

RESOLUTION NO. _____

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
CHULA VISTA WAIVING THE COMPETITIVE FORMAL BID
REQUIREMENT AND APPROVING AN AGREEMENT WITH
SECURUS TECHNOLOGIES, INC. TO SUPPORT AND
MAINTAIN EXISTING COMPUTER AIDED DISPATCH
SOFTWARE, HARDWARE, AND RELATED PRODUCTS

WHEREAS, the Chula Vista Police Department Communications Center uses a Computer Aided Dispatch (CAD) system to facilitate processing and prioritization of requests for public safety services, to deploy and manage public safety resources, and to facilitate electronic communications between the Communications Center and a variety of public safety personnel; and

WHEREAS, the CAD system is a critical technology component, which serves as the lynchpin of the 911 emergency service framework for the Police Department; and

WHEREAS, the Police Department has maintained an agreement with the CAD vendor since its implementation to provide ongoing licensing, maintenance, and support of the CAD system; and

WHEREAS, the former CAD vendor (Archonix Systems LLC) was acquired by Securus Technologies, Inc.; and

WHEREAS, a new software license, maintenance and support agreement is necessary for Securus Technologies, Inc.; and

WHEREAS, the agreement with Securus Technologies, Inc., is substantially similar to previous agreements providing similar services; and

WHEREAS, the Police Department is requesting to waive the formal bid requirement because CAD system technologies are proprietary in nature, and the ability to provide service and support of those technologies is exclusive to Securus Technologies, Inc.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Chula Vista that it waives the competitive formal bid requirement for this agreement and service provider.

BE IT FURTHER RESOLVED by the City Council of the City of Chula Vista that it approves an agreement with Securus Technologies, Inc. to support and maintain existing computer aided dispatch software, hardware, and related products, in the form presented, with such minor modifications as may be required or approved by the City Attorney, a copy of which shall be kept on file in the Office of the City Clerk, and authorizes and directs the City Manager or his designee to execute same.
