The City acknowledges that it has previously provided the Underwriter with an acknowledgement of receipt of the required Underwriter's disclosure under Rule G-17 of the Municipal Securities Rulemaking Board ("**MSRB**").

Capitalized terms used in this Purchase Contract and not otherwise defined herein will have the respective meanings set forth for such terms in the Indenture (defined below).

Section 1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations set forth in this Purchase Contract, the Underwriter agrees to purchase from the Authority, and the Authority agrees to sell and deliver to the Underwriter, all (but not less than all) of the following bonds: (a) the Chula Vista Municipal Financing Authority Lease Revenue Bonds Series 2017A (New Clean Renewable Energy Bonds) (Federally Taxable) (the "**Series A Bonds**") at a purchase price of \$\_\_\_\_\_ (being an amount equal to the principal amount of the Series A Bonds (\$\_\_\_\_\_), *plus/less* an original issue premium/discount of \$\_\_\_\_\_, and *less* an underwriter's discount of \$\_\_\_\_\_), and (b) the Chula Vista Municipal Financing Authority Lease Revenue Bonds Series 2017B (Tax-Exempt) (the "**Series B Bonds**," and, together with the Series A Bonds, the "**Bonds**") at a purchase price of \$\_\_\_\_\_ (being an amount equal to the principal amount of the Series B Bonds (\$\_\_\_\_\_), *plus/less* an original issue premium/discount of \$\_\_\_\_\_, and *less* an underwriter's discount of \$\_\_\_\_\_). The obligations of the Underwriter to purchase, accept delivery of and pay for the Bonds will be conditioned on the sale and delivery of all of the Bonds by the Authority to the Underwriter at Closing (hereafter defined).

Section 2. Bond Terms; Authorizing Instruments; Purpose. The Bonds will be dated their date of delivery and will mature and bear interest as shown on Exhibit A. The Bonds will be as described in, and will be issued and secured under, an Indenture, dated as of December 1, 2017 (the "**Indenture**"), among the Authority, the City and U.S. Bank National Association, as trustee (the "**Trustee**"). The Bonds are payable and subject to redemption as shown in Exhibit A.

The Bonds will be issued pursuant to the Marks-Roos Local Bond Pooling Act of 1985, commencing with Section 6584 of the California Government Code, and are payable from and secured by the Authority's pledge of (i) "**Base Rental Payments**" under and as defined in the Indenture, which will be made by the City under a Lease Agreement, dated as of December 1, 2017, between the Authority, as lessor, and the City, as lessee (the "**Lease Agreement**") and (ii) moneys in certain funds and accounts held by the Trustee under the Indenture.

The City and the Authority are also entering into a Site Lease dated as of December 1, 2017 (the "**Site Lease**"). Under the Site Lease, the City leases the real property described therein to the Authority and, under the Lease Agreement, the Authority leases the same real property back to the City.

(b) After the City Council conducted a public hearing, the board of directors (the “**Board**”) of the Authority has taken official action by resolution adopted on \_\_\_\_\_, 2017 (the “**Authority Resolution**”) adopted by a majority of the members of the Board at a regular meeting duly called, noticed and conducted, at which a quorum was present and acting throughout, authorizing the execution, delivery and due performance of the Authority Agreements and the execution and delivery of the Official Statement and the taking of any and all such action as may be required on the part of the Authority to carry out, give effect to and consummate the transactions contemplated hereby.

(c) By all necessary official action, the Authority has duly authorized the preparation and delivery of the Preliminary Official Statement and the preparation, execution and delivery of the Official Statement, has duly authorized and approved the execution and delivery of, and the performance of its obligations under, the Bonds and the Authority Agreements, and the consummation by it of all other transactions contemplated by the Authority Resolution, the Authority Agreements, the Preliminary Official Statement and the Official Statement. When executed and delivered by their respective parties, the Authority Agreements (assuming due authorization, execution and delivery by and enforceability against the other parties thereto) will be in full force and effect and each will constitute legal, valid and binding agreements or obligations of the Authority, enforceable in accordance with their respective terms, except as enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or limiting creditors rights generally, the application of equitable principles, the exercise of judicial discretion and the limitations on legal remedies against public entities in the State.

(d) The statements and information contained in the Official Statement (other than CUSIP numbers, information relating to DTC and its book-entry only system and information provided by the Underwriter as to which no view is expressed) do not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make such statements therein, in the light of the circumstances under which they were made, not misleading.

(e) As of the date hereof, except as disclosed in the Official Statement, there is no action, suit, proceeding or investigation before or by any court, public board or body pending against the Authority or, to the best knowledge of the Authority, threatened, wherein an unfavorable decision, ruling or finding would: (i) affect the creation, organization, existence or

powers of the Authority, or the titles of its members or officers; (ii) in any way question or affect the validity or enforceability of Authority Agreements or the Bonds, or (iii) in any way question or affect the Authority Agreements or the transactions contemplated by the Authority Agreements, the Official Statement, or any other agreement or instrument to which the Authority is a party relating to the Bonds.

(f) There is no consent, approval, authorization or other order of, or filing or registration with, or certification by, any regulatory authority having jurisdiction over the Authority required for the execution and delivery of this Purchase Contract or the consummation by the Authority of the other transactions contemplated by the Official Statement or the Authority Agreements.

(i) If between the date of this Purchase Contract and the date which is 25 days following the End of the Underwriting Period (as defined below), any event will occur which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the Authority will immediately notify the Underwriter, and if, in the opinion of the Underwriter and the Authority, such event requires the preparation and publication of a supplement or amendment to the Official Statement, the Authority will at its expense supplement or amend the Official Statement in a form and in a manner approved by the Underwriter. "End of the Underwriting Period" will mean the later of: (i) the Closing Date, and (ii) the date the Underwriter does not directly retain an unsold balance of the Bonds for sale to the public, provided that unless the Underwriter notifies the Authority on or prior to the Closing Date that it directly retains an unsold balance of the Bonds for sale to the public, the End of the Underwriting Period will be deemed to have occurred on the Closing Date.

(j) After the Closing, the Authority will not participate in the issuance of any amendment of or supplement to the Official Statement to which, after being furnished with a copy, the Underwriter reasonably objects in writing or which is disapproved by Underwriter's Counsel (hereinafter defined). If any event relating to or affecting the Authority occurs as a result of which it is necessary, in the opinion of the Underwriter, to amend or supplement the Official Statement in order to make the Official Statement not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, the Authority will use its best efforts to assist the Underwriter in preparing (at the expense of the Authority for 25 days after the date of the Closing, and thereafter at the expense of the Underwriter) a reasonable number of copies of an amendment of or supplement to the Official Statement (in form and substance satisfactory to the Underwriter) which will amend or supplement the Official Statement so that it

will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time the Official Statement is delivered to a purchaser, not misleading. For the purposes of this subsection, the Authority will furnish such information with respect to itself as the Underwriter may from time to time reasonably request.

(b) The city council (the “**City Council**”) of the City has taken official action by conducting a public hearing and adopting the City Resolution by a majority of the members of the City Council at a meeting duly called, noticed and conducted, at which a quorum was present and acting throughout, authorizing the execution, delivery and due performance of the City Agreements and the execution and delivery of the Official Statement and the taking of any and all such action as may be required on the part of the City to carry out, give effect to and consummate the transactions contemplated hereby.

(c) By all necessary official action, the City has duly adopted the City Resolution, has duly authorized the preparation and delivery of the Preliminary Official Statement and the preparation, execution and delivery of the Official Statement, has duly authorized and approved the execution and delivery of, and the performance of its obligations under, the City Agreements, and the consummation by it of all other transactions contemplated by the City Resolution, the City Agreements, the Preliminary Official Statement and the Official Statement. When executed and delivered by their respective parties, the City Agreements (assuming due authorization, execution and delivery by and enforceability against the other parties thereto) will be in full force and effect and each will constitute legal, valid and binding agreements or obligations of the City, enforceable in accordance with their respective terms, except as enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or limiting creditors rights generally, the application of equitable principles, the exercise of judicial discretion and the limitations on legal remedies against public entities in the State.

(d) At the time of the City’s acceptance hereof and at all times subsequent thereto up to and including the time of the Closing, the information and statements in the Official Statement (other than CUSIP numbers, any information concerning the Depository Trust Company and the book-entry system for the Bonds and information provided by the Underwriter as to which no view is expressed) do not and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(e) As of the date hereof, other than as disclosed in the Official Statement, there is no action, suit, proceeding or investigation before or by any court, public board or body pending against the City or, to the best knowledge of the City, threatened, wherein an unfavorable decision, ruling or finding would: (i) affect the creation, organization, existence or powers of the City, or the titles of its members or officers; (ii) in any way question or affect the validity or enforceability of City Agreements or the Bonds, or (iii) in any way question or affect the Purchase Contract or the transactions contemplated by the Purchase Contract, the Official Statement, or any other agreement or instrument to which the City is a party relating to the Bonds.

(f) There is no consent, approval, authorization or other order of, or filing or registration with, or certification by, any regulatory authority having jurisdiction over the City required for the execution and delivery of this Purchase Contract or the consummation by the City of the other transactions contemplated by the Official Statement or the City Agreements.

(g) Any certificate signed by any official of the City authorized to do so will be deemed a representation and warranty by the City to the Underwriter as to the statements made therein.

(h) Except as previously disclosed to the Underwriter, the City is not in default, and at no time has the City defaulted in any material respect, on any bond, note or other obligation for borrowed money or any agreement under which any such obligation is or was outstanding.

(i) Except as disclosed in the Official Statement, there has not been any materially adverse change in the financial condition of the City since June 30, 2016, and there has been no occurrence or circumstance or combination thereof that is reasonably expected to result in any such materially adverse change.

(j) If between the date of this Purchase Contract and the date which is 25 days following the End of the Underwriting Period (as defined above), any event will occur which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the City will immediately notify the Underwriter, and if, in the opinion of the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Official Statement, the City will at its expense supplement or amend the Official Statement in a form and in a manner approved by the Underwriter.

(k) After the Closing, the City will not participate in the issuance of any amendment of or supplement to the Official Statement to which, after being furnished with a copy, the Underwriter reasonably objects in writing or which is disapproved by Underwriter's Counsel. If any event relating to or affecting the City occurs as a result of which it is necessary, in the opinion of the Underwriter, to amend or supplement the Official Statement in order to make the Official Statement not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, the City will use its best efforts to assist the Underwriter in preparing (at the expense of the City for 25 days after the date of the Closing, and thereafter at the expense of the Underwriter) a reasonable number of copies of an amendment of or supplement to the

Official Statement (in form and substance satisfactory to the Underwriter) which will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time the Official Statement is delivered to a purchaser, not misleading. For the purposes of this subsection, the City will furnish such information with respect to itself as the Underwriter may from time to time reasonably request.

(l) Except as disclosed in the Official Statement, the City has not previously failed to comply in all material respects with any undertakings under Rule 15c2-12 in the past five years.

(m) The City does not need the consent of its auditor to include its comprehensive annual financial report for the fiscal year ended June 30, 2016 as an appendix to the Official Statement.

(n) The City covenants with the Underwriter that the City will cooperate with the Underwriter (at the cost and written directions of the Underwriter), in qualifying the Bonds for offer and sale under the securities or Blue Sky laws of such jurisdiction of the United States as the Underwriter may reasonably request; provided, however, that the City shall not be required to consent to suit or to service of process, or to qualify to do business, in any jurisdiction. The City consents to the use by the Underwriter of the City Agreements, the Preliminary Official Statement and the Official Statement in the course of its compliance with the securities or Blue Sky laws of the various jurisdictions related to the offering and sale of the Bonds.

Section 7. The Closing. At 8:00 A.M., Pacific time, on December \_\_, 2017, or on such earlier or later time or date as may be agreed upon by the Underwriter, the Authority and the City (the “**Closing**”), the Authority will deliver the Bonds to the Underwriter, through the book-entry system of The Depository Trust Company (“**DTC**”). Prior to the Closing, the Authority and the City will deliver, at the offices of Stradling Yocca Carlson & Rauth, a Professional Corporation (“**Bond Counsel**”) in Newport Beach, California, or such other place as is mutually agreed upon by the Underwriter and the Authority, the other documents described in this Purchase Contract. On the date of the Closing, the Underwriter will pay the purchase price of the Bonds as set forth in Section 1 of this Purchase Contract in immediately available funds to the order of the Trustee.

The Bonds will be issued in fully registered form and will be prepared and delivered as one Bond for each maturity registered in the name of a nominee of DTC. It is anticipated that CUSIP identification numbers will be inserted on the Bonds, but neither the failure to provide such numbers nor any error with respect thereto will constitute a cause for failure or refusal by the Underwriter to accept delivery of the Bonds in accordance with the terms of this Purchase Contract.

Section 8. Conditions to Underwriter’s Obligations. The Underwriter has entered into this Purchase Contract in reliance upon the representations and warranties of the Authority and the City contained herein and to be contained in the documents and instruments to be delivered on the date of the Closing, and upon the performance by the Authority and the City of their respective obligations to be performed hereunder and under such documents and instruments to be delivered at or prior to the date of the Closing. The Underwriter’s obligations

(xi) The execution and delivery by the Authority of the Authority Agreements, the Official Statement and the other instruments contemplated by any of such documents to which the Authority is a party, and compliance with the provisions of each thereof, will not conflict with or constitute a breach of or default under any applicable law or administrative rule or regulation of the State of California, the United States or any department, division, agency or instrumentality of either thereof, or any applicable court or administrative decree or order or any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the Authority is a party or is otherwise subject or bound in a manner which would materially adversely affect the Authority's performance under the Authority Agreements.

(xii) All approvals, consents, authorizations, elections and orders of or filings or registrations with any governmental authority, board, agency or commission having jurisdiction which would constitute a condition precedent to, or the absence of which would materially adversely affect, the performance by the Authority of its obligations under the Authority Agreements have been obtained and are in full force and effect.

(xiii) Nothing has come to the attention of the City Attorney which has led the City Attorney to believe that the Official Statement (excluding therefrom the financial and statistical data, information regarding compliance with continuing disclosure obligations of the City and its related entities, forecasts included therein and information about The Depository Trust Company or information provided by the Underwriter, as to which no opinion need be expressed) contains an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading in any material respect.

(8) A letter of Nixon Peabody LLP (“**Underwriter’s Counsel**”), addressed to the Underwriter, in form and substance acceptable to the Underwriter.

(9) Executed certificates of the Authority and the City, dated as of the date of the Preliminary Official Statement, in the forms attached as Exhibit B-1 and Exhibit B-2.

(10) An executed closing certificate of the Authority, dated as of the Closing, in the form attached as Exhibit C.

(11) An executed closing certificate of the City, dated as of the Closing, in the form attached as Exhibit D.

(ii) The Indenture and the Assignment Agreement have been duly authorized, executed and delivered by the Trustee, and, assuming due authorization, execution and delivery by the other parties thereto, the Indenture and the Assignment Agreement constitute legal, valid and binding agreements of the Trustee enforceable in accordance with their terms, subject to laws relating in bankruptcy, insolvency or other laws affecting the enforcement of creditors’ rights generally and the application of equitable principles if equitable remedies are sought.

(13) A certificate of the Trustee dated as of the Closing, in the form attached as Exhibit E.

(19) A certificate of Harrell & Company Advisors, LLC, the City's municipal advisor, in the form and substance attached hereto as Exhibit F.

(20) Such additional legal opinions, certificates, proceedings, instruments and other documents as the Underwriter or Bond Counsel may reasonably request to evidence compliance by the Authority and the City with legal requirements, the truth and accuracy, as of the date of the Closing, of the representations of the Authority and the City herein contained and of the Official Statement and the due performance or satisfaction by the Authority and the City at or prior to such time of all agreements then to be performed and all conditions then to be satisfied by the Authority and the City.

All of the opinions, letters, certificates, instruments and other documents mentioned in this Purchase Contract will be deemed to be in compliance with the provisions of this Purchase Contract if, but only if, they are in form and substance satisfactory to the Underwriter. If the Authority and the City are unable to satisfy the conditions to the obligations of the Underwriter to purchase, to accept delivery of and to pay for the Bonds contained in this Purchase Contract or if the obligations of the Underwriter to purchase, to accept delivery of and to pay for the Bonds will be terminated for any reason permitted by this Purchase Contract, this Purchase Contract will terminate and neither the Underwriter, the Authority nor the City will be under further obligations hereunder, except that the respective obligations of the Authority, the City and the Underwriter set forth in Section 12 of this Purchase Contract will continue in full force and effect.

Section 9. Conditions to Authority's and City's Obligations. The performance by the Authority and the City of their respective obligations under this Purchase Contract are conditioned upon: (i) the performance by the Underwriter of its obligations hereunder and (ii) receipt by the Authority and the City of opinions addressed to the Authority and the City, and receipt by the Underwriter of opinions addressed to the Underwriter, and the delivery of certificates being delivered on the date of the Closing by persons and entities other than the Authority and the City.

Section 10. Termination Events. The Underwriter will have the right to terminate the Underwriter's obligations under this Purchase Contract to purchase, to accept delivery of and to pay for the Bonds by notifying the Authority and the City of its election to do so if, after the execution hereof and prior to the Closing, any of the following events occurs:

(1) the marketability of the Bonds or the market price thereof, in the opinion of the Underwriter, has been materially and adversely affected by any decision issued by a court of the United States (including the United States Tax Court) or of the State of California, by any ruling or regulation (final, temporary or proposed) issued by or on behalf of the Department of the Treasury of the United States, the Internal Revenue Service, or other governmental agency of the United States, or any governmental agency of the State of California, or by a tentative decision or announcement by any member of the House Ways and Means Committee, the Senate Finance Committee, or the Conference Committee with respect to contemplated legislation or by legislation enacted by, pending in, or favorably reported to either the House of Representatives or either House of the Legislature of the State of California, or formally proposed to the Congress of the United States by the President of the United States or to the Legislature of the State of California by the Governor of the State of California in an executive communication, affecting the tax status of the Authority or the City, its property or income, its bonds (including the Bonds) or the interest thereon or any tax exemption granted or authorized by the Internal Revenue Code of 1986, as amended;

(2) the United States becomes engaged in hostilities that result in a declaration of war or a national emergency, or any other outbreak of hostilities occurs, or a local, national or international calamity or crisis occurs, financial or otherwise, the effect of such outbreak, calamity or crisis being such as, in the reasonable opinion of the Underwriter, would affect materially and adversely the ability of the Underwriter to market the Bonds;

(3) there occurs a general suspension of trading on the New York Stock Exchange or the declaration of a general banking moratorium by the United States, New York State or California State authorities;

(4) a stop order, ruling, regulation or official statement by, or on behalf of, the Securities and Exchange Commission is issued or made to the effect that the issuance, offering or sale of the Bonds is or would be in violation of any provision of the Securities Act of 1933, as then in effect, or of the Securities Exchange Act of 1934, as then in effect, or of the Trust Indenture Act of 1939, as then in effect;

(5) legislation is enacted by the House of Representatives or the Senate of the Congress of the United States of America, or a decision by a court of the United States of America is rendered, or a ruling or regulation by or on behalf of the Securities and Exchange Commission or other governmental agency having jurisdiction of the subject matter is made or proposed to the effect that the Bonds are not exempt from registration, qualification or other similar requirements of the Securities Act of 1933, as then in effect, or of the Trust Indenture Act of 1939, as then in effect;

(6) in the reasonable judgment of the Underwriter, the market price of the Bonds, or the market price generally of obligations of the general character of the Bonds, might be materially and adversely affected because additional material restrictions not in force as of the date hereof is imposed upon trading in securities generally by any governmental authority or by any national securities exchange;

(7) the Comptroller of the Currency, The New York Stock Exchange, or other national securities exchange, or any governmental authority, imposes, as to the Bonds or obligations of the general character of the Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of, or financial responsibility requirements of the Underwriter;

(8) a general banking moratorium is established by federal, New York or State authorities;

(9) a material disruption in securities settlement, payment or clearance services affecting the Bonds shall have occurred;

(10) any legislation, ordinance, rule or regulation is introduced in or be enacted by any governmental body, department or agency in the State or a decision of a court of competent jurisdiction within the State is rendered, which, in the opinion of the Underwriter, after consultation with the Authority and the City, materially adversely affects the market price of the Bonds;

(11) any federal or California court, authority or regulatory body takes action materially and adversely affecting the collection of Base Rental Payments under the Lease Agreements for application as set forth in the Indenture;

(12) any withdrawal, downgrading or placement on credit watch negative of any underlying rating of any securities of the Authority or the City by a national municipal bond rating agency that, in the opinion of the Underwriter, adversely affects the market price of the Bonds; or

(13) an event or circumstance occurs which in the reasonable opinion of the Underwriter makes untrue or misleading in any material respect any statement or information contained in the Official Statement (other than any information relating to the Underwriter).

Section 11. Establishment of Issue Price.

The Underwriter agrees to make an initial public offering of all of the Bonds at the public offering prices (or yields) set forth on Exhibit G attached hereto and incorporated herein by reference. Subsequent to the initial public offering, the Underwriter reserves the right to change the public offering prices (or yields) as the Underwriter deems necessary in connection with the marketing of the Bonds, provided that the Underwriter shall not change the interest rates set forth on Exhibit G. The Bonds may be offered and sold to certain dealers at prices lower than such initial public offering prices.

The Underwriter agrees to assist the Authority in establishing the issue price of the Bonds and shall execute and deliver to the Authority at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit H, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the Authority and Bond Counsel, to accurately

reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the Authority under this Section to establish the issue price of the Bonds may be taken on behalf of the Authority by the Authority's municipal advisor identified herein and any notice or report to be provided to the Authority may be provided to the Authority's municipal advisor. Certain terms used in this Section are defined below.

Except as otherwise set forth in Exhibit G attached hereto, the Authority will treat the first price at which 10% of each maturity of the Bonds (the "**10% Test**"), identified under the column "10% Test Used" in Exhibit G, is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% Test). At or before the execution of this Purchase Contract, the Underwriter shall report to the Authority the price or prices at which it has sold to the public each maturity of Bonds. If at that time the 10% Test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the Authority the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% Test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold to the public.

The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit G attached hereto, except as otherwise set forth therein. Exhibit G also sets forth, as of the date of this Purchase Agreement, the maturities, if any, of the Bonds for which the 10% test has not been satisfied and for which the Authority and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the Authority to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the Authority when it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

The Underwriter confirms that any selling group agreement and any retail distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (1) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the Underwriter that either the 10% test has been satisfied as to the applicable Bonds of that maturity or all such Bonds of that maturity have been sold to the public

and (2) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Underwriter. The Authority acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, if applicable, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a retail distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the retail distribution agreement and the related pricing wires.

The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

- (i) “public” means any person other than an underwriter or a related party,
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the Authority (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),
- (iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) “sale date” means the date of execution of this Purchase Contract by all parties.

Section 12. Payment of Expenses. The Underwriter will be under no obligation to pay, and the Authority will pay the following expenses incident to the performance of the Authority’s and the City’s obligations hereunder:

- (i) the fees and disbursements of the City’s municipal advisor and of Bond Counsel and Disclosure Counsel;

(ii) the cost of printing and delivering the Bonds, the Preliminary Official Statement and the Official Statement (and any amendment or supplement prepared pursuant to Section 4 of this Purchase Contract);

(iii) the fees and disbursements of accountants, advisers and of any other experts or consultants retained by the Authority or the City; and

(iv) any other expenses and costs of the Authority and the City incident to the performance of their respective obligations in connection with the authorization, issuance and sale of the Bonds, including out of pocket expenses and regulatory expenses, and any other expenses agreed to by the parties.

(b) The City and the Authority will be under no obligation to pay, and the Underwriter will pay, any fees of the California Debt and Investment Advisory Commission, the cost of obtaining CUSIP numbers, the cost of preparation of any “blue sky” or legal investment memoranda and this Purchase Contract; and all other expenses incurred by the Underwriter in connection with its public offering and distribution of the Bonds (except those specifically enumerated in paragraph (a) of this section), including the fees and disbursements of Underwriter’s Counsel (if any) and any advertising expenses.

Section 13. Notices. Any notice or other communication to be given to the Authority or the City under this Purchase Contract may be given by delivering the same in writing to the Authority and the City at the addresses set forth on the first page of this Purchase Contract, and any notice or other communication to be given to the Underwriter under this Purchase Contract may be given by delivering the same in writing to Brandis Tallman LLC, 22 Battery St., Suite 500, San Francisco, California 94111 Attention: Richard Brandis.

Section 14. Survival of Representations, Warranties, Agreements. All of the Authority’s and the City’s representations, warranties and agreements contained in this Purchase Contract will remain operative and in full force and effect regardless of: (a) any investigations made by or on behalf of the Underwriter; or (b) delivery of and payment for the Bonds pursuant to this Purchase Contract. The agreements contained in this Section and in Section 12 will survive any termination of this Purchase Contract.

Section 15. Benefit; No Assignment. This Purchase Contract is made solely for the benefit of the Authority, the City and the Underwriter (including its successors and assigns), and no other person will acquire or have any right hereunder or by virtue hereof. The rights and obligations created by this Purchase Contract are not subject to assignment by the Underwriter, the Authority or the City without the prior written consent of the other parties hereto.

Section 16. Severability. In the event that any provision of this Purchase Contract is held invalid or unenforceable by any court of competent jurisdiction, such holding will not invalidate or render unenforceable any other provision of this Purchase Contract.

Section 17. Counterparts. This Purchase Contract may be executed in any number of counterparts, all of which taken together will constitute one agreement, and any of the parties hereto may execute the Purchase Contract by signing any such counterpart.

Section 18. Governing Law. This Purchase Contract will be governed by the laws of the State of California.

Section 19. Effectiveness. This Purchase Contract will become effective upon the execution of the acceptance hereof by an authorized officer of the Authority and the City, and will be valid and enforceable as of the time of such acceptance.
