9.80.020 State Law Registration Requirements and Individualized Conditions. Definitions.

~~Penal Code section 290 requires sex offenders to register their residency with local law enforcement agencies. In addition, sex offenders who are on parole or probation with the state or county are subject to further restrictions and conditions, including residency restrictions and GPS monitoring as determined on a case-by-case basis. In making case-by-case determinations, state law currently implements a “Containment Model” approach to sex offender management. The Containment Model involves collaboration among a team of professionals and the use of research-based, state-authorized risk assessment tools to evaluate the risk of sexual re-offense and assist in developing appropriate individualized parole or probation conditions. These practices may change subject to changes in state or local law. “Park” or “city park” means the land and easements owned or leased by the city of Chula Vista which, by ordinance, resolution, regulation or agreement, is dedicated to or operated by the city for purposes of sports and public recreation.~~

~~“Person” means a person who has committed a sexual offense against or involving a minor for which the person must register as a sex offender pursuant to Penal Code Section 290. (Ord. 3034, 2006).~~

9.80.030 Police Department Cooperation. ~~Residency restrictions — Schools and parks.~~
