**Homeless Emergency Aid Program (HEAP) Grant  
Program Guidance – August 2018**

The California Homeless Coordinating and Financing Council (HCFC) is pleased to announce the launch of the Homeless Emergency Aid Program (HEAP). HEAP is a \$500 million block grant program designed to provide direct assistance to cities and counties to address the homelessness crisis throughout California. HEAP is authorized by Senate Bill (SB) 850, which was signed into law by Governor Brown in June 2018. This overview provides a program timeline with key milestones and delineates when stakeholders may expect program deliverables.

**Available Funding**

HEAP funding is divided into three categories for distribution.

<b>Category for Distribution</b>	<b>Funded Amount</b>	<b>Eligible Applicants</b>
Continuum of Care – Based on Point in Time Count Ranges [SB 850: Section 2, Chapter 5, 50213 (a)]	\$250,000,000	Continuum of Care (CoC)
Continuum of Care – Based on Percent of Homeless Population [SB 850: Section 2, Chapter 5, 50213 (b)]	\$100,000,000	Continuum of Care (CoC)
City / City that is also a County – Based on Population [SB 850: Section 2, Chapter 5, 50213 (c)]	\$150,000,000	Large Cities (LCs) with a population over 330,000

**Eligible Uses**

HEAP funds are intended to provide funding to Continuums of Care (COCs) and large cities (LCs) with populations over 330,000, so they may provide immediate emergency assistance to people experiencing homelessness. Eligible uses include, but are not limited to the following:

- a. Homelessness prevention activities,
- b. Criminal justice diversion programs for homeless individuals with mental health needs,
- c. Establishing or expanding services meeting the needs of homeless youth or youth at risk of homelessness, and
- d. Emergency aid.

The parameters of the program are intentionally broad to allow local communities to be creative and craft programs that meet the specific needs they have identified. All activities must directly benefit the target population.

**Expenditure Deadlines**

The HEAP statute mandates that 50 percent of the awarded funds must be contractually obligated by January 1, 2020. Additionally, 100 percent of the funds must be expended by June 30, 2021. Unexpended funds must be returned to the Business, Consumer Services and Housing Agency (BCSH) and will revert to the General Fund. Finally, administrative costs are

capped at five percent of program funds, but this does not include staff costs directly related to carrying out program activities.

### Eligible Applicants

For the HEAP program, an Administrative Entity (AE) is the CoC. The CoC is the eligible applicant for HEAP funding for the same geographic boundaries for which it administers federal Department of Housing and Urban Development CoC funds. LCs with populations over 330,000 are also eligible applicants. Please refer to the California Department of Finance [website](#) for population estimates. LC grant applicants will enter into a contract with BCSH and administer their own funds separately, however, they will still be expected to collaborate with their CoC.

### Shelter Crisis Declaration

The shelter crisis declaration is required for all cities and counties within a CoC that wish to receive HEAP funds, except for CoCs with fewer than 1,000 homeless people, based on the 2017 Point in Time count. Each incorporated city must declare a shelter crisis pursuant to Chapter 7.8 (commencing with Section 8698) of Division 1 of Title 2 of the Government Code. Counties may declare a shelter crisis only for the unincorporated areas of the county. The declaration is a resolution that must be adopted by the governing body of a jurisdiction or jurisdictions within a CoC or LC. A sample resolution has been provided (see attachment A). If a CoC has fewer than 1,000 homeless people, they may submit with their application a waiver exempting all cities and the counties that are part of the CoC from declaring a shelter crisis.

### Pre-Application Program Timeline

Beginning in early August, the HEAP team will begin the distribution of key program information and documents. These pre-application materials will help inform the local collaborative process and assist stakeholders as they plan their applications.

Program Guidance, Timeline, Sample Shelter Crisis Resolution, Funding Allocations	
August 3, 2018	The guidance document includes a program timeline, sample resolution and funding allocation spreadsheet.
HEAP Frequently Asked Questions	
August 10, 2018	The FAQs will be updated on a regular basis on the HCFC website: <a href="http://www.bcsch.ca.gov/hcfc/">http://www.bcsch.ca.gov/hcfc/</a>
Sample Application and Instructions	
August 17, 2018	An application map will be released in advance of the HEAP Notice of Funding Availability (NOFA). The map will track to the application. The map, once completed will make the application process seamless.
August 20, 2018	Application instructions will be distributed along with the sample application.
Workshops/Webinars - Application Training Documents	
August 13 – Ongoing	Outreach and technical assistance will be conducted by the HEAP team. A detailed schedule will be posted on the HCFC <a href="#">website</a> at a later date.

### Application Timeline

Applications will be accepted immediately upon release of the Round 1 Notice of Funding Availability (NOFA) beginning on September 5, 2018. The Round 2 NOFA is planned for release on February 15, 2019. If, after the second round of awards, not all funds have been

claimed by all administrative entities, the BCSH shall, no later than June 15, 2019, work with the Department of Finance to identify an appropriate allocation methodology for a third round of awards or determine if any unallocated funds should revert to the General Fund.

\*\*\*The HEAP team, recognizing the urgent need in cities and counties, encourages early applications and will review applications, make award decisions, and disburse funds on a rolling basis, immediately upon receipt.

### **Application Process**

HEAP applications will be received through an online portal, with supporting attachments submitted via email. There are separate applications for CoCs and LCs. The applicant (CoC or LC) must submit with the application proof that a resolution declaring a shelter crisis has been approved for all jurisdictions receiving funds. Applicants must conduct a local collaborative application process to determine how HEAP funds will be utilized in the CoC or LC. The submitting entity must also demonstrate coordination with stakeholders, including but not limited to, homeless service and housing providers, law enforcement, cities, and homeless advocates whose general service area falls within the CoC or LC. The CoC or LC in turn may make sub-awards to entities it determines are qualified to carry out the eligible activities and operate within areas with approved shelter crisis status.

### **Special Notes**

#### **Collaboration**

CoCs and LCs must demonstrate that a local collaborative effort has been conducted prior to application submission. A collaborative process may include, but is not limited to, a public meeting, regional homeless taskforce meeting, letters of support with signatures of endorsement, an adopted homeless plan, and an adopted budget which includes HEAP funds. Proof of a public process may include sign-in sheets, meeting minutes, agendas, and public comment logs, among other items. It is important that a wide enough range of participants are consulted as part of this process. Participants should include representatives of local homeless

service provider entities, law enforcement, behavioral health, and city and county public officials.

### **Homeless Youth**

The HEAP statute requires a minimum investment of five percent of all awards be set aside for emergency assistance for homeless youth. The HEAP team encourages and expects local CoCs and LCs to work with youth advocates and related stakeholders to consider the level of investment that makes sense for this most vulnerable segment of the target population.

### **Contact the Program**

The HCFC will be providing ongoing technical assistance and training to support CoCs and LCs in successfully applying for and administering HEAP funds. Additional information regarding the HEAP program is available on the HCFC [website](#). To receive information releases regarding the HEAP program, please register for the program [listserv](#).
