

RESOLUTION NO. \_\_\_\_\_

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHULA  
VISTA ACCEPTING THE TELECOMMUNICATION MASTER PLAN

WHEREAS, the City of Chula Vista desires to become a Smart City through the use of innovative and forward-thinking technology;

WHEREAS, the City retained Magellan Advisors to work with City staff to develop a comprehensive Telecommunications Master Plan to address our telecommunications infrastructure platform;

WHEREAS, significant cost savings, system availability, and increased customer service can be achieved through the use of connective technologies to reduce power/water consumption, provide early warning for systems which are experiencing technical issues, enhance monitoring capabilities, remote sensing, providing public access to meaningful data (budget, public works projects, etc) and deploy new and possibly unknown technologies in the future to further the City's Smart City endeavors.; and

WHEREAS, the Telecommunications Master Plan provides a detailed roadmap for the City to follow to achieve these goals.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Chula Vista, that it accepts the Telecommunications Master Plan report.
