DISCUSSION

In 2018, the Police Department was awarded a three-year grant for the Domestic Violence Response Team (DVRT) program, which is funded by the Law Enforcement Specialized Units Programs of the California Governor's Office of Emergency Services (Cal OES). On January 16, 2018 via Resolution 2018-006, City Council accepted the grant award and approved a consultant services agreement with the City's DVRT partner, South Bay Community Services (SBCS), to provide domestic violence response and advocacy services.

The final year of the 3-year grant is January 1, 2020 to December 31, 2020. As a result of a recent site review with Cal OES, the Police Department is requesting to adopt an additional resolution, which will meet Cal OES requirements to facilitate the grant program. This additional resolution contains specific language required for the grant program to facilitate any budget amendments and extensions. Per rules and regulations of Cal OES, the Police Department agrees to provide all the matching funds required for said project (including any extension or amendment). Grant funds received will not be used to supplant expenditures controlled by the City Council.
