SECTION I.

NOW, THEREFORE, BE IT ORDAINED that the City Council of the City of Chula Vista does hereby find and determine as follows:

A. ENVIRONMENTAL DETERMINATION

That the proposed project has been reviewed for compliance with the California Environmental Quality Act (CEQA) and City Council has determined that the project was covered in previously adopted Environmental Impact Report UPD#83356-EIR-65B/SCH#2005081077. The City Council has further determined that only minor technical changes or additions to this document are necessary and that none of the conditions described in Section 15162 of the State CEQA Guidelines calling for the

preparation of a subsequent document have occurred; therefore, the City Council has considered an Addendum to Environmental Impact Report UPD#83356-EIR-65B/SCH#2005081077 in accordance with Section 15164 of the State CEQA Guidelines.

B. CONSISTENCY WITH GENERAL PLAN AND CALIFORNIA COASTAL ACT

That the proposed amendment to the Local Coastal Program, consisting of the Land Use Plan (LUP) and Specific Plan (SP), is consistent with the City of Chula Vista General Plan and the policies of the Coastal Act. The proposed changes to the LUP and SP are minor and unsubstantial and leave all of the provisions of the LUP and SP intact. With the changes in place the provisions of the documents are still based on sound planning principles and practices that will provide for the protection and conservation of sensitive natural resources. The provisions of the documents continue to allow the transfer of development from the Sweetwater District to the Harbor District, which is a previously developed and less sensitive area of the Bayfront, leading to the development of a project that will minimize potential negative impacts. The provisions of the documents will also contribute to provide more direct access to the Bayfront and create better connection to the rest of the city and the region. This will open up the Bayfront for the enjoyment of residents and visitors. The provision of the LUP and SP will be conducive to the development of the Bayfront and the creation of a world-class destination for residents and visitors.

SECTION II.

BE IT FURTHER ORDAINED, that the City Council of the City of Chula Vista does hereby approve the amendment to the LCP Specific Plan contained in a document known as Local Coastal Plan Amendment on file in the Office of the City Clerk, and incorporated herein by this reference and thereby amending Chula Vista Municipal Code Chapters 19.81 thru 19.87.

SECTION III. SUBMISSION TO COASTAL COMMISSION

BE IT FURTHER ORDAINED, that the City Council does hereby certify after a duly called and duly noticed public hearing that the LCP is intended to be carried out in a manner fully in conformity with the California Coastal Act of 1976 (Public Resources Code Section 30510(a)).

BE IT FURTHER ORDAINED, that the City Council finds that the LCP complies with the guidelines established by the Coastal Commission and contains materials sufficient for a thorough and complete review (Public Resources Code Section 30510(b)).

BE IT FURTHER ORDAINED, that after a duly called and noticed public hearing the City Council does hereby direct the City Manager or his designee to submit this subject Ordinance and the LCP, consisting of both the LUP and the SP, to the Coastal Commission and that the Coastal Commission certify the same (Public Resources Code Section 30514).

SECTION IV. SEVERABILITY

If any portion of this Ordinance, or its application to any person or circumstance, is for any reason held to be invalid, unenforceable or unconstitutional, by a court of competent jurisdiction, that portion shall be deemed severable, and such invalidity, unenforceability or unconstitutionality shall not affect the validity or enforceability of the remaining portions of the Ordinance, or its application to any other person or circumstance. The City Council of the City of Chula Vista hereby declares that it would have adopted each section, sentence, clause or phrase of this Ordinance, irrespective of the fact that any one or more other sections, sentences, clauses or phrases of the Ordinance be declared invalid, unenforceable or unconstitutional.

SECTION V. CONSTRUCTION

The City Council of the City of Chula Vista intends this Ordinance to supplement, not to duplicate or contradict, applicable state and federal law and this Ordinance shall be construed in light of that intent.

SECTION VI. EFFECTIVE DATE

This Ordinance shall take effect after the City Council acknowledges receipt of the Coastal Commissions resolution of certification on the LCP Amendment pursuant to Title 14 of the California Code of Regulations Sections 13544 and 13551 but no sooner than the thirtieth day from and after this Ordinance's final adoption.
