

Chapter 2.25

GENERAL RULES FOR BOARDS AND COMMISSIONS

2.25.010 Applicability.

Unless otherwise specially stated in this chapter or in the ordinance or Charter provision creating the particular board or commission, this chapter applies to all boards and commissions, whether created by City Charter, ordinance, state or other law. If there is a conflict between the Charter and the Municipal Code, Charter provisions shall prevail. (Ord. 3251 § 1, 2013; Ord. 3213 § 1, 2011; Ord. 3111 § 1, 2008).

2.25.020 Definitions.

For purposes of this chapter, the following words are defined:

~~A. “Abandonment” means the intentional relinquishment of voting membership on a board or commission without a formal resignation having been submitted to the City.~~

[Rationale for above revisions: Consolidated under proposed section 2.25.105.]

~~B. “Boards and commissions” include boards, commissions, and committees established by the Chula Vista Charter or ordinance. (1) boards and commissions established by the Chula Vista Charter: Board of Library Trustees, Civil Service Commission, Parks and Recreation Commission, and Planning Commission; and (2) boards and commissions established by the City Council: Access Appeals Board, Board of Appeals and Advisors, Board of Ethics, Charter Review Commission, Child Care Commission, Commission on Aging, Cultural Arts Commission, Economic Development Commission, Growth Management Oversight Commission, Housing Advisory Commission, Human Relations Commission, International Friendship Commission, Mobilehome Rent Review Commission, Safety Commission, Sustainability Commission, Veterans Advisory Commission, and other boards or commissions subsequently created by City Charter or ordinance.~~

[Rationale for above revisions: Simplify language.]

~~C. “Brown Act” means the Ralph M. Brown Act, Government Code Section 54950 et seq., commonly referred to as the Brown Act or the California Open Meeting Law.~~

~~D. “Cause” includes:~~

- ~~1. Conviction of a felony or crime involving moral turpitude;~~
- ~~2. Absence from three regular, consecutive meetings of the board or commission, unless excused by majority vote of its members, as expressed in its official minutes;~~
- ~~3. Absence from more than 50 percent of the regularly scheduled meetings of the board or commission in one calendar year, whether or not excused by a majority vote of its members;~~
- ~~4. Abandonment;~~
- ~~5. Failure to attend training sessions mandated by the City;~~
- ~~6. Violation of any City policies or City, state or federal regulations that are the subject of mandatory training sessions; or~~
- ~~7. Violation of the City’s code of ethics.~~

[Rationale for above revisions: Consolidated under proposed section 2.25.105.]

~~E. “Entire voting membership” or “entire membership” means those individuals who have been appointed to, have been sworn in to serve on, have not been removed from, have not vacated their seat on, and who are eligible and~~

entitled to vote as members of a board or commission. It does not include ex officio members and does not include any seat specified in the Charter provision or ordinance creating the board or commission that is unfilled due to a ~~an~~ ~~“event of vacancy,”~~ ~~vacancy,~~ pursuant to ~~subsection 2.25.105(J) of this section.~~ Notwithstanding the foregoing, at least one-half of the seats specified in the Charter provision or ordinance creating the board or commission must be filled in order for the board or commission to act. For example, if a seven-member board has two vacancies, the remaining five members constitute the “entire membership.” Accordingly, an action that requires a majority vote could be taken if at least three of the board members vote in its favor. The City Council intends that this definition clarify the term “entire membership” as used in Section 603 of the City Charter.

~~F.~~ “Ex officio members” means the individuals who are appointed by the City Council to serve in an advisory capacity on a board or commission, but who are not entitled to vote or to make motions. “Ex officio members” do not include City staff who provide information to or sit with a board or commission.

~~“Interview” means the process by which applicants are given an opportunity to present themselves to the City Council, or other interview panel, and the City Council or other panel questions and evaluates the applicants. Should an applicant be unable to attend an interview, the Council or panel may elect to consider a letter of interest or interview by other means, such as telephone or video conference, in lieu of an in-person meeting.~~

[Rationale for above revisions: Definition added for clarification of the existing procedures.]

~~G.~~ “Member” means an individual who has been appointed to, has been sworn in to serve on, has not been removed from, and who has not vacated his or her seat on a board or commission. “Members” includes voting members and ex officio members.

~~H.~~ “Registered voter” means an individual who is registered to vote in City of Chula Vista elections.

~~I.~~ “Resignation” means a formal renouncement or relinquishment of voting membership on a board or commission.

~~J.~~ “Vacancy” or “event of vacancy” means any of the following events:

- ~~1. Expiration of a member’s term of office;~~
- ~~2. The death of a member;~~
- ~~3. A member has been removed for cause by three affirmative votes of the City Council;~~
- ~~4. The disability of a member that renders the member incapable of performing the duties of his or her office;~~
- ~~5. A member’s conviction of a felony or crime involving moral turpitude;~~
- ~~6. A member’s abandonment of office;~~
- ~~7. A member’s absence from three regular, consecutive meetings of the board or commission, unless excused by majority vote of the members and expressed in its official minutes;~~
- ~~8. A member’s absence from 50 percent of the regularly scheduled meetings in one calendar year, whether or not excused by majority vote of the board or commission;~~
- ~~9. A member has submitted a resignation that has been accepted by the City Council;~~
- ~~10. A member ceases to be a registered voter of the City when that criterion is required for membership on a board or commission;~~
- ~~11. A member loses the status or classification that qualified the individual to become a member of a particular board or commission; or~~
- ~~12. A member becomes a salaried officer or employee of the City.~~

[Rationale for above revisions: Consolidated under proposed section 2.25.105.]

~~K.~~ “Voting member” means an individual appointed by the City Council who is entitled to vote and make motions in his or her capacity as a member of a board or commission. (Ord. 3380 § 1, 2016; Ord. 3268 § 3, 2013; Ord. 3251 § 1, 2013; Ord. 3213 § 1, 2011; Ord. 3111 § 1, 2008).

2.25.030 Membership – Qualifications and eligibility ~~as voting member.~~

~~Member qualifications and eligibility shall be in accordance with Chula Vista Charter section 602 and this section:~~

~~This section implements City Charter Section 602(d) and policies consistent with other portions of the Charter pertaining to qualifications for voting membership and eligibility to serve on boards and commissions:~~

~~A. Except as provided in subsection (B) of this section, voting members of boards and commissions shall be registered to vote in City of Chula Vista elections.~~

~~B. Voting members of boards and commissions who are advisory only and whose duties involve regional issues are not required to be registered to vote in City of Chula Vista elections; however, the appointment of individuals who are not registered voters must be approved by four affirmative votes of the City Council.~~

[Rationale for above revisions: Proposed changes strike rules that are redundant with Chula Vista Charter section 602 and incorporate that section by reference instead.]

~~EA.~~ An individual is eligible to serve on only one board or commission at a time, unless the member is filling a seat on another board or commission that was specifically created to represent the board or commission to which he or she was originally appointed.

~~EB.~~ A ~~paid-salaried~~ officer or employee of the City is not eligible to be appointed to or to serve on a board or commission.

[Rationale for above revisions: Subsections C and D revised for clarification.]

C. A member is ineligible to be appointed to another board or commission during the first twelve months of his or her term; this prohibition does not apply to appointments to serve as a representative member on another board or commission, pursuant to subsection A., above. (Ord. 3213 § 1, 2011; Ord. 3111 § 1, 2008).

[Rationale for above revisions: Proposed changes are intended to reduce member turnover and the significant staff time required to process appointments and orient new members to their specific board or commission.]

D. The City Council may appoint ex officio members to any board or commission because of particular background or experience that the City Council deems will assist a particular board or commission in handling a discrete set of issues. Ex officio members are not required to be registered voters and are subject to term limits as described in the Charter and CVMC 2.25.080 and 2.25.100. Ex officio members are not entitled to vote or to make motions.

[Rationale for above revisions: Consolidated from section 2.25.040, below.]

~~2.25.040 — Membership — Qualifications and eligibility as ex officio member.~~

~~The City Council may appoint ex officio members to any board or commission because of particular background or experience that the City Council deems will assist a particular board or commission in handling a discrete set of issues. Ex officio members are not required to be registered voters and are subject to term limits as described in CVMC 2.25.080, 2.25.090, and 2.25.100. Ex officio members are not entitled to vote or to make motions. (Ord. 3213 § 1, 2011; Ord. 3111 § 1, 2008).~~

2.25.050 Membership – Applications – Interview, nomination and appointment process.

A. The City Clerk shall maintain applications for prospective membership on boards and commissions for a period of one year from the date of application. The application shall provide a place for an individual to state the reasons he or she seeks appointment to a particular board or commission and his or her qualifications for service on a particular board or commission.

[Rationale for above revisions: Revisions are intended to streamline appointment processes. Applications are currently maintained for two years by internal process; however, individuals who applied more than a year earlier are frequently difficult to reach or no longer interested in serving. In a poll of other cities, retaining applications for one year was most common.]

B. An individual who has submitted an application for appointment as a voting or ex officio member of any board or commission may be ~~H~~interviewed as part of the nomination and selection process.

C. When a vacancy occurs on a board or commission, the City Clerk shall forward applications received for the vacant position to the Mayor, who shall review the forwarded applications, select applicants to be interviewed, ~~I~~interview selected applicants, and make nominations for appointment, subject to the City Council's approval, for all boards and commissions except for the Board of Ethics, Civil Service Commission, Cultural Arts Commission, Growth Management Oversight Commission, Mobilehome Rent Review Commission, Planning Commission, and Parks and Recreation Commission.

D. The Mayor shall forward applications for membership on the Board of Ethics to a panel consisting of at least two city managers rotated from cities in San Diego County, excluding Chula Vista. The panel shall review the applications, interview applicants, and recommend one applicant for each available seat to the City Council for appointment.

E. If a vacancy occurs on any board or commission within one year of interviews being conducted for that board or commission, interviews are not required if all of the following criteria are met: 1) the vacancy was properly noticed and new applications solicited; 2) no new, qualified applications were received; 3) one or more qualified applicants from the original interviews remain eligible and interested in being appointed; and 4) the appointment process for the board or commission does not specifically prohibit this subsection.

[Rationale for above revisions: Revisions intended to streamline appointment processes.]

~~EF~~. Vacancies on the ~~Cultural Arts Commission~~, Growth Management Oversight Commission, Planning Commission, Parks and Recreation Commission, and the two seats on the Civil Service Commission whose members are appointed by the City Council directly shall be appointed in accordance with Chapter 2.53 CVMC.

[Rationale for above revisions: Revisions are intended to streamline the appointment process for the Cultural Arts Commission by no longer requiring interview of the full Council. The revised appointment process is proposed in subsection H, below.]

~~FG~~. The nomination and appointment process for the three remaining Civil Service Commission seats that are not appointed by the City Council directly shall be conducted in accordance with Charter Section 609 and CVMC 2.43.050.

[Rationale for above revisions: Subsections revised for clarification.]

~~GH~~. The nomination and appointment process for the Mobilehome Rent Review Commission shall be conducted in accordance with Chapter 2.31 CVMC and this subsection.

1. The Mayor shall review applications for all ex officio members and one voting member, select applicants to be interviewed for those positions, ~~I~~interview selected applicants, make nominations for appointment subject to the City Council's approval, and schedule a vote on the nominations on the next available Council meeting's agenda.

2. The four remaining voting positions are tied to a particular Council seat. When a vacancy occurs in one of the four positions, the City Clerk shall forward applications to the Councilmember filling the corresponding Council seat. The Councilmember shall review the applications, select applicants to be interviewed, and ~~I~~interview selected applicants. The Councilmember shall then nominate an applicant for appointment to the available position and request that the nomination be scheduled for vote on the next available Council meeting's agenda.

I. The nomination and appointment process for the Cultural Arts Commission shall be conducted in accordance with Chapter 2.33.040 and this subsection.

1. The Cultural Arts Commission may recommend guidelines to be used during the application and appointment processes, which may include relevant questions to be included on the application, a checklist of qualifications, and definitions of terms referenced in Section 2.33.040, related to the qualifications of members.

2. When a vacancy occurs on the Cultural Arts Commission, the City Clerk shall forward applications received for the vacant position to the Mayor and Cultural Arts Manager or other staff assigned to the Cultural Arts Commission.

3. Throughout the review of applications, selection of applicants to be interviewed and Interviews of selected applicants, the Mayor shall consider guidelines developed by the Cultural Arts Commission, as well as recommendations for interviews or appointments that may be made by the Cultural Arts Commission, City Councilmembers, and the Cultural Arts Manager or other staff assigned to the Cultural Arts Commission.

4. The Mayor shall review the forwarded applications and select applicants to be interviewed. The Mayor shall interview selected applicants and provide the opportunity for the Cultural Arts Manager or other staff assigned to the Cultural Arts Commission to attend and assist with the Interviews. The Mayor shall make nominations for appointment, subject to the City Council's approval.

[Rationale for above revisions: Proposed subsection H is intended to streamline the appointment process for the Cultural Arts Commission by no longer requiring interviews before the full Council. The Cultural Arts Commission discussed the proposed revisions to the appointment process (minutes are provided as Attachment 2).]

[H. Members of each board and commission shall be appointed by at least three affirmative votes of the City Council. (Ord. 3393 § 1, 2016; Ord. 3370 § 2, 2016; Ord. 3253 § 1, 2013; Ord. 3213 § 1, 2011; Ord. 3111 § 1, 2008).

2.25.055 Membership – Reappointment process.

A. In the year of the expiration of a member's term, unless otherwise requested by the nominating authority for the particular board or commission seat, the City Clerk shall schedule the reappointments for eligible and interested members at a meeting of the City Council in ~~July~~^{June}, or as soon as practicable thereafter, for all boards and commissions. ~~except members of the following commissions who will have served more than one year as of the date of their term expiration: Growth Management Oversight Commission, Planning Commission, Parks and Recreation Commission, and the two members of the Civil Service Commission who are appointed by the City Council directly.~~

B. Prior to reappointment, ~~if a majority of the City Council so desires,~~ the Mayor and City Council ~~shall~~^{may} ~~interview~~ interested and eligible members of the following commissions who will have served more than one year as of the date of their term expiration: Growth Management Oversight Commission, Planning Commission, Parks and Recreation Commission, and the two members of the Civil Service Commission who are appointed by the City Council directly. Following the interviews, the Mayor and City Council shall vote whether or not to reappoint the incumbents.

[Rationale for above revisions: Revisions to subsections A & B above are based on a 6/13/2017 referral from Council to no longer require certain members seeking reappointment to be interviewed. Under the proposed process, a majority of the Council may elect to interview members seeking reappointment, but it would not be required.]

~~C. In addition to the attendance reports provided under CVMC 2.25.120, the City Clerk shall provide the Mayor and City Councilmembers a report on members' compliance with mandatory training required by CVMC 2.25.160 for consideration during the reappointment process.~~

[Rationale for above revisions: In an effort to streamline reappointments, reports on compliance with mandatory ethics training is consolidated with annual membership reports under 2.25.120. These reports are due July 1 and are provided to Council prior to reappointments so that the Council may consider members' compliance with mandated training.]

~~DC.~~ Regardless of the applicable reappointment process, each member of a board or commission shall be reappointed by at least three affirmative votes of the City Council. When an incumbent is not reappointed, the seat shall be filled using the applicable appointment process. (Ord. 3366 § 1, 2016).

2.25.060 Membership – Oath of office – Effective date of taking office.

The City Clerk or his or her designee shall administer the oath of office to newly appointed voting and ex officio members. Newly appointed voting members must take the oath of office before they may vote as a member of the board or commission to which they have been appointed. Voting members assume their office on the date they take the oath of office. (Ord. 3213 § 1, 2011; Ord. 3111 § 1, 2008).

~~2.25.070 Membership – Terms – Initial terms for new boards and commissions.~~

~~Initial terms of office for newly established boards or commissions shall be determined in accordance with City Charter Section 602(b). (Ord. 3213 § 1, 2011; Ord. 3111 § 1, 2008).~~

2.25.080 Membership – Terms – Standard term of office – Holdover office.

A. The standard term of office for board and commission members is four years. The standard term begins July 1st and ends June 30th four years later.

B. At the end of any voting member’s term, he or she shall be permitted to continue to exercise the privileges of his or her former office until the office is filled by the appointment of a qualified successor. (Ord. 3213 § 1, 2011; Ord. 3111 § 1, 2008).

~~2.25.090 Membership – Terms – Two consecutive term limit for voting and ex officio members – Exceptions.~~

~~A. Members are limited to serving a maximum of two consecutive terms, except as provided in CVMC 2.25.100(C).~~

~~B. An individual who has served two consecutive terms may be reappointed to the same board or commission after an interval of two years has passed. (Ord. 3213 § 1, 2011; Ord. 3111 § 1, 2008).~~

[Rationale for above revisions: Rules in the sections above are provided in the Charter.]

2.25.100 Membership – Terms – Filling unexpired terms.

Member terms shall be in accordance with Chula Vista Charter section 602 and this section:

~~A. If a vacancy on any board or commission occurs prior to the expiration of a term of office, any appointment to fill the vacancy shall be for the remaining unexpired term of office.~~

~~BA.~~ A voting member who currently sits on a particular board or commission may not be appointed to fill the unexpired term of another voting member’s vacated seat on that same board or commission. An individual who currently sits as an ex officio member of a board or commission may be appointed to fill the unexpired term of a voting member’s vacated seat on the same board or commission if the ex officio member meets the eligibility criteria for voting membership. The appointment process shall be the same as provided for in CVMC 2.25.050.

~~C. An unexpired term with fewer than two years remaining is not considered a “term” for purposes of the two-consecutive term limit set forth in CVMC 2.25.090. Therefore, an individual appointed to fill an unexpired term of less than two years may subsequently be appointed to two full terms.~~

~~D. An unexpired term of two years or more is considered a “term” for purposes of the two consecutive term limit set forth in CVMC 2.25.090. Therefore, an individual appointed to fill an unexpired term of two years or more may subsequently be appointed to only one additional, consecutive term.~~

~~EB.~~ For purposes of determining whether the unexpired term of a vacated seat is less than, more than, or equals two years, the starting date of the unexpired term shall be the date the new appointee takes the oath of office, and the end date of the unexpired term shall be the expiration date of the vacating member’s term of office. (Ord. 3213 § 1, 2011; Ord. 3111 § 1, 2008).

[Rationale for above revisions: Redundant rules from the Charter are removed.]

2.25.105 Membership – Vacancies.

A. Vacancies mandated by the City Charter.

If the City Clerk determines that a vacancy has occurred pursuant to Charter Section 602(c), the Clerk shall agendize the matter for City Council action. Between the occurrence of vacancy and the Council declaration of vacancy, the member shall be unable to continue serving as a board or commission member and shall have no duties of the office. The vacancy shall be effective on the date the Council declares the office vacant.

B. City employee. If a member becomes a paid employee of the City, the member's status as a board or commission member shall automatically terminate. The effective date of vacancy shall be the date of hire.

C. Member no longer qualified. If a member loses the status or classification that qualified the individual for his or her seat on a particular board or commission, unless otherwise provided in the board or commission membership rules, the City Clerk shall schedule the declaration of vacancy on an agenda of the City Council as soon as practicable after being informed of a qualifying circumstance. The vacancy shall be effective on the date the Council declares the office vacant.

D. Removal for cause.

1. A member may be removed for cause by three affirmative votes of the City Council.

2. A member may be removed for cause for the following reasons:

a. Absence from more than 50 percent of the meetings of the board or commission in one fiscal year, whether or not excused by a majority vote of its members;

b. Unavailability or conduct which interferes with the board or commission's ability to conduct business;

c. Failure to attend training sessions mandated by the City;

d. Violation of any City policies or City, state or federal regulations that are the subject of mandatory training sessions; or

e. Violation of the City's code of ethics, which shall be processed in accordance with Chapter 2.28.

3. A Council subcommittee comprised of the Mayor and Deputy Mayor shall monitor attendance and training records submitted pursuant to CVMC 2.25.120 and reports of situations described in subsections (2)(b) through (d), above. The subcommittee may make recommendations to the full Council for a vote on the removal of a member for cause.

4. Prior to the subcommittee making a recommendation to the full Council for a vote on the removal of a member for cause, the member shall be notified and be provided a reasonable opportunity to submit an explanation for the subcommittee and Council's consideration.

5. Should the Council vote affirmatively to remove the member for cause, the vacancy shall be effective on the date of the Council's action.

E. Resignation. A member may resign by providing notice to the Chair, City staff, or the City Clerk. The resignation shall be effective on the date provided by the member, or, if no such date was provided, on the date the notice was given.

[Rationale for above revisions: This section is intended to consolidate and clarify the rules surrounding a seat becoming vacant and the vacancy effective date due to various circumstances.]

2.25.110 Attendance requirements – Excused absences—~~Removal for cause.~~

A. The City Council relies on advice of the City's boards and commissions that grows from discussions among appointed members. The City Council anticipates that members appointed to the City's boards and commissions will make every reasonable effort to attend all regular meetings of their respective boards or commissions, to attend special meetings, and to be prepared to discuss matters on their respective agendas.

B. The City Charter requires that any board or commission member who is absent from three consecutive, regular meetings will be deemed to have vacated his or her membership on the particular board or commission, unless his or

her absence is excused by a majority vote of the other members, as reflected in the official minutes of the board or commission.

C. Board and commission members, by a majority vote, may excuse a fellow board or commission member's absence from meetings for any of the following reasons:

1. Illness of the member, family member of the member, or personal friend of the member;
2. Business commitment of the member that interferes with the attendance of the member at a meeting;
3. Previously scheduled vacation of the member, notice of which was provided to the respective board or commission in advance of the meeting;
4. Attendance of the member at a funeral, religious service or ceremony, wedding, or other similarly significant event;
5. Unexpected, emergency situation that prohibits the member's attendance; or
6. Other reason for which the member has given notice to the ~~chair or~~ secretary of his or her unavailability at least 7-5 days in advance of the meeting, as long as the unavailability is not expected to last for longer than 30 days.

[Rationale for above revisions: Revision intended to simplify excused absence reason, while also providing a reasonable timeframe for notice of an absence to be given.]

D. Members shall vote on excusing a member's absence from a regular meeting. The vote shall be reflected in the official minutes for the meeting at which the vote was taken. A member may vote to excuse his or her own absence.

[Rationale for above revisions: Language added for clarification.]

E. The secretary of each board or commission shall notify the City Clerk if a voting member misses three regular, consecutive meetings of the board or commission without being excused by a majority vote of the board or commission as expressed in its official minutes. The City Clerk shall proceed according to CVMC 2.25.105(A).

[Rationale for above revisions: Subsection E above replaces procedure of the board or commission chair notifying the City Clerk under section 2.25.290(A).]

~~E. A Council subcommittee comprised of the Mayor and Deputy Mayor shall monitor the attendance records of board and commission members submitted by board and commission chairs pursuant to CVMC 2.25.290. The subcommittee may make recommendations to the full Council for a vote on the removal of a member for cause. A voting or ex officio member may be removed for cause by three affirmative votes of the City Council. (Ord. 3306 § 1, 2014; Ord. 3213 § 1, 2011; Ord. 3111 § 1, 2008).~~

[Rationale for above revisions: Process for monitoring attendance records and making recommendations for removal of a member is moved to Section 2.25.105. In addition, the subcommittee may also monitor members' compliance with required training.]

2.25.120 Attendance and training reports required annually.

The secretary for each board and commission shall prepare an annual written report of attendance on a form developed by the City Clerk, which includes, ~~noting~~ the percentages of absences of members for both regular and special meetings during the preceding fiscal year, the total number of meetings held by the board or commission, the number of meetings missed by each member for the preceding fiscal year, and each member's compliance with mandatory training as required by Section 2.25.160. The report shall be delivered to the City Clerk no later than June 30th of each year. The City Clerk shall forward the report to the Mayor and City Councilmembers, ~~who may use this information in considering reappointment to second terms.~~ (Ord. 3213 § 1, 2011; Ord. 3111 § 1, 2008).

[Rationale for above revisions: Reports on compliance with mandatory ethics training is consolidated with annual attendance reports and other clarifications made.]

2.25.130 Code of ethics.

Voting and ex officio members of boards and commissions are public officials and, therefore, act as agents for the public's purpose and hold office for the public's benefit. As public officials, they are bound to uphold the law, observe in their official acts a high standard of morality and discharge faithfully the duties of their office, recognizing that the public interest must be a primary concern. Members of boards and commissions are expected to conform to the City's code of ethics, found in Chapter 2.01 CVMC. If a board or commission member is in doubt about whether the code of ethics applies to a particular situation, the member may request in writing an advisory opinion from the Board of Ethics. (Ord. 3213 § 1, 2011; Ord. 3111 § 1, 2008).

2.25.140 Compensation and expenses – Use of business cards.

A. Members of boards and commissions shall serve without compensation for their services.

B. Members of boards and commissions may receive reimbursement for necessary travel and other expenses incurred on official duty to the extent that appropriations for such expenses have been provided by the City Council in approving the board or commission's budget.

C. Members of boards and commissions are authorized to use business cards showing their affiliation with their particular board or commission only if:

1. Business cards are used in relation to the duties and functions of the particular board or commission;
2. City funds are used to pay for the business cards; and
3. Appropriations for such expenses have been provided by the City Council in approving the budget for the particular board or commission. (Ord. 3213 § 1, 2011; Ord. 3111 § 1, 2008).

2.25.150 Conflicts of interest – Recusal from discussion and voting.

A. Voting and ex officio members of certain boards and commissions may be required to file statements of economic interest as determined in the City's conflict of interest code. The City Clerk will notify members who are required to file the statements.

B. The state's Political Reform Act and the City's conflict of interest code state that no person shall make or participate in the making of a governmental decision that he or she knows, or has reason to know, will have a reasonably foreseeable material financial effect on him or her distinguishable from its effect on the public generally. The Political Reform Act and implementing regulations require a public official diligently to monitor his or her business interests, real property, sources of income, gifts, and personal finances to ensure that he or she does not participate in an action in which he or she has a conflict of interest.

C. When a member has a conflict of interest, or the appearance of a conflict of interest, he or she must publicly state the nature of the conflict. Unless the item is on the consent calendar, the member must step down from the dais or table and leave the room until consideration of the particular item is finished. Additionally, the disqualified member may not be counted toward achieving a quorum while the item is being discussed. A member may consult the City Attorney if he or she has a question about whether or not a conflict exists and whether or not he or she should disqualify himself or herself from discussing or voting on an issue. (Ord. 3213 § 1, 2011; Ord. 3111 § 1, 2008).

2.25.160 Mandatory training sessions.

A. Board and commission members are required to attend periodic training sessions on ethics laws as specified in California Government Code Section 53234 *et seq.* ~~Board and commission members shall participate in mandatory training sessions in the first year of appointment to their particular board or commission, and at least once every two years thereafter. The City Attorney or his or her designee will provide sufficient opportunities to board and commission members to allow them to fulfill this requirement. The City Attorney or his or her designee shall monitor members' attendance at mandatory training sessions within the required time period. The City Attorney or his or her designee shall notify the City Clerk, who shall notify the Mayor, if a member fails to attend mandatory~~

training sessions within the required time period. A member's failure to comply with this training requirement, may be a cause for removal from office, pursuant to Section 2.25.105.

[Rationale for above revisions: Process for monitoring compliance with mandatory training is streamlined and consolidated under Sections 2.25.105 and 2.25.120.]

B. Board and commission members may be required to attend periodic additional training sessions on the City's code of ethics, Brown Act requirements, sexual harassment laws and policies, and other laws or City policies as may be determined.

C. The secretary of each board or commission shall be responsible for notifying members in writing of dates, times and locations of training sessions.

~~D. The failure of a board or commission member to attend a mandatory training session may be considered cause for removal from the particular board or commission to which he or she has been appointed. (Ord. 3213 § 1, 2011; Ord. 3111 § 1, 2008).~~

[Rationale for above revisions: Sections 2.25.290 and 2.25.300 are simplified and consolidated under 2.25.105.]

[Rationale for revisions to specific board and commission chapters: Removing specific meeting schedules from the Municipal Code is recommended as board and commission meeting schedules are adopted by resolution of the board or commission, which leaves the Municipal Code out-of-date and potentially causes confusion. Meeting frequency is moved to individual board and commission chapters (below) from Section 2.25.200. Rationale for other changes to individual chapters is provided below.]

[The BOAA requires members with specified experience. As a result, recruiting and appointing BOAA members is difficult. To address this issue, the proposed amendments reduces the minimum number of members to three and maximum to five. All alleged violations must be submitted within 90 days of occurrence or when it should have been discovered with the exercise of reasonable diligence. Justification for any delay in filing complaints is the responsibility of the complainant. For complaints concerning unethical patterns of behavior, such complaints must be received by the Board of Ethics within 90 days of the most recent event comprising the pattern of behavior complained of, or within 90 days of when the last event should have been discovered with the exercise of reasonable diligence. The Board of Ethics will, in its discretion, limit the pattern of behavior to those events the Board of Ethics feels are proximately related in time to be a part of the same pattern of behavior.

B. The Board may refer the matter to a local, state, or federal enforcement agency that may have jurisdiction over the matter at any stage of the proceedings and may hold in abeyance Board action pending results of the referral. The Board of Ethics may, but is not required to, resume Board action on the matter if it has been provided notice of inaction by the agency to whom the complaint was referred, the expiration of any applicable statute of limitations, or inaction for more than one year by the agency to whom the complaint was referred. Local, state and federal enforcement agencies include, but are not limited to, the United States Attorney’s Office, the California Attorney General’s Office, the San Diego County District Attorney’s Office, the San Diego County Grand Jury, and the Fair Political Practices Commission (FPPC). If the Board learns of misconduct during any stage of the proceedings, but the misconduct is not within the specific prohibitions set forth in this chapter, the Board of Ethics may make a referral to the appropriate local, state, or federal enforcement agency that may have jurisdiction over the alleged misconduct.

C. The name of the complainant shall be disclosed unless the complainant has requested that their name be kept confidential and there is good cause to withhold such name. Requests for confidentiality shall be addressed as follows:

1. To request that their name be kept confidential, the complainant must provide, with their complaint, a detailed factual statement, sworn under penalty of perjury, that they would suffer harm or retaliation if their name were to be disclosed. Facts that may be considered to determine if good cause exists may include, but are not limited to:
 - a. The existence of an employer/employee or supervisor/subordinate relationship between respondent and complainant or the existence of such a relationship between complainant's spouse or immediate relative(s) and respondent or respondent's spouse or immediate relative;
 - b. Facts that show that complainant would be shunned, ostracized, or rebuked by any organization or group to which they belong if their name were to be made public;
 - c. Evidence of prior acts of retaliation or harm by respondent against complainant or any other person;
 - d. The existence of criminal convictions for crimes of violence by or the existence of any restraining orders against respondent.

Conclusionary or speculative statements of harm or retaliation are insufficient to establish good cause.

2. Upon a request for confidentiality, the Chair and two Board members, chosen by the Chair on a rotating basis, shall form an ad hoc subcommittee within two business days of being informed by the City Attorney's Office of a request for confidentiality and, after consideration of the request, determine if good cause exists to withhold disclosure of the name. The Chair shall inform the complainant of its decision within five business days.

3. If the decision is to deny the request for confidentiality, complainant shall have five business days to withdraw their complaint. If complainant requests that the complaint be withdrawn, the entire complaint shall be returned to complainant and their complaint shall not be disclosed. The complaint and complainant's name shall be not disclosed during this evaluation process.

4. Upon a finding of good cause by the ad hoc subcommittee formed under this section, the name of the complainant shall be kept confidential unless and until a finding of probable cause is made. The complaint shall also be redacted accordingly. (Ord. 3264 § 1, 2013).

2.28.100 Complaint procedures – Receipt of complaint.

A. The following procedures will be followed upon receipt of a complaint:

1. The complaint will be assigned a case number.
2. The complainant ("complainant") will be sent a letter that provides notice that the complaint was received, the date of the next hearing in which the complaint will be addressed, and which generally explains the procedures that will be followed.
3. The subject of the complaint (hereinafter "respondent") will be sent a letter that provides notice that a complaint has been received naming them as the subject, the date of the next hearing in which the complaint will be addressed, and which generally explains the procedures that will be followed. The respondent will also be sent a copy of the complaint with the letter. The complaint may be redacted as provided for in CVMC 2.28.090(C) (related to confidentiality requests).
4. The Chair of the Board of Ethics shall be notified that a complaint has been received. Notwithstanding any other time frames, the Chair may set a special meeting on the complaint.
5. A preliminary review (hereinafter "prima facie review") of the complaint will be set within 30 days of receipt of the complaint. If the complaint is received within 90 days of a municipal election in which a City

official is a candidate, the prima facie review of the complaint will be set within 15 days of the receipt of the complaint. The Chair and members shall be sent copies of the complaint for their review prior to the hearing. The Chair and members receiving copies of the complaint shall not discuss the complaint nor disclose the complaint to any person outside of the hearing. (Ord. 3264 § 1, 2013).

2.28.110 Complaint procedures – Prima facie review.

The Board of Ethics will conduct a prima facie review (“prima facie review”) of the complaint. The purpose of prima facie review is to determine if the complainant has made a prima facie showing that the complaint complies with the requirements in CVMC 2.28.090(A) (Complaints – Form, referral to other enforcement agency, and request for confidentiality), thereby establishing jurisdiction. A prima facie review may result in the following:

A. No Prima Facie Showing Made – Dismissal. After completing the prima facie review, the Board may dismiss the complaint for any of the following reasons:

1. The complaint is not in writing or is not made under penalty of perjury;
2. The respondent is not a City official within the meaning of this chapter;
3. The complaint does not contain a full allegation of facts that would constitute a violation of the specific prohibitions enumerated in this chapter;
4. The complaint restates other complaints containing essentially similar or identical allegations that have already been disposed of, and the evidence presented does not warrant reopening of the previous case;
5. The allegations contained in the complaint are already under investigation by the Board of Ethics;
6. The complaint consists of speculation, opinion, frivolous contentions, or absurd accusations; or
7. The Board of Ethics determines other good cause requires dismissal. If the dismissal is for this reason, the good cause must be set forth in the minutes of the preliminary review.

If the complaint is dismissed, the Board shall issue a letter to the complainant and respondent as soon as possible, indicating the reason for the dismissal of the complaint. Such letter is not a conclusive finding and is not intended to be evidence in any enforcement action initiated by another agency.

B. Prima Facie Showing Made – Further Action. If the Board determines that a prima facie showing has been made, then the Board shall determine the appropriate course of action, including the following:

1. The Board may request additional information from complainant or the respondent. The Board shall endeavor to complete this action within 45 days from the prima facie finding. If the information is not received within the 45 days, such fact shall be reported to the Board. After this stage is complete, the matter should be set for a probable cause hearing within 30 days.
2. The Board may create an ad hoc subcommittee comprised of one to three board members to conduct further investigation. The ad hoc subcommittee shall endeavor to complete its investigation within 90 days of the prima facie finding. If the investigation is not completed within the 90 days, such fact shall be reported to the Board. After this stage is complete the matter should be set for a probable cause hearing within 30 days.
3. The Board may hire an individual from a list of prequalified investigators to conduct an investigation. This provision is subject to available funding. The investigator shall endeavor to complete the investigation within 90 days of the prima facie finding. If the investigation is not completed within the 90 days, such fact shall be reported to the Board. After this stage is complete the matter should be set for a probable cause hearing within 30 days.

The Board of Ethics shall establish a written policy for the selection of prequalified investigators. In determining qualifications, the Board of Ethics shall consider, but is not limited to, the following:

- a. Professional licensing;

- b. Experience in conducting investigations;
- c. Area or areas of expertise required for the investigation;
- d. Available support staff;
- e. Reasonable costs;
- f. The existence of conflicts of interest;
- g. Proven ability to timely complete tasks.

4. The Board may set the matter for a probable cause hearing. The Board shall endeavor to set the probable cause hearing within 45 days of the prima facie finding. (Ord. 3264 § 1, 2013).

2.28.120 Complaint procedures – Probable cause hearing.

The purpose of the probable cause hearing is to determine if there are facts and circumstances, of a reasonably trustworthy nature, sufficient to justify a person of reasonable caution or prudence in the belief that a violation of the specific prohibitions has occurred (“probable cause”). To find probable cause, there must be an affirmative vote of the majority of the entire voting membership. The following procedures shall be followed in the conduct of a probable cause hearing:

- A. Both parties shall be provided notice that the probable cause hearing has been set.
- B. The complainant and respondent shall be informed that they may lodge with the Board 10 days before the hearing additional evidence and a statement on their behalf for the Board’s consideration. If such evidence is not provided to the Board within the time frame indicated, the Board may, but is not required to, exclude such evidence. As soon after receipt of such evidence by the Board, the Board should endeavor to provide the opposing party a copy thereof.
- C. At the hearing, the Board shall review, but is not limited to, the following: the complaint, including any supporting documents, that was filed; information acquired during any Board-ordered investigation or request for information; and any other documents or evidence provided to the Board before the probable cause hearing.
- D. The Board, in its discretion, may permit additional documents or evidence to be admitted into the probable cause hearing. The Board, in its discretion, may also permit witnesses to testify. Witnesses may be subject to cross-examination, as permitted by the Board.
- E. Both parties may comment on the issue of probable cause, as permitted by the Brown Act.
- F. If the Board determines that probable cause does not exist, the Board shall dismiss the complaint.
- G. If the Board determines that probable cause exists, the Board should set a hearing on the merits within 45 days thereafter. (Ord. 3264 § 1, 2013).

2.28.130 Complaint procedures – Hearing on the merits.

If probable cause is determined to exist by the Board, then the Board shall conduct a hearing on the merits (“hearing on the merits”) as set forth herein:

- A. Prior to the hearing on the merits, the Board may request additional information as set forth in CVMC 2.28.110(B). The Board should set a date by which a request for additional information should be completed.
- B. Both parties shall be provided notice of the hearing on the merits. The Board may provide copies of materials upon which the complaint is based to either party.
- C. In the discretion of the Board, complainant may present an opening and closing statement, present additional evidence and witnesses, including rebuttal evidence and witnesses, and cross-examine witnesses.

D. In the discretion of the Board, the respondent may present an opening and closing statement, present additional evidence and witnesses, including rebuttal evidence and witnesses, and cross-examine witnesses.

E. The Board may admit, but is not limited to, evidence provided at the hearing on the merits, information provided with the complaint, information provided pursuant to CVMC 2.28.110(B), or subsection (A) of this section, information provided at the probable cause hearing, and any other evidence it determines should be considered.

F. The hearing on the merits is not a formal judicial proceeding, but the Board will exercise control over the hearing to ensure that it is conducted in an orderly and expeditious manner. While the technical rules of evidence are not applicable and hearsay is admissible, evidence that is admitted should bear indicia of reliability. (Ord. 3264 § 1, 2013).

2.28.140 Complaint procedures – Decision after hearing on the merits.

The Board shall document its decision in a written statement of decision. A vote of five board members is required to make a finding of misconduct. Each finding of misconduct must be supported by a preponderance of the evidence. The statement of decision should be prepared expeditiously and shall be served upon both parties via certified mail with a certificate of mailing.

A. Misconduct Found – Declaration of Misconduct. If the Board makes a finding of misconduct, the statement of decision shall contain, and be labeled as such, a declaration of misconduct. The declaration of misconduct shall detail the misconduct that has been found to be true and the supporting evidence. The declaration of misconduct shall be a final decision on the merits and shall not be changed by the City Council. The declaration of misconduct may contain a recommendation of sanctions against the City official found to have engaged in misconduct, including, but not limited to, the following: a reprimand, censure, or removal from office. The declaration of misconduct may also recommend remedial actions to prevent misconduct in the future.

Government Code Sections 3250 et seq. (Firefighter Procedural Bill of Rights Act) and 3300 et seq. (Public Safety Officers Procedural Bill of Rights Act) provide appeal rights for the Police and Fire Chief. The Police and Fire Chief shall be provided the appeal rights required under the aforementioned Government Code sections and City Council shall act as the body hearing any such appeal.

B. No Misconduct Found – Declaration of No Misconduct. If the Board makes a finding of no misconduct, the statement of decision shall contain, and be labeled as such, a declaration of no misconduct. The declaration of no misconduct shall detail the basis for its finding. (Ord. 3264 § 1, 2013).

2.28.160 Disclosure of Board records.

The purpose of this section is to advance the public's interest under the Public Records Act to access information concerning the conduct of the Board in a manner that will not compromise the Board's ability to conduct effective and confidential investigations into alleged violations of the City of Chula Vista's code of ethics. The Board and its staff shall not make public comments regarding a pending matter until the Board has made a final decision on the

merits or until the matter is otherwise closed. The complaint may be released to the public. The complaint may be redacted consistent with CVMC 2.28.090 (regarding requests for confidentiality).
