Dear Commissioners,

This letter is to inform you that I must resign as a member of Chula Vista Commission on Aging effective immediately.

It has been my pleasure to serve on the Commission for the past couple of years. However, I feel I have no choice but to step down, due to my recent employment with the Institute for Public Strategies as their Senior Prevention Specialist. I'm working in the South Bay region addressing the prevention of underage drinking initiatives with the San Diego County Alcohol and Drug Services. This job takes up most of my day and I am no longer available to attend the meetings.

I hope to cross paths with you in the future, especially because one of my areas is working in the beautiful city of Chula Vista. I wish you only the best for the future, and regret any inconvenience my resignation may cause.

Sincerely,

Jovita Juarez
