

ORDINANCE NO. \_\_\_\_\_

ORDINANCE OF THE CITY OF CHULA VISTA AMENDING  
CHULA VISTA MUNICIPAL CODE CHAPTER 5.56 TO  
PERMIT AND REGULATE TOBACCO RETAILERS

WHEREAS, based in part on the information contained in this section, the City Council finds that the public health, safety, and welfare of the residents of the Chula Vista is threatened when tobacco retailers fail to comply with all tobacco control laws, particularly laws prohibiting the sale of tobacco products to minors; and

WHEREAS, the City Council finds that a local permitting system for tobacco retailers is appropriate to ensure that retailers comply with tobacco control laws and business standards of the City, to protect the health, safety, and welfare of our residents; and

WHEREAS, the California Legislature has recognized the danger of tobacco use and has made reducing youth access to tobacco products a high priority, as evidenced by the fact that:

- The Legislature has declared that smoking is the single most important source of preventable disease and premature death in California (Cal. Health & Safety Code § 118950); and
- State law prohibits the sale or furnishing of cigarettes, tobacco products, and tobacco paraphernalia to persons under 21 (Cal. Pen. Code § 308); and
- State law requires that tobacco retailers check the identification of tobacco purchasers who reasonably appear to be under 21 years of age (Cal. Bus. & Prof. Code § 22956) and provides procedures for using minors to conduct onsite compliance checks of tobacco retailers (Cal. Bus. & Prof. Code § 22952); and
- State law prohibits the sale of tobacco products and paraphernalia through self-service displays with limited exceptions for tobacco stores (Cal. Bus. & Prof. Code § 22960, 22962); and
- State law prohibits the sale of “bidis” (hand-rolled filter-less cigarettes imported primarily from India and Southeast Asian countries) except in adult-only establishments (Cal. Pen. Code § 308.1); and
- State law prohibits the manufacture, distribution, or sale of cigarettes in packages of less than 20 and prohibits the manufacture, distribution, or sale of “roll-your-own” tobacco in packages containing less than 0.60 ounces of tobacco (Cal. Pen. Code § 308.3); and

WHEREAS, state law requires all tobacco retailers to be licensed by the Board of Equalization primarily to curb the illegal sale and distribution of cigarettes due to tax evasion and counterfeiting (Cal. Bus. & Prof. Code §§ 22970.1, 22972); and

WHEREAS, state law explicitly permits cities and counties to enact local tobacco retail licensing ordinances, and allows for the suspension or revocation of a local license for a violation of any state tobacco control law (Cal. Bus. & Prof. Code § 22971.3); and

WHEREAS, state and local law prohibits sales of “drug paraphernalia”; and

WHEREAS, many retailers nevertheless sell items that are commonly known to be “drug paraphernalia,” including bongos and pipes used to smoke methamphetamine and other illicit drugs, claiming that such items are intended for tobacco use; and

WHEREAS, several California cities require compliance with state drug paraphernalia laws as a condition of obtaining and maintaining a local tobacco retailer license; and

WHEREAS, California courts have affirmed the power of the City to regulate business activity to discourage violations of law. See, e.g., *Cohen v. Board of Supervisors*, 40 Cal. 3d 277 (1985); *Bravo Vending v. City of Rancho Mirage*, 16 Cal. App. 4th 383 (1993); *Prime Gas, Inc. v. City of Sacramento*, 184 Cal. App. 4th 697 (2010); and

WHEREAS, research demonstrates that local tobacco retail ordinances dramatically reduce youth access to cigarettes. For example:

- A 2013 American Lung Association in California review of 33 California communities with strong tobacco retailer licensing ordinances shows that the youth sales rate declined in 31 of these communities after the ordinances were enacted, with an average decrease of 26 percent in the youth sales rate; and
- The California Department of Health, Tobacco Control Section, reports that over 90 percent of enforcement agencies surveyed rated license suspension or revocation after repeated violations as an effective strategy to reduce youth access to tobacco; and
- A 2012 study by the U.S. Department of Health and Human Services found that odds of daily smoking were reduced by 2% for each 1% increase in merchant compliance with youth access laws; and

WHEREAS, over 100 cities and counties in California have passed tobacco retailer licensing ordinances in an effort to stop minors from using tobacco; and

WHEREAS, a requirement for a tobacco retailer license will not unduly burden legitimate business activities of retailers who sell or distribute cigarettes or other tobacco products to adults. It will, however, allow the City to regulate the operation of lawful businesses to discourage violations of federal, state, and local tobacco-related laws; and

WHEREAS, City has a substantial interest in promoting compliance with federal, state, and local laws intended to regulate tobacco sales and use; in discouraging the illegal purchase of tobacco products by minors; in promoting compliance with laws prohibiting sales of cigarettes and tobacco products to minors; and finally, and most importantly, in protecting children from being lured into illegal activity through the misconduct of adults; and

NOW THEREFORE, it is the intent of the City Council, in enacting this ordinance, to ensure compliance with the business standards and practices of the City and to encourage responsible tobacco retailing and to discourage violations of tobacco-related laws, especially those which prohibit or discourage the sale or distribution of tobacco and nicotine products to minors, but not to expand or reduce the degree to which the acts regulated by federal or state law are criminally proscribed or to alter the penalties provided therein.

NOW THEREFORE the City Council of the City of Chula Vista does ordain as follows:

Nothing in this chapter shall be construed to grant any Person obtaining and maintaining a Tobacco Retailer's permit any status or right other than the limited conditional privilege to act as a Tobacco Retailer at the location in the City identified on the face of the permit. It is the responsibility of each permittee to be informed regarding all laws applicable to Tobacco Retailing, including those laws affecting the issuance of a Tobacco Retailer's Permit. No permittee may rely on the issuance of a permit as a determination by the City that the permittee has complied with all laws applicable to Tobacco Retailing. Nothing in this chapter shall be construed to vest in any Person obtaining and maintaining a Tobacco Retailer's license any status or right to act as a Tobacco Retailer in contravention of any provision of law.

**5.56.080 Permit Fee.**

The fee to issue or to renew a Tobacco Retailer's permit shall be established from time to time by resolution of the City Council. The fee shall be calculated so as to recover the cost of administration and enforcement of this chapter, including, for example, issuing a permit, administering the permit program, retailer education, retailer inspection and compliance checks, documentation of violations, and prosecution of violators, but shall not exceed the cost of the regulatory program authorized by this chapter. All fees and interest upon proceeds of fees shall be used exclusively to fund the program. Fees are nonrefundable except as may be required by law.

G. Drug Paraphernalia. It shall be a violation of this chapter for any permittee or any of the permittee's agents or employees to violate any local, state, or federal law regulating controlled substances or Drug Paraphernalia, except that conduct authorized pursuant to state law shall not be a violation of this chapter.

H. Windows.

1. In the course of Tobacco Retailing or in the operation of a business or maintenance of a location for which a permit issued, it shall be a violation of this chapter for a permittee, or any of the permittee's agents or employees, to cover more than 20 percent of the window area with window signs in accordance with section 19.60.500 of this code.

B. The Police Department shall inspect each Tobacco Retailer at least one (1) time per twenty-four (24) month period. Nothing in this paragraph shall create a right of action in any permittee or other Person against the City or its agents.

C. Right of Access. The Police Department and/or their authorized representatives shall have full access to enter a permitted Tobacco Retailer location to conduct an inspection during the operating hours of the Tobacco Retailer. Failure to cooperate with any Police Department

inspection may result in a permit violation subject to suspension or revocation. This subsection shall not be construed to deprive a licensee of any privilege guaranteed by the Fifth Amendment to the Constitution of the United States, or any other constitutional or statutory privileges.

**5.56.110 Suspension or Revocation of Permit.**

A. Suspension or Revocation of Permit for Violation. In addition to any other penalty authorized by law, a Tobacco Retailer's permit may be suspended or revoked if any court of competent jurisdiction determines, or the Chief of Police finds based on a preponderance of the evidence, after the permittee is afforded notice and an opportunity to be heard, that the permittee, or any of the permittee's agents, officers, partners, representatives, managers, or employees has violated any of the requirements, conditions, or prohibitions of this chapter, or has pleaded guilty, "no contest" or its equivalent, or admitted to a violation of any law designated in section 5.56.020 above as follows:

B. The Chief of Police shall serve the Tobacco Retailer, either personally or by first class mail addressed to the Authorized Address, with dated written notice of the decision to suspend or revoke the permit. A suspension or revocation notice shall state the reasons for the action, the effective date of the decision, and the right of the permittee to appeal the decision to the City Manager. An appeal to the City Manager is not available for a revocation made pursuant to subsection (C) below. Any appeal must be filed in writing with the City Clerk within fourteen days of service of the notice. The City Manager's determination regarding the suspension or revocation shall be final. The City Manager shall provide dated written notice to the Tobacco Retailer, either personally or by first class mail addressed to the Authorized Address, of the City Manager's determination and the right of the Tobacco Retailer to seek judicial review of the City Manager's determination.

C. Revocation of Permit Wrongly Issued. A Tobacco Retailer's permit shall be revoked if the Chief of Police finds, after the permittee is afforded notice and an opportunity to be heard, that one or more of the bases for denial of a permit under section 5.56.020 existed at the time application was made or at any time before the permit issued, or one or more of the bases for denial of a renewal permit under section 5.56.050 existed at the time the renewal permit was issued. Notice and appeal of the revocation shall be conducted in accordance with subsection B above.

D. If a permit issued under this chapter is suspended or revoked, all Tobacco Products and Tobacco Paraphernalia at the suspended or revoked Tobacco Retailer's location shall be removed from public view for the duration of the suspension or revocation. The Tobacco Retailer additionally shall not display any advertisement relating to Tobacco Products or Tobacco Paraphernalia that promotes the sale or distribution of such products from the Tobacco Retailer's location or that could lead a reasonable consumer to believe that such products can be obtained at that location for the duration of the suspension or revocation.

**5.56.120 Violations; Penalties.**

A. It shall be unlawful for any Person to violate any provision, or to fail to comply with the requirements, of this chapter or any regulation adopted hereunder. Any person violating any of the provisions or failing to comply with any of the requirements this chapter or any regulation adopted hereunder shall be guilty of a misdemeanor punishable by a fine of not more than \$1,000.00 or imprisonment for a period of not more than six months, or by both a fine and imprisonment. Each day that a violation continues is deemed to be a new and separate offense. No proof of knowledge, intent, or other mental state is required to establish a violation.

B. Causing, permitting, aiding, abetting, or concealing a violation of any provision of this chapter shall also constitute a violation of this chapter.

C. Any condition caused or allowed to exist in violation of any of the provisions of this chapter or any regulation adopted hereunder is a public nuisance and may be abated by the City, or by the City Attorney on behalf of the people of the State of California, as a nuisance by means of a restraining order, injunction, or any other order or judgment in law or equity issued by a court of competent jurisdiction. The City, or the City Attorney on behalf of the people of the State of California, may seek injunctive relief to enjoin violations of, or to compel compliance with this chapter or seek any other relief or remedy available at law or equity, including the imposition of monetary civil penalties. Each day that a violation continues is deemed to be a new and separate offense and subject to a maximum civil penalty of \$2,500.00 for each and every offense.

D. Tobacco Retailing Without a Valid Permit; Ineligibility for Permit. In addition to any other penalty authorized by law, if the Chief of Police finds based on a preponderance of evidence, after notice and an opportunity to be heard, that any Person has engaged in Tobacco Retailing at a location without a valid Tobacco Retailer's permit, either directly or through the Person's agents or employees, the Person shall be ineligible to apply for, or to be issued, a Tobacco Retailer's permit as follows:

1.
