Dear City of Chula Vista,

Please accept this letter as a formal notification that I am resigning from the Chula Vista Commission of Aging effective immediately. I am forced to resign as my duties as mother and primary chauffer for my teenage children are demanding and making it difficult to attend meetings. Thank you for the opportunity to work on the Commission for the past three years, and I have greatly enjoyed and appreciated serving. Furthermore, I would love to be part of the Commission again, once my children are transportation- independent.

During my time served, the Commission has addressed the transportation needs of seniors and published a list of viable options. We have also attended various community events, promoting the Norman Park Center. The Commission on Aging is an important advocate for the needs of seniors and will be more so as the community continues to grow.

Regards,
Maggie Curiel
