Mayor Salas,

As a young member of the community who will be exercising her right to vote for the very first time in upcoming elections, climate change & moving towards sustainability are issues near & dear to my heart. I believe that accepting the feasibility study is the first step in ensuring Chula Vista's trajectory towards a fossil fuel-free future. Thank you for your ~~interest~~ interest & concern regarding climate change & I hope you ~~can~~ continue to lead this city towards sustainability

Respectfully,  
Mei Pérez

Dear Mayor Salas,

Thank you for your leadership in addressing the climate crisis in Chula Vista and moving our city forward to a 100% clean energy future. I urge you to support and accept the Feasibility Study of Community Choice Aggregation at the City Council meeting on July 23, 2016.

Anita Pegg

To Mayor Mary Salas,

Vote yes to accept the Feasibility Study!!!!

The 2017 Chula Vista Climate Action Plan commits to 100% Clean Energy by 2035 and our feasibility study has been completed! YEAH!

Becky Thimm

Dear Mayor Salas,

As a constituent, I am proud of your ongoing & important leadership in addressing the climate crisis in Chula Vista & your support of accepting the Feasibility Study of Community Choice Energy

Rich GUERRERO

Dear Mayor Salas,

Thank you for all your support of a more sustainable, locally profitable, and environmentally resilient Chula Vista!

You're the best. Keep at your bad self!

Dear Mayor Salas,

Thank you for accepting

the feasibility study of CCA

I appreciate your leadership,

you are the best,

Nora Vargas

Dear Mayor Salas,

Thank you so much for your leadership  
in accepting the CCA feasibility study.  
As a teacher & parent in Gula Vista, I  
appreciate your commitment to renewable  
energy & to the sustainability of our  
city.

Best regards,

Dear Councilmember McCann,

We are looking forward to a stronger, more resilient clean energy future for Chula Vista. We urge you to please vote yes to accept the CCA feasibility study.

Sincerely,  
Linda & Joe Newton

Think of  
the future!

Thank you for your ongoing & important leadership role in addressing the climate crisis in Chula Vista, especially moving our city to a 100% clean energy future by 2035.

You have already started by having solar panels on your house or your house & driving an electric car.

Please accept the feasibility study!  
Becky Thimm 

Dear Councilman McCann,

Thank you for your support thus far in making Chula Vista a ~~community~~ leader in climate action. I'm proud to live in a city ~~with~~ a conscious relationship with its energy consumption.

As a constituent, I urge you to vote "yes" to accepting the feasibility study — whose results demonstrated that CCE is not an ~~available~~ option, but one that prioritizes the local economy. Looking forward to a more resilient clean energy future herein Chula. Best,

Lucky Pentica

SWC BOARD PRESIDENT

Dear Jill Galvez,  
I'm not going to pretend I know  
much about CCA. (I only attended  
one meeting), but 100% clean  
energy sounds like a good idea  
to me. Please accept the

Feasibility Study of  
Community Choice Aggregation.  
Thank you.

-Natalie Relph

Jill - Please accept the  
Feasibility study - CCA

I look forward to the day  
I can ~~to~~ have the choice  
of clean energy —

Chuck Cole
