INTERDEPARTMENTAL MEMORANDUM OF UNDERSTANDING

AND
RECREATION DEPARTMENT

FOR USE OF COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) FUNDS

This Memorandum of Understanding (MOU) is entered into this ___ day of _____ 2014 between the **Development Services Department Housing Division (DSD-HD)** and the **Recreation Department (RD)** to partner in the mutual effort of providing public services to income eligible persons in the City of Chula Vista.

DSD-HD is the Grantee administrator for the City of Chula Vista receipt of federal Community Development Block Grant (CDBG) program funds. The City Council allocated CDBG program funds for a City project as described in "Work to be Performed" (the Project). This Grant is made pursuant to Title I of the Housing and Community Development Act of 1974 (41 U.S.C. 5301-5320) as amended, the primary objective of which is the development of viable urban communities by providing federal assistance for community development activities in urban areas. Per §570.201(e) to be eligible for CDBG assistance, a public service must be either a new service or a quantifiable increase in the level of an existing service above that which has been provided by or on behalf of the unit of general local government (through funds raised by the unit or received by the unit from the State in which it is located) in the 12 calendar months before the submission of the action plan. (An exception to this requirement may be made if HUD determines that any decrease in the level of a service was the result of events not within the control of the unit of general local government).

This MOU will establish the working parameters for the Project activities to be accomplished with these funds. This CDBG funded activity has been incorporated into the City's annual Action Plan which was submitted and accepted by the U.S. Department of Housing and Urban Development (HUD). The Action Plan requires DSD-HD and all recipients (RD) of CDBG funds to meet certain obligations and certifications to the federal government including environmental review, anti-discrimination, and timely expenditure of funds. This Project will be implemented compliant with CDBG regulations and related federal laws.

IT IS AGREED AS FOLLOWS:

Report due dates are: October 15, January 15, April 15, and July 15.

PROJECT REVIEW CONFERENCE: In the event that quarterly reports indicate funds will not be expended by June 30, 2015, or within the agreed upon schedule, RD will notify DSD-HD of the completion deficiencies and RD will have 15 calendar days to provide its plan for meeting time and expenditure agreements. Failure to correct the deficiency within 15 calendar days will require DSD-HD to schedule a Project Review Conference.

Upon failure to develop a plan for meeting completion and expenditure requirements, the DSD-HD Housing Manager will schedule a Project Review Conference. Either or both Directors may assign a designee to represent their respective department during a Project Review Conference. The Project Review Conference will serve to identify reasons for delayed performance and weaknesses in the project implementation plan. Based on the Project Review Conference discussions both DSD-HD and RD will generate a remedial plan that may include but is not limited to re-design of the Project, amendments to the Project, extending the term of the Project, or re-allocation of the funds to an alternate Project.

Such unexpended funds may also be recaptured and reallocated at the discretion of the Housing Manager of DSD-HD. The recaptured funds shall be made available for reprogramming to other eligible activities as deemed appropriate by DSD-HD as Attachment A.

ACKNOWLEDGEMENT OF FUNDING: RD shall identify the City of Chula Vista and the Department of Housing and Urban Development (HUD) Community Development Block Grant Program as the source of funding, or, if applicable, one of the sources of funding in public announcements that are made regarding the Project. Acknowledgement of the City's funding roles, for example, should be included in publicity materials related to the Project. In addition, DSD-HD agrees that it shall be apprised of any special events

linked to the Project so that a review can be made on what role, if any, the City and HUD would assume.

TERM: This MOU will commence when executed by both parties and shall remain in effect until terminated by either party with a 30 day written notice.

IN WITNESS WHEREOF, this Memorandum of Understanding is hereby executed on the day and the year first above written.
