disavow any strike or other alleged prohibited action, shall advise its employees orally and in writing to immediately return to work and/or cease the prohibited activity and provide the City Manager with a copy of its advisement, or, alternatively, accept the responsibility for the strike or other prohibited activity.
- IV. If Local 2180 disavows the prohibited activity and takes all positive actions set forth in this MOU in good faith, the City shall not hold Local 2180 financially or otherwise responsible. The City may impose penalties or sanctions as the City may appropriately assess against the participants.
- V. Should Local 2180 breach its obligations or any of them under this section during the term of this MOU, it is agreed that the City shall pursue all legal and administrative remedies available to the City that in its discretion it may elect to pursue.
- VI. There shall be no lockout by the City during the term of this MOU.

ARTICLE 4.02 EQUIPMENT RESPONSIBILITY AND PROPERTY REPLACEMENT

- I. The City will hold employees harmless for equipment damaged or lost, except for acts of negligence, vandalism, intoxication or other substance abuse.
- II. Any represented employee who, in the normal course of his/her employment, *suffers damage* or destruction as a result thereof to his/her prescription glasses or wrist watch, shall be entitled to replacement or repair thereof upon investigation and recommendation by such employee's department head, and approval by the City Manager, provided such damage or destruction did not occur as a result of such employee's negligence. Said reimbursement shall not exceed the reasonable value of functional replacement or repair. An employee will be reimbursed up to \$250 or actual cost, whichever is less, for prescription glasses and up to \$50 or actual cost, whichever is less, for watches which are damaged or destroyed.

ARTICLE 4.03 DRIVING ELIGIBILITY

I. Whenever an employee drives a vehicle for City business he or she shall have a valid California Drivers License. In order to ascertain the validity of the employee's licenses, employees must present their drivers license to their supervisor upon request. The City reserves the right to check at any time with the Department of Motor Vehicles to determine if the license is valid. If an employee's drivers license is revoked, suspended or otherwise made invalid, the employee must inform his or her supervisor. Failure to notify the supervisor may result in immediate disciplinary action. An employee who does not possess a valid California drivers license will be considered for a non-driving position, if one is available in the employee's classification. The non-driving assignment will continue for a maximum of six months if there is a reasonable expectation the employee will have a valid California drivers license at the expiration of that time. Extensions to the six-month limit will be considered on a case-by-case basis, however, in no case shall an employee receive more than one non-driving assignment in any three-year period. When no non-driving assignment is available, employees must request a leave of absence without pay for six months or such time as their license is once again valid, whichever is shorter.

In order to assure that non-driving assignments are provided on a fair and equitable basis, the following procedures shall be observed:

- A. Each department will determine whether or not it has any non-driving assignments that can be filled by employees who would otherwise have driving assignments.
- B. Non-driving assignments will be given on a first come, first served basis. For example, if two employees in a department have non-valid drivers licenses and there is only one non-driving assignment, the first employee who comes forward will be given the non-driving assignment. The other employee may apply for a leave of absence as described above.

II. The following shall also apply:

- A. All Fire Department personnel shall possess, at a minimum, at all times a valid and current Class C driver's license.
- B. Firefighters may on occasion be required to operate fire apparatus in the course of their duties. In such circumstances, firefighters shall be required to possess the appropriate/minimum license required by DMV while they operate such fire apparatus, which currently is a Class C driver's license with a firefighter endorsement.
- C. Fire engineers are required to operate fire apparatus in the course of their duties. As such, fire engineers shall be required to have and maintain at all times a current/valid and appropriate/minimum license required by DMV for the operation of fire apparatus, which currently is a Class C driver's license with a firefighter endorsement.
- D. IAFF members shall successfully complete all the required DMV/Vehicle Code steps, including testing and physicals, to obtain the appropriate DMV license for the operation of fire apparatus. The City shall pay for the costs of the aforementioned physicals. Employees with current Firefighter Restricted Class B driver's licenses are not required to downgrade to a Class C driver's license with a firefighter endorsement. However, they may do so voluntarily, but in such circumstances they shall bear the costs of such a voluntary, pre-expiration change, including the cost of required DMV physicals.

E. To operate fire apparatus, IAFF members shall also be required to successfully complete all the Department required training. The Fire Department shall provide the aforementioned training.

F. After successful completion of the required DMV steps to obtain the appropriate license and required DMV and/or Department training, the Department shall immediately and without delay complete an endorsement if required by the DMV to cause the appropriate DMV license for operation of fire apparatus to be issued by DMV.

G. Fire Department personnel shall report any license suspension or any action which impacts the validity of their driver's license to their supervisor within 24 hours of such suspension or action or prior to their next work shift, whichever is sooner.

H If an IAFF member suffers a license suspension, revocation, or restriction, the Fire Department will place said member in a non-driving position for the first 30 days of the suspension, revocation, or restriction. The 30 day time period may be extended an additional 30 days, if the employee is continuing to address the license suspension, revocation, or restriction at the related underlying venues, including but not limited to, criminal proceeding, civil proceeding, or administrative proceeding. Thereafter, the provisions of Article 4.03, Section I, will apply.

I. Paragraph H will not preclude the City from imposing discipline for suspensions, revocations, or restrictions of more than 30 days, or 60 days if extended, after compliance with Article 4.03, Section I. In addition, Paragraph H will not preclude the City from imposing discipline at any time for the underlying conduct that lead or is related to the license suspension, revocation, or restriction.

ARTICLE 4.04 FITNESS FOR DUTY

The parties agree that physical and mental fitness of City employees are reasonable requirements to perform the duties of the job and instill public confidence. Recognizing these important factors, the parties agree that during the term of this MOU, the City with reasonable cause, may require medical and psychological assessments of employees provided the City pays for the assessment and provides time off without loss of pay for such assessments. All such assessments shall be done by appropriately qualified health care professionals. It is understood that the assessment regimen performed by the healthcare professionals shall be reasonably related to the requirements and duties of the job. Any treatment or remedial action recommended as a result of the assessment shall be the full responsibility of the employee, except as otherwise provided by law or as may be provided through the City's Employee Assistance Program (EAP).

ARTICLE 4.05 CONSTANT MINIMUM STAFFING LEVELS

The City and IAFF Local 2180 believe that the current staffing model of Constant Minimum Staffing saves the City money.

I. Constant Minimum Staffing (CMS)

A. Definitions:

Constant Minimum Staffing model: The Department provides the minimum number of needed personnel to cover all seat positions staffed by the Department. Any leave vacancy that occurs is covered with overtime from those personnel that are off duty.

Supplemental/Over-Staffing model: The Department provides the needed personnel to cover all seat positions staffed by the Department, often called minimum staffing, but also has additional personnel on shift or within a floater pool to cover leave vacancies.

Minimum Staffing model: The Department provides the needed personnel to cover all seat positions staffed by the Department, but does not fill any vacancies. The vacant position will remain unstaffed until the normally assigned employee returns. This model pertains to 40-hour employees only.

B. Suppression Constant Minimum Staffing:

The City agrees to utilize the Constant Minimum Staffing model for staffing all Fire Suppression positions; consistent with the Fire Facility Master Plan. However, the City and IAFF Local 2180 agree that there may be rare instances where Over Staffing will be needed on a temporary basis. In such instances, the City may backfill via Overstaffing or means other than overtime when the Fire Chief and IAFF Local 2180 (or their designees) mutually agree. The Parties shall act in good faith in seeking mutual agreement.

Effective with ratification of this MOU by IAFF Local 2180 and the City Council, the constant minimum staffing for IAFF Local 2180 represented Fire Suppression employees shall consist of: 38 employees per day, consisting of (2) Operational Battalion Chiefs, (11) Captains, (11) Engineers, and (14) Firefighters (including those in the Firefighter classification and those Firefighters assigned as paramedics). The above staffing shall be (1) Captain, (1) Engineer, and (1) Firefighter on Engines; (1) Captain, (1) Engineer, and (2) Firefighters on Trucks; and (1) Captain, (1) Engineer, and (2) Firefighters on USARs. If the City decides to place an additional Firefighter to an Engine due to a grant, it shall raise the constant minimum staffing per day accordingly until the grant is terminated or the City no longer receives funding for staff.

Constant minimum staffing of apparatus shall be (2) Battalion Chiefs at 1.0, (8) Engines at 3.0, (2) Trucks at 4.0, and (1) USAR at 4.0. The City agrees not to cross-staff any combination of Engines, Trucks, or USARs; but may cross staff the following apparatus with an Engine, Truck, or USAR:

- Type III Brush Apparatus
- OES Type I Engine
- OES Type II USAR Trailer
- MCA 103 MCI Truck / Trailer.

Any additional apparatus acquired during the term of this MOU, which is not considered an Engine, Truck, or USAR, and which the City intends to cross staff with an Engine, Truck, or USAR, will require Meet and Confer between the City and IAFF Local 2180.

II. Training and Prevention Divisions

A. Current Staffing Levels:

- i. Training Division consists of two (2) Fire Captains
- ii. Prevention Division consists of one (1) Fire Prevention Engineer/Investigator; one (1) Senior Fire Inspector/Investigators, and six (6) Fire Inspector/Investigator I's, II's, or combination thereof of Fire Inspector/Investigator I or II's. Over the course of the next six (6) months, the Fire Department agrees to evaluate Prevention Division staffing for the positions of Fire Prevention Engineer/Investigator and Senior Fire Inspector/Investigator and meet and confer with IAFF on any proposed changes as required under the MMBA and completion of the applicable impasse procedures.

- B. The City shall not layoff IAFF Local 2180 represented employees in the Training and Prevention Divisions if it will reduce the filled staffing levels set forth in paragraph A during the term of the MOU.
- C. Paragraph B shall not apply and the City may effectuate layoffs, if the City determines that a Fiscal Emergency exists and the City Council declares a Fiscal Emergency. There is no requirement to backfill vacant positions. If a vacancy occurs, the City shall determine when and how to fill such vacancy.
- E. This section (Section II) shall not prevent the City from increasing the current staffing levels in Prevention and Training as set forth in paragraphs A i & ii above. Paragraph B shall not apply to increase staffing levels under this paragraph and such increased staffing levels above those set forth in paragraphs A i & ii above may be reduced at any time and for any reason

ARTICLE 4.06 STATION MAINTENANCE AND REPAIR

Employees represented by Local 2180 agree to perform normal fire station maintenance and repair. “ Normal fire station maintenance and repair” shall not include major construction or renovation projects that are determined by the Fire Chief to be beyond the capability of the represented employees or are projects that would seriously interfere with the ability of represented employees to respond to emergencies. The City agrees to provide materials and equipment necessary to perform the normal fire station maintenance and repairs as provided by this article. The fire station maintenance and repair duties will be performed between 0730 and 1630.
