Measure #	Measure Description	Points Possible	MAXIMUM Points Earned	IMPROVED Points Earned	Supporting Details
1	Assign a "Green Team" or leader to be responsible for implementing green initiatives for the business.	1			
2	Host in-office educational sessions to inform staff of the company's participation in the Clean Business Program and help them "go green" in the office and at home.	1			
3	Participate in educational sessions to implement good environmental practices such as pollution prevention, conservation, hazardous hazardous waste, and waste reduction.	1			
4	Participate each year in a "Green Week" during the year that provides ways for employees to engage in green-related activities.	1			
5	Implement policies that include green/sustainable purchasing that are centralized on your website or other employee manual.	1			
6	Green Purchasing: If the business has a green/sustainable purchasing policy, include a provision that requires the purchase of EPA ENERGY STAR and EPEAT-level approved and recycled content and PCP-free products (e.g., paper, business cards, folders, etc.) that contain at least 30% recycled content.	3			
7	Program Participation: Refer other businesses to the Clean Business Program. Referrals must be admitted and registered. (Up to 10 points possible).	1 per Business			
8	Other: Create your own.	TBD

- Tang Soo Do Karate Institute
- V. Javier Guerra MD

On February 12, 2014 the Business of the Year award given by Cool California recognized California small businesses that took significant actions to reduce their climate impacts and demonstrated measurable greenhouse gas emission reductions. The Business of the Year winners also documented cost savings, return on investment, and other benefits from the actions taken. There were 3 cities that had businesses win awards and they were Fort Bragg, Thousand Oaks, and **Chula Vista's very own**
