City of Chula Vista Proposed Budget

General Fund Expenditure by Department (Other Department Detail – totals \$50.9 million)

Note: The chart above does not reflect net cost of each department, only their expenditure allocations.

STAFFING LEVELS

As General Fund revenue levels have improved in recent years, the City has continued the trend of slowly recovering its staffing levels previously reduced as a result of the economic recession. In June 2018, the voters of Chula Vista approved the Measure A Sales Tax Measure which planned for the hiring of Additionally, the voters of Chula Vista approved the Measure A Sales Tax Measure in June 2018. The sales measure included an expenditure plan for funding of 28.0 positions (19.0 within the Fire Department and 9.0 within the Police Department) in fiscal year 2019 and an additional 16.0 positions (4.0 within Fire Department and 12.0 within the Police Department) in fiscal year 2020 in the Measure A Fund. During the mid-year actions in fiscal year 2018, the City added 12.0 firefighter positions to the General Fund to support the 4.0 staffing model at four fire stations. In fiscal year 2019, subsequent to the adoption of the fiscal year 2019 budget (which included the 12.0 firefighter positions added in mid-2018) and approval of Measure A, the City transferred the 12.0 firefighter positions hired in fiscal year 2018 to an approved Measure A obligation as to fulfill the goals set within the Measure A expenditure plan. In the fiscal year 2020 Proposed Budget, the City is establishing the city jail operations, currently embedded in the Police Department General Fund budget, as a new enterprise fund. This action, while not impacting service levels, will reduce the General Fund staffing count as 12.0 FTEs are being transferred from the General Fund to the new Enterprise Fund. Combined with the prior action of transferring the 12.0 firefighter positions from the General Fund to the Measure A Fund and the proposed hiring of 1.0 position to support fire inspections in fiscal year 2020, the General Fund public safety staffing will be reduced by a net of 23.0 FTEs from the fiscal year 2019 Adopted Budget. Overall for the General Fund, with the proposed addition of 6.0 new positions in fiscal year 2020, the General Fund staffing is projected to decrease by 18.0 FTE from the fiscal year 2019 Adopted Budget. As a result, the fiscal year 2020 Proposed Budget reflects a net decrease of 6.0 positions after the addition of 6.0 positions in other departments in fiscal year 2020 to support City operations. Measure A staffing information is provided within the Measure A section.

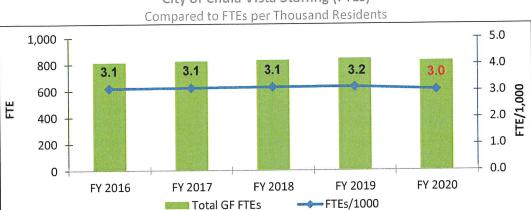

As shown on table, with the proposed General Fund staffing levels in fiscal year 2020, the City will have achieved a $\underline{1.4-2.9}$ percent increase in staffing since fiscal year 2016. This increase equates to the addition of $\underline{11.5}$ $\underline{23.5}$ FTEs being added to city services since fiscal year 2016, of which, $\underline{11.0}$ FTEs or 46.8 percent fall into the Public Safety staffing category

^{*}General Fund staffing peaked at 1,263.75 FTEs in 2007.

The City has continued efforts to increase staffing in recent years. The modest increases in staffing have <u>slightly lagged been consistent with</u> the City's population growth as projected by the California Department of Finance. Since 2016, staffing has increased by <u>1.4 2.9</u> percent while the City's population has increased by 3.1 percent. The<u>se similar</u> growth patterns are reflected in the following graph which provides the number of General Fund full-time employees (FTEs) per thousand residents. The FTE per capita figure has remained relatively unchanged since fiscal year 2016.

City of Chula Vista Staffing (FTEs)

SALARY ADJUSTMENTS

During the economic recession the City's bargaining groups worked with City management to reach agreements that reduced personnel costs in an effort to balance the budget. The adjustments to employee compensation included wage concessions and pension reform. As the economy began to gain positive momentum, the City granted salary increases to its employee bargaining groups. The fiscal year 2020 Proposed General Fund Budget for the Personnel Services expense category, which includes salaries and benefits, is \$132.9 million or 67.4 percent of the proposed budget.

The fiscal year 2020 Proposed General Fund Budget includes funding for the annualized costs of negotiated salary increases approved per the current Memoranda of Understanding (MOU) with each of the City's employee groups. The current MOUs between the City and the Association of Chula Vista Employees (ACE), Western Council of Engineers (WCE), Chula Vista Mid-Managers/Professional Association (MM/PROF), Unclassified Employees, and Chula Vista Police Officers' Association provide for a 2.0% salary increase in July 2019; and 2.0% salary increase for members of the International Association of Fire Fighters (IAFF) in January 2020. Fiscal year 2020 is the last year of current MOUs with all the City's bargaining groups. New agreements are anticipated to be negotiated during fiscal year 2020 for the beginning of fiscal year 2021.

RISING RETIREMENT COSTS

The increase in retirement costs driven by rising CalPERS contributions is a significant budgetary challenge facing the City. The payments estimated to be made to the retirement system equal approximately \$30.5 million or 15.5 percent
