Measure #	Description	Points Possible	Points Awarded	Supporting Details
1	Assign a "Green Team" or leader to be responsible for implementing green initiatives for the business.	1		
2	Host in-office educational sessions to inform staff of the company's participation in the Clean Business Program and help them "go green" in the office and at home.	1		
3	Provide educational material to employees about environmental issues such as pollution prevention, conservation, hazardous material needs, and waste reduction.	1		
4	Participate each day in a "Green Values" activity during the year that provides ways for employees to engage in green related activities.	1		
5	Implement policies that include green/electronic purchasing that are communicated on your website and/or employee manual.	1		
6	Green Purchasing: If the business has a green/electronic purchasing policy, include a provision that requires the purchase of 20% ENERGY STAR and WaterSense products and recycled content and PCP free products (e.g. paper, business cards, folders, etc.) that contain at least 20% recycled content.	3		
7	Program Participation: Refer other businesses to the Clean Business Program. Materials must be submitted and registered. Up to 10 points possible.	1 per Business		
8	Other: Create your own _____	TBD
