Re: Pavement Minor Rehabilitation FY 13/14  
Project CIP No.STL.397

Copp Contracting, Inc. bid proposal for the above project contained an error on bid item #8, The error was related to the extension and not the unit price. The unit price is correct and the extension of bid item #8 should be: \$19,080.00. This would decrease the total amount of our bid to: \$1,812,572.00

Copp Contracting, Inc. accepts the revised bid amount of: \$1,812,572.00
