Not answered

21. What are your principal areas of interest in our City government, and what experience or special knowledge can you bring to those areas?

Principal areas of Interest:

- + Environment and Development
- + Sustainable Urban Parks
- + Sustainable Local Businesses

I have a background in Business and a PhD. in Environment and Development, focusing on Sustainable Urban Parks. One year ago I Co-founded a small business with the objective of creating sustainable body care products, we are B-Corp certified (Environmentally and socially conscious business).

22. What would you hope to accomplish in the role of a Resource Conservation Commissioner? (250 words or less)

First, I would like to learn more about the City's sustainability plan and its main objectives for the next four years. I have been following online publications on the matter, yet I hope to get a deeper understanding of Chula Vista's priorities on sustainability. Once I have a clearer picture of the goals the City is hoping to achieve in the next four years, I would like to contribute to reach them in the most effective and efficient way. I wish to collaborate with the commission in providing clear, creative advice to the city council to make Chula Vista a leader in Sustainability. I also hope to contribute my passion for urban parks to improve their environmental and social responsibility.

I would like to thank the City for the opportunity to serve and give back to this wonderful community.

23. You may upload a resume in addition to your application (optional).
