New eComment for City Council Meeting

Matthew Lowery submitted a new eComment.

Meeting: City Council Meeting

Item: 9. 19-0503 RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHULA VISTA APPROVING THE 2020 ACTIVE TRANSPORTATION PLAN

eComment: I would like to thank City Staff and the staff at Chen Ryan Associates for their hard work. I appreciate all of their work but feel like there still isn't enough connectivity between West Chula Vista and the Bay Front. The importance of a safe connection at J Street to the Bay Front isn't met with a bike route as suggested between Broadway and I-5. Not only does the Bay Front offer parks and a High School but also the Bayshore Bikeway, the primary connection from Chula Vista to downtown San Diego, Naval Base San Diego and shipyards for many people that use bikes. I would like to suggest more be done, something like the F Street Promenade or maybe a park over the freeway. A great example would be Teralta Park over I-15 at Orange Ave in San Diego. Thanks again.
