

ITEM 8 - written communication

July 10, 2018

Attn: City of Chula Vista City Council
276 Fourth Avenue
Chula Vista, CA

To Whom It May Concern:

We are here to offer our support of the proposed amendment to the Millenia SPA plan. Here are the reasons why we support this amendment:

- The Millenia project has been an economic engine for Chula Vista with more than a billion dollars of investment in completed and ongoing vertical construction projects
- It has created thousands of construction jobs and has the potential to create thousands of high paying permanent employment opportunities for the City
- It will bring much needed housing, shopping, hospitality and employment opportunities to the City over the coming years.
- This project has the potential to be a great success for the City to build on, but to do so it needs to ensure that it remains viable in a very dynamic market and in very dynamic times.

Sincerely,

Romeo Narvaza
