

**COUNCIL POLICY  
CITY OF CHULA VISTA**

<b>SUBJECT: WAIVER OF FEES FOR COMMUNITY SERVICE ORGANIZATIONS</b>	<b>POLICY NUMBER</b>	<b>EFFECTIVE DATE</b>	<b>PAGE</b>
	267-05	11-24-87	1 OF 1
<b>ADOPTED BY: Resolution No. 13360</b>		<b>DATED: 11-24-87</b>	

**BACKGROUND**

The lack of an established Council Policy delineating the criteria for waiver of fees by nonprofit entities has raised the need for a policy that will govern such waivers requested by nonprofit organizations.

It is considered appropriate to waive fees imposed by the City for those organizations which meet the criteria established by this policy.

**PURPOSE**

To establish a standard policy by which nonprofit organization may be exempt from those fees established and imposed by the City.

**POLICY**

Fees established and imposed by the City may be waived for nonprofit organizations where the City Council determines that the value of the public service performed by the organization merits the waiver of fees.
