

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
CHULA VISTA ADOPTING THE SMART CITIES
STRATEGIC ACTION PLAN

WHEREAS, Chula Vista has established itself as a leader in the growing “smart city” movement, earning recognition locally, nationally and internationally for its innovative approach to using technology to create a more efficient and effective government; and

WHEREAS, In an effort to clarify the city’s smart city vision and formalize a strategy going forward, staff worked with Madaffer Enterprises to develop the City of Chula Vista’s Smart City Strategic Action Plan that outlines the goals, objectives and initiatives that will help the City achieve its smart city vision; and

WHEREAS, The Smart City Strategic Action Plan was developed through a collaborative process across city departments and represents the collective vision of city leadership, department heads, and stakeholders in the community; and

WHEREAS, The Smart City Strategic Action Plan consists of four goals that are supported by ten objectives and thirty-six initiatives such as the development of a Citywide Telecommunications Master Plan and a Traffic Signal Communications Master Plan; and

WHEREAS, the Smart City Strategic Action Plan implementation will be led by the Smart Cities Working Group, consisting of the City Manager, department directors, Police and Fire, which has been established to help coordinate efforts citywide and facilitate information sharing; and

WHEREAS, the anticipated future benefits from full implementation of the Smart City Strategic Action Plan include increased efficiency of city operations, optimization of city resources, reliable broadband connectivity, enhanced public safety, and economic development growth.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Chula Vista, that it adopts the Smart Cities Strategic Action Plan, and directs staff to begin implementation and provide regular implementation updates and progress reports.
