- A. The qualified electors shall in all cases be the Landowners.
- B. The City Clerk shall in all cases be the election official.
- C. The Landowner-voters shall be those meeting the definition of Landowner as defined in CVMC 3.61.030 as of the close of the public hearing pertaining to the establishment of the District unless the City Clerk is informed, by reliable

evidence, of a change in ownership after that time and prior to the election. In that event, the City Clerk shall, at the request of the new Landowner submitted with such evidence no later than 24 hours before the deadline for returning ballots, prepare a new ballot and deliver it to the new Landowner. The City Clerk shall also, in that event, accept and include in the canvass of the election the ballot submitted by the new Landowner rather than the ballot prepared for the former Landowner.

- D. Since the Landowner-voters are entitled to a secret ballot, and since ballots are required to contain the names of each Landowner and the number of votes each Landowner is entitled to cast, the City Clerk shall protect the confidentiality of the ballots. No person, other than those among the staff and consultants of the City who require access for the purposes of counting and canvassing the ballots, may have access to the ballots at any time, unless by order of a court of competent jurisdiction.

#### 3.61.110 Notice of special tax lien.

- A. For purposes of this Chapter, and to conform the language of the form of the notice of special tax lien contained in Section 3114.5 of the California Streets and Highways Code, the County Recorder shall index the notice of liens in the names of the property owners within the District whose properties are not exempt from the special tax.
- B. Whenever a parcel of property in the District begins to be used as a Hotel or a Campsite, either for the first time or for a period of time when it was not so used, that property shall thereupon become subject to the special tax. The City Clerk shall prepare an amended notice of special tax lien, or an amendment to the notice of special tax lien, that applies to and describes the new Hotel or Campsite property, as applicable, in accordance with the California Streets and Highways Code. The City Clerk shall arrange for recording of the document with the county recorder as provided in the California Streets and Highways Code.

#### 3.61.120 Application of special tax.

- A. Any special tax imposed pursuant to this Chapter shall be levied, in any year, only on property located within the District, other than the Resort Hotel property, for the use of such property during such year as a Hotel or Campsite (or, as the case may be, levied on the leasehold or other possessory interest in a parcel which is owned by a public agency and being used as a Hotel or Campsite).
- B. Any special tax imposed on the Resort Hotel property pursuant to this Chapter shall be levied as provided for in the rate and method of apportionment of such special tax as applied to such property.

3.61.130 Special tax collected with transient occupancy tax.

- A. All special taxes imposed pursuant to this Chapter, other than the special tax imposed on the Resort Hotel property, shall be due and remitted with the Operator's payment of the transient occupancy taxes as set forth in chapter 3.40 of the CVMC. In the event that the Landowner is not the Operator, the Landowner shall cause the Operator to remit the special taxes imposed pursuant to this Chapter with the Operator's payment of the transient occupancy tax. Unlike chapter 3.40, however, the special tax is not imposed on the Transient but is imposed on the real property containing the Hotel or Campsite or, as the case may be, on the leasehold or other possessory interest containing the Hotel or Campsite if the parcel or parcels containing the Hotel or Campsite are owned by a public agency. The Operator may, but is not required to, add the special tax to, and collect it with, the Rent. Subject to and as modified by the foregoing, the provisions of sections 3.40.040, 3.40.050, 3.40.070, 3.40.080, 3.40.090, 3.40.100, 3.40.110, 3.40.120, and 3.40.130 shall apply to any special tax levied pursuant to this Chapter. Despite the method of collection and administration, the special tax is distinct from the City's transient occupancy tax and may be enforced, in the event of nonpayment, as provided in the Mello-Roos Act, including through a judicial foreclosure.
- B. Any special tax imposed on the Resort Hotel property pursuant to this Chapter, shall be due and remitted as provided for in the rate and method of apportionment of such special tax as applied to such property.

3.61.140 Optional collection of delinquent special taxes on secured property tax roll.

Any special taxes delinquent as of July 1 of any fiscal year, together with any penalties and interest accrued as of that date, may, at the option of the City Council, be placed on the secured property tax roll in that fiscal year and be levied on the parcel for which such special taxes are delinquent, where it shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

3.61.150 Compliance with this Chapter.

Any proceedings taken, special tax levied or bonds issued pursuant to this Chapter shall not be held invalid for failure to comply with the provisions of this Chapter provided such failure is not a constitutional defect.

**Section III. Severability**

If any portion of this Ordinance, or its application to any person or circumstance, is for any reason held to be invalid, unenforceable or unconstitutional, by a court of competent jurisdiction, that portion shall be deemed severable, and such invalidity, unenforceability or

unconstitutionality shall not affect the validity or enforceability of the remaining portions of the Ordinance, or its application to any other person or circumstance. The City Council of the City of Chula Vista hereby declares that it would have adopted each section, sentence, clause or phrase of this Ordinance, irrespective of the fact that any one or more other sections, sentences, clauses or phrases of the Ordinance be declared invalid, unenforceable or unconstitutional.

**Section IV. Construction**

The City Council of the City of Chula Vista intends this Ordinance to supplement, not to duplicate or contradict, applicable state and federal law and this Ordinance shall be construed in light of that intent.

**Section V. Effective Date**

This Ordinance shall take effect and be in force on the thirtieth day after its final passage.

**Section VI. Publication**

The City Clerk shall certify to the passage and adoption of this Ordinance and shall cause the same to be published or posted according to law.
