**Re: Millenia Elementary School Site**

To Mr. Steichen:

The purpose of this letter is to express the District's preference for the planned elementary school to be located in District 5 rather than District 9, where it was previously located. We believe this site to be superior due to its more central location and improved accessibility.

If you have any questions, please give our Facilities Planning Department a call at (619) 425-9600, Extension 1374.

Sincerely,

  
Carolyn Scholl
