RE: CVMC 15.50 Reimbursement District

Dear Ms. Norris:

On May 31st 2017 we sent a letter to your office formally requesting a reimbursement district to be form subject to the allowable ordinances. We understand that this request is now scheduled for the September 12, 2017 council hearing. Please allow this letter to serve as our formal request to rescind that request. As always, we appreciate the City's continued support and cooperation in working through are issues related to this matter. We will try and resolve this matter outside the City's purview.

Thank you for your consideration of this matter.
