

March 8, 2014

Dear Fellow Board Members,

Please accept this letter of resignation, as of March 8, 2014.

I have been fighting a battle with the pain of an inflammatory disease for several months now, and unfortunately, I have yet to conquer it. I had hoped to continue my responsibilities on the Board, but I realize that I just can't handle it. This has been a difficult decision, and I seriously regret its necessity.

Thanks for always meeting in an atmosphere of collaboration and respect, as we strove to provide exemplary library service to the people of Chula Vista. My thoughts remain with you as you continue in this quest.

With warm regards,

Jeannie Barnes
