Public Convenience or Necessity Finding Appeal

Applicant's Name: H Street Market, Inc.

Business Name: H Street Market

Business Address: 645 H Street, Ste B
Chula Vista, CA 91910

Business Telephone Number: (619) 212-6259

Please explain how this license would serve public convenience or necessity:

As owner of the property on H Street, I wanted to provide a business where the local community and nearby residents can have a place to go to get all their needs. The idea behind H Street Market is to operate as a convenience store/ market offering groceries, sundries, household items, and beer and wine. We have been in the neighborhood for a number of years and many of the local residents especially those in the apartments nearby, look for a place where they can get all these items at a low price. Approving the beer and wine license will give those customers a one stop shop for all their needs and prevent them from driving too far to get their essentials. We are very active in the community and try to help out those residents in any way they need. With the store opening, we will be able offer a variety of items that are usually offered in many locations.
