**21. What are your principal areas of interest in our City government, and what experience or special knowledge can you bring to those areas?**

I am particularly interested in areas of our city government, such as the Board of Library Trustees, that help to support the education and literacy of our local community. In regards to my professional experience, I have worked in education for the past 22 years. This includes time as an instructional assistant, after school program leader, elementary school teacher, and now district administrator. In specific to literacy, I received a master's degree in reading and language arts, as well as a reading specialist credential. Furthermore, as the founding teacher of the Innovation Station, and now as the Coordinator of all station experiences, I have had the opportunity to extensively collaborate with the library and its leadership for the past five years to bring unique and engaging experiences to our community members.

**22. What would you hope to accomplish in the role of a Member of the Board of Library Trustees? (250 words or less)**

As a Member of the Board of Library Trustees, I would hope to work together with fellow trustees, library staff, and community partners to first learn about the needs of our community and to then make the necessary resources available to all community members through library services. While I would first want to help accomplish any current goals that are already in place, I would also hope to continue to support both adolescent and adult literacy, community engagement, STEAM (Science, Technology, Engineering, Arts, and Math) education, and workforce development.

**23. I understand that to be considered, I must submit a resume along with this application.**
