Whenever any Bond or Bonds shall be surrendered for transfer, the Authority shall execute and the Trustee shall authenticate and shall deliver a new Bond or Bonds of the same Series in a like aggregate principal amount, in any Authorized Denomination. The Trustee shall require the Bond Owner requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer.

The Bonds may be exchanged at the Office of the Trustee for a like aggregate principal amount of Bonds of the same Series of other authorized denominations. The Trustee shall require the payment by the Bond Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Trustee shall not be obligated to make any transfer or exchange of Bonds of a Series pursuant to this Section during the period established by the Trustee for the selection of Bonds of such Series for redemption, or with respect to any Bonds of such Series selected for redemption.

**Section 2.05 Registration Books.** The Trustee will keep or cause to be kept, at the Office of the Trustee, sufficient records for the registration and transfer of ownership of the Bonds, which shall be open to inspection during regular business hours and upon reasonable notice by the City; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on such records, the ownership of the Bonds as hereinbefore provided.

The Bonds shall then be delivered to the Trustee for authentication by it. **Section 2.07 Authentication of Bonds.** Only such of the Bonds as shall bear thereon a certificate of authentication substantially in the form as that set forth in Exhibit A hereto, manually executed by the Trustee, shall be valid or obligatory for any purpose or entitled to the benefits of this Indenture, and such certificate of or on behalf of the Trustee shall be conclusive evidence that the Bonds so authenticated have been duly executed, authenticated and delivered hereunder and are entitled to the benefits of this Indenture.

**Section 2.08 Temporary Bonds.** The Bonds of a Series may be issued in temporary form exchangeable for definitive Bonds of such Series when ready for delivery. Any temporary Bonds may be printed, lithographed or typewritten, shall be of such authorized denominations as may be determined by the Authority, shall be in fully registered form without coupons and may contain such reference to any of the provisions of this Indenture as may be appropriate. Every temporary Bond shall be executed by the Authority and authenticated by the Trustee upon the same conditions and in substantially the same manner as the definitive Bonds. If the Authority issues temporary Bonds of a Series it will execute and deliver definitive Bonds of such Series as promptly thereafter as practicable, and thereupon the temporary Bonds of such Series, may be surrendered, for cancellation, at the Office of the Trustee and the Trustee shall authenticate and deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of such Series in Authorized Denominations. **Section 2.09 Bonds Mutilated, Lost, Destroyed or Stolen.** If any Bond shall become mutilated, the Authority, at the expense of the Owner of said Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor and Series in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be canceled by it and delivered to, or in accordance with the order of, the Authority. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence and indemnity satisfactory to the Trustee shall be given, the Authority, at the expense of the Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor and Series in lieu of and in replacement for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been selected for redemption, instead of issuing a replacement Bond, the Trustee may pay the same without surrender thereof). The Authority may require payment by the Owner of a sum not exceeding the actual cost of preparing each replacement Bond issued under this Section and of the expenses which may be incurred by the Authority and the Trustee. Any Bond of a Series issued under the provisions of this Section in lieu of any Bond of such Series alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Authority whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be entitled to the benefits of this Indenture with all other Bonds of such Series secured by this Indenture.

**Section 2.10 Book-Entry Bonds.**

(a) Prior to the issuance of a Series of Bonds, the Authority may provide that such Series of Bonds shall initially be issued as Book-Entry Bonds and, in such event, the Bonds of such Series for each maturity shall be in the form of a separate single fully registered Bond (which may be typewritten). The 2017 Bonds shall initially be issued as Book-Entry Bonds.

Except as provided in subsection (c) of this Section, the registered Owner of all of the Book-Entry Bonds shall be Cede & Co., as nominee of DTC. Notwithstanding anything to the contrary contained in this Indenture, payment of interest with respect to any Book-Entry Bond registered as of each Record Date in the name of Cede & Co. shall be made by wire transfer of same-day funds to the account of Cede & Co. on the Interest Payment Date at the address indicated on the Record Date for Cede & Co. in the Registration Books or as otherwise provided in the Representation Letter.

(b) The Trustee and the Authority may treat DTC (or its nominee) as the sole and exclusive Owner of Book-Entry Bonds registered in its name for the purposes of payment of the principal, premium, if any, or interest with respect to Book-Entry Bonds, selecting Book-Entry Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Owners of Book-Entry Bonds under this Indenture, registering the transfer of Book-Entry Bonds, obtaining any consent or other action to be taken by Owners of Book-Entry Bonds and for all other purposes whatsoever, and neither the Trustee nor the Authority shall be affected by any notice to the contrary. Neither the Trustee nor the Authority shall have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in Book-Entry Bonds under or through DTC or any Participant, or any other person which is not shown on the Registration Books as being an Owner, with respect to the accuracy of any records maintained by DTC or any Participant, the payment by DTC or any Participant of any amount in respect of the principal, premium, if any, or interest with respect to Book-Entry Bonds, any notice which is permitted or required to be given to Owners of Book-Entry Bonds under this Indenture, the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of Book-Entry Bonds, or any consent given or other action taken by DTC as Owner of Book-Entry Bonds. The Trustee shall pay all principal, premium, if any and interest with respect to Book-Entry Bonds, only to DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Authority's obligations with respect to the principal, premium, if any, and interest with respect to the Book-Entry Bonds to the extent of the sum or sums so paid. Except under the conditions of subsection (c) of this Section, no person other than DTC shall receive an executed Book-Entry Bond for each separate stated maturity. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions herein with respect to record dates, the term "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

(c) In the event (i) DTC, including any successor as securities depository for a Series of Bonds, determines not to continue to act as securities depository for such Series of Bonds, or (ii) the Authority determines that the incumbent securities depository shall no longer so act, and delivers a written certificate to the Trustee to that effect, then the Authority will discontinue the book-entry system with the incumbent securities depository for such Series of Bonds. If the Authority determines to replace the incumbent securities depository for such Series of Bonds with another qualified securities depository, the Authority shall prepare or direct the preparation of a new single, separate fully registered Bond of such Series for the aggregate outstanding principal amount of Bonds of such Series of each maturity, registered in the name of such successor or substitute qualified securities depository, or its nominee, or make such other arrangement acceptable to the Authority, the Trustee and the successor securities depository for the Bonds of such Series as are not inconsistent with the terms of this Indenture. If the Authority fails to identify another qualified successor securities depository for such Series of Bonds to replace the incumbent securities depository, then the Bonds of such Series shall no longer be restricted to being registered in the Registration Books in the name of the incumbent securities depository or its nominee, but shall be

registered in whatever name or names the incumbent securities depository for such Series of Bonds, or its nominee, shall designate. In such event the Authority shall execute, and deliver to the Trustee, a sufficient quantity of Bonds of such Series to carry out the transfers and exchanges provided in Sections 2.04, 2.08 and 2.09 hereof. All such Bonds of such Series shall be in fully registered form in Authorized Denominations.

(d) Notwithstanding any other provision of this Indenture to the contrary, so long as any Book-Entry Bond is registered in the name of DTC, or its nominee, all payments with respect to the principal, premium, if any, and interest with respect to such Book-Entry Bond and all notices with respect to such Book-Entry Bond shall be made and given, respectively, as provided in the Representation Letter.

(e) In connection with any notice or other communication to be provided to Owners of Book-Entry Bonds pursuant to this Indenture by the Authority, the City or the Trustee with respect to any consent or other action to be taken by Owners, the Authority, the City or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than 15 calendar days in advance of such record date to the extent possible.

Each such Written Request of the Authority shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts. Nothing contained herein shall limit the issuance of any bonds or other obligations payable from Base Rental Payments if, after the issuance and delivery of such certificates or other obligations, none of the Bonds theretofore issued hereunder will be Outstanding.

**Section 3.05 Procedure for the Issuance of Additional Bonds.** At any time after the sale of any Additional Bonds in accordance with the Act, such Additional Bonds shall be executed by the Authority for issuance hereunder and shall be delivered to the Trustee and thereupon shall be authenticated and delivered by the Trustee, but only upon receipt by the Trustee of the following:

(d) a Written Certificate of the Authority that the requirements of Section 3.04 hereof have been met;

(e) a Written Certificate of the City that the requirements of Section 3.04 hereof and Sections 5.01 and 5.02 of the Lease Agreement have been met, and a Written Certificate of the City as to the fair rental value of the Leased Property, after giving effect to the execution and delivery of the Additional Bonds, and to the use of proceeds received therefrom; and

The excess funds, if any, resulting from the Authority paying a price less than par for such Bonds shall be transferred to Interest Accounts. In the event the Authority shall avail itself of the provisions of clause (A) of the first sentence of this paragraph, the certificate required by the first sentence of this paragraph shall be accompanied by the Bonds or portions thereof to be cancelled. As used in this Indenture mandatory sinking fund redemption date includes a Term Bond Maturity Date.

(iii) Amounts on deposit in the Principal Payment Accounts which were deposited as a result of a prepayment under the Lease Agreement shall be held or expended in accordance with subsection (b) of this Section 4.01.

(e) Extraordinary Mandatory Redemption. The Series 2017A Bonds are subject to extraordinary mandatory redemption, in whole or in part, within 90 days following the third anniversary of the Closing Date of the Series 2017A Bonds, or 90 days following the date of termination of any period of time negotiated with the IRS that extends the date by which the proceeds of the sale of the Series 2017A Bonds must be expended, as evidenced in writing from the IRS, in authorized denominations, at a redemption price equal to the principal amount of the Series 2017A Bonds called for redemption, in an amount equal to the unexpended proceeds of the sale of the Series 2017A Bonds held by the Authority, but only to the extent that the Authority fails to expend all of the proceeds of the Series 2017A Bonds for certain qualified purposes as required by Section 54A(d)(2)(B)(i) of the Code within three years of issuance thereof.

(f) Rescheduling of Mandatory Sinking Fund Redemptions Following Each Redemption. Whenever Bonds subject to mandatory sinking fund redemption pursuant to subsection (d) of this Section 4.01 are redeemed pursuant to subsections (a), (b) or (c) of this Section 4.01, the following adjustments shall be made to the mandatory sinking fund redemptions of such Bonds of subsection (d) of this Section 4.01, effective as of the date of the related redemption: The total amount of all sinking fund redemptions of such Bonds shall be reduced by the aggregate principal amount of Bonds so redeemed, to be allocated among the applicable maturities and sinking fund

requirements in accordance with the redeemed principal amounts, all in accordance with directions to be delivered to the Trustee pursuant to subsection (g) of this Section 4.01.

(g) Redemption Instructions. The Authority shall cause to be prepared and delivered to the Trustee no later than 10 Business Days before the date on which notice of each redemption of Bonds hereunder is required to be mailed by the Trustee (other than an extraordinary redemption pursuant to Section 4.01(a) or a mandatory sinking fund redemption pursuant to Section 4.01(d) hereof) a Written Certificate containing redemption instructions with respect to such redemption which shall set forth (i) the principal amount of Bonds of each maturity to be redeemed pursuant to the terms of this Indenture, (ii) the information necessary to make the adjustments to the mandatory sinking fund payments required by subsection (f) of this Section 4.01 by identifying which maturity of Bonds, and which mandatory sinking fund payment within such maturity, will be reduced as a result of the mandatory redemption and the amount of any such reduction, and (iii) a Certificate which takes into account such redemption, its related effect on scheduled Base Rental Payments under the Lease Agreement and stating that the remaining Base Rental Payments will be sufficient to pay the principal of and interest on the remaining Outstanding Bonds.

**Section 4.02 Notice of Redemption.** The Trustee on behalf and at the expense of the Authority shall mail (by first class mail) notice of any redemption to the respective Owners of any Bonds designated for redemption at their respective addresses appearing on the Registration Books, and to the Securities Depositories and to one or more Information Services, at least 30 but not more than 60 days prior to the date fixed for redemption; provided, however, so long as all the Bonds of a Series are Book-Entry Bonds, such notice shall be provided to DTC and its nominee in the manner provided by DTC in its procedures. Such notice shall state the date of the notice, the redemption date, the redemption place and the Redemption Price and shall designate the CUSIP numbers, the Bond numbers and the maturity or maturities (except in the event of redemption of all of the Bonds of such maturity or maturities in whole) of the Bonds to be redeemed, and shall require that such Bonds be then surrendered at the Office of the Trustee for redemption at the Redemption Price, giving notice also that further interest on such Bonds will not accrue from and after the date fixed for redemption. Such notice of redemption may also state that no representation is made as to the accuracy or correctness of the CUSIP numbers printed therein or on the Bonds. Neither the failure to receive any notice so mailed or given, nor any defect in such notice, shall affect the validity of the proceedings for the redemption of the Bonds or the cessation of accrual of interest thereon from and after the date fixed for redemption.

For any Bonds subject to optional redemption, the notice may state that such optional redemption shall be conditioned upon the receipt by the Trustee, on or prior to the date fixed for such redemption, of moneys sufficient to pay the principal of, premium if any, and interest on the Bonds to be redeemed and upon other conditions set forth therein and that, if such money shall not have been so received and such other conditions shall not have been satisfied, said notice shall be of no force and effect and the Trustee shall not be required to redeem such Bonds. If any condition stated in the redemption notice for an optional redemption shall not have been satisfied on or prior to the redemption date: (i) the redemption notice shall be of no force and effect, (ii) the Authority shall not be required to redeem such Bonds, (iii) the redemption shall not be made, and (iv) the Trustee shall within a reasonable time thereafter, give notice to the persons in the manner in which the conditional redemption notice was given that such condition or conditions were not met and that the redemption was canceled. None of the Authority, the City or the Trustee shall have any liability to the Owners or any other party related to or arising from a cancellation of an optional redemption.

**Section 4.03 Selection of Bonds for Redemption.** Whenever provision is made in this Indenture for the redemption of less than all of the Bonds, the Trustee shall select the Bonds to be redeemed from all Bonds not previously called for redemption (a) with respect to any redemption of Bonds of a Series pursuant to Section 4.01(b),(c) and (e), among maturities of Bonds of such Series as directed in a Written Certificate of the Authority, (b) with respect to any redemption pursuant to Section 4.01(a) hereof and the corresponding provision of any Supplemental Indenture pursuant to which Additional Bonds are issued, among maturities of all Series of Bonds on a pro rata basis as nearly as practicable, and (c) with respect to any other redemption of Additional Bonds, among maturities as provided in the Supplemental Indenture pursuant to which such Additional Bonds are issued, and by lot among Bonds of the same Series with the same maturity in any manner which the Trustee in its sole discretion shall deem appropriate and fair. For purposes of such selection, all Bonds shall be deemed to be comprised of separate \$5,000 denominations and such separate denominations shall be treated as separate Bonds which may be separately redeemed.

**Section 4.04 Partial Redemption of Bonds.** Upon surrender of any Bonds redeemed in part only, the Authority shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the Authority, a new Bond or Bonds of the same Series in authorized denominations equal in aggregate principal amount representing the unredeemed portion of the Bonds surrendered.

**Section 4.05 Effect of Notice of Redemption.** Notice having been given in accordance with Section 4.02, and moneys for the Redemption Price, and the interest to the applicable date fixed for redemption, having been set aside in the Redemption Fund, the Bonds shall become due and payable on said date, and, upon presentation and surrender thereof at the Office of the Trustee, said Bonds shall be paid at the Redemption Price thereof, together with interest accrued and unpaid to said date.

If, on said date fixed for redemption, moneys for the Redemption Price of all the Bonds to be redeemed, together with interest to said date, shall be held by the Trustee so as to be available therefor on such date, and, if notice of redemption thereof shall have been sent as aforesaid and not canceled, then, from and after said date, interest on said Bonds shall cease to accrue and become payable. All moneys held by or on behalf of the Trustee for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed without liability to such Owners for interest thereon.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions hereof shall be canceled upon surrender thereof and destroyed.

### SECURITY FOR BONDS; FLOW OF FUNDS; INVESTMENTS

**Section 5.01 Pledge; Special Obligations.** Subject only to the provisions of this Indenture permitting the application thereof for the purposes and on the terms and conditions set forth herein, all of the Base Rental Payments and any other amounts (including proceeds of the sale of the Bonds and investment earnings) held in the Base Rental Payment Fund, the Interest Fund, the Principal Fund and the Redemption Fund are hereby pledged to secure the payment of the principal of, premium, if any, and interest on the Bonds in accordance with their terms, the provisions of this Indenture and the Act. Said pledge shall constitute a first lien on such assets.

All obligations of the Authority under this Indenture shall be special obligations of the Authority, payable solely from Rental Payments and the other assets pledged therefor hereunder; provided, however, that all obligations of the Authority under the Bonds shall be special obligations of the Authority, payable solely from Base Rental Payments and the other amounts pledged therefor hereunder. Neither the faith and credit nor any taxing power of the Authority, the City or the State of California, or any political subdivision thereof, is pledged to the payment of the Bonds.

### **Section 5.02 Flow of Funds.**

(a) The Trustee shall establish and maintain separate funds designated the “Base Rental Payment Fund,” the “Interest Fund,” the “Principal Fund” and the “Redemption Fund” and within each of such funds shall establish a Series 2017A Account and a Series 2017B Account. If Additional Bonds are issued, the Trustee shall establish accounts within each fund for each Series of Additional Bonds.

All Base Rental Payments shall be paid directly by the City to the Trustee, and if received by the Authority at any time shall be transferred by the Authority with the Trustee within one Business Day after the receipt thereof. All Base Rental Payments received by the Trustee shall be deposited by the Trustee in the Base Rental Payment Fund. All Subsidy Payments received by the Trustee shall be deposited in the Series 2017B Account of the Interest Fund.

(b) The Trustee shall transfer the amounts on deposit in the Base Rental Payment Fund, at the times and in the manner hereinafter provided, to the following respective funds:

(1) Interest Fund. On the Business Day immediately preceding each Interest Payment Date, the Trustee shall transfer from the Base Rental Payment Fund to the Interest Fund and each Account therein, the amount, if any, necessary to cause the amount on deposit in each Account to be equal to the interest due on the Series of Bonds for which such Account was created on such Interest Payment Date. Moneys in each Account of the Interest Fund shall be used by the Trustee to pay interest due on the Series of Bonds for which such Account was created on each Interest Payment Date.

(2) Principal Fund. On the Business Day immediately preceding each December 1, commencing December 1, 2018, the Trustee shall transfer from the Base Rental Payment Fund to the Principal Fund and each Account therein, the amount, if any, necessary to cause the amount on deposit in each Account to be equal to the principal amount due on such December 1 on the Series of Bonds for which such Account was created either as a result of the maturity thereof or mandatory sinking fund redemption payments required to be made with respect thereto. Moneys in each Account of the Principal Fund shall be used by the Trustee for the purpose of paying the principal due on the Series of Bonds for which such Account was created at their maturity dates or upon earlier mandatory sinking fund redemption.

(3) Redemption Fund. The Trustee, on the redemption date specified in the Written Request of the City filed with the Trustee at the time that any prepaid Base Rental Payment is paid to the Trustee pursuant to the Lease Agreement, shall deposit in the Account or Accounts of the Redemption Fund that amount of moneys representing the portion of the Base Rental Payments designated as prepaid Base Rental Payments to be applied to the redemption of one or more Series of the Bonds. Additionally, the Trustee shall deposit in each Account of the Redemption Fund any amounts required to be deposited therein pursuant to Section 5.03 or Section 5.04 hereof.

Moneys in the Redemption Fund shall be used by the Trustee for the purpose of paying the principal of and interest and premium, if any, on 2017 Bonds redeemed pursuant to the provisions of Section 4.01 hereof, other than Section 4.01(d), and Additional Bonds redeemed pursuant to the provisions of the Supplemental Indenture, other than a mandatory sinking fund redemption, pursuant to which such Additional Bonds are issued.

**Section 5.03 Application of Net Proceeds and Rental Interruption Insurance.** If the Leased Property or any portion thereof shall be damaged or destroyed, subject to the further requirements of this Section, the City shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted the repair or replacement thereof, unless the City elects not to repair or replace the Leased Property or the affected portion thereof in accordance with the provisions hereof.

The Net Proceeds, including the proceeds of any self-insurance, received on account of any damage or destruction of the Leased Property or a portion thereof shall as soon as possible be deposited with the Trustee and be held by the Trustee in the "Net Proceeds Fund" which the Trustee shall establish upon receipt of any Net Proceeds and made available for and, to the extent necessary, shall be applied to the cost of repair or replacement of the Leased Property or the affected portion thereof upon receipt of a Written Request of the City, together with invoices therefor. Pending such application, such proceeds may be invested by the Trustee as directed by the City in Permitted Investments that mature not later than such times moneys are expected to be needed to pay such costs of repair or replacement.

Notwithstanding the foregoing, the City shall, within 60 days of the occurrence of the event of damage or destruction, notify the Trustee in writing as to whether the City intends to replace or repair the Leased Property or the portions of the Leased Property which were damaged or destroyed. If the City does intend to replace or repair the Leased Property or portions thereof, the City shall deposit with the Trustee the full amount of any insurance deductible to be credited to the special account.

In the event of any damage to or destruction of the Leased Property caused by one of the perils covered by the insurance required by Section 5.01(c) of the Lease Agreement which would result in an abatement of rental payments or any portion thereof pursuant to Section 3.06 thereof, then the City shall direct the Trustee, in writing, to apply the Net Proceeds, together with other legally available funds that the City elects to contribute, to the repair, reconstruction or replacement of the damaged or destroyed portions of the Leased Property; provided, however, that the City shall not be required to repair or replace any portion of the Leased Property pursuant to this Section 5.03 if such Net Proceeds, together with any other amounts held under this Indenture and any other legally available funds made available by the City at its election, are sufficient to redeem (i) all of the Outstanding Bonds, or (ii) a portion of the Outstanding Bonds under Section 4.01(a) such that, as set forth in a Written Certificate of the City, the resulting Base Rental Payments in any Rental Period following such partial redemption are sufficient to pay in such Rental Period the principal of and interest on all Bonds to remain Outstanding immediately after such partial redemption. If the City is not required to repair or replace the Leased Property, or the affected portion thereof, pursuant to the foregoing and elects to effect a redemption of Outstanding Bonds, in a Written Certificate of the City it shall state the amount to be applied to redeem Outstanding Bonds and the redemption date and such amount shall be transferred to the Redemption Fund. If the City is not required to replace or repair the Leased Property, or the affected portion thereof, or to use such amounts to redeem Bonds, in each case as set forth in this Section 5.03, then such proceeds, or the portion thereof remaining

after the application pursuant to the foregoing, shall be paid to the City to be used for any lawful purpose, if there is first delivered to the Trustee a Written Certificate of the City to the effect that the annual fair rental value of the Leased Property after such damage or destruction, and after any repairs or replacements made as a result of such damage or destruction, is at least equal to 100% of the maximum amount of Base Rental Payments becoming due under the Lease Agreement in the then current Rental Period or any subsequent Rental Period and the fair replacement value of the Leased Property after such damage or destruction is at least equal to the principal amount of the Outstanding Bonds.

Proceeds of rental interruption insurance shall be deposited to the Base Rental Payment Fund and be applied to the payment of the principal and interest due on the Bonds to the extent of any abatement of Base Rental Payments pursuant to the Lease Agreement, and otherwise as directed in writing by the City.

The proceeds of any award in eminent domain received in respect of the Leased Property shall be deposited by the Trustee in the Redemption Fund and applied to the redemption of Bonds pursuant to subsection (a) of Section 4.01 hereof and the corresponding provisions of any Supplemental Indenture pursuant to which Additional Bonds are issued.

**Section 5.04 Title Insurance.** Net Proceeds of any policy of title insurance received by the Trustee in respect of the Leased Property shall be applied and disbursed by the Trustee as follows:

(a) if the City determines that the title defect giving rise to such Net Proceeds has not substantially interfered with its use and occupancy of the Leased Property and will not result in an abatement of Rental Payments payable by the City under the Lease Agreement, upon written direction of the City such proceeds shall be remitted to the City and used for any lawful purpose thereof; or

(b) if the City determines that the title defect giving rise to such Net Proceeds has substantially interfered with its use and occupancy of the Leased Property and will result in an abatement of Rental Payments payable by the City under the Lease Agreement, then upon written direction of the City the Trustee shall deposit such proceeds in the Redemption Fund and such proceeds shall be applied to the redemption of Bonds in the manner provided in subsection (a) of Section 4.01 hereof and the corresponding provisions of any Supplemental Indenture pursuant to which Additional Bonds are issued.

**Section 5.05 Acquisition and Construction Fund.** The Trustee shall establish and maintain a separate fund designated the "Acquisition and Construction Fund" and shall establish a Series 2017A Account and a Series 2017B Account therein. On the Closing Date there shall be deposited in each Account of the Acquisition and Construction Fund the amounts specified in Section 3.02(b) hereof. The moneys in the Acquisition and Construction Fund shall be used and withdrawn by the Trustee from time to time to pay the Project Costs; provided, however, all amounts in the Series 2017A Account shall be expended before any amounts are disbursed from the Series 2017B Account. Funds shall be disbursed in accordance with the foregoing upon submission of a Written Request of the City stating (i) the payee to whom payment is to be made, (ii) the amount to be paid and the Account within the Acquisition and Construction Fund from which it is to be paid, (iii) the purpose for which the obligation was incurred, (iv) that such payment constitutes a proper charge against the Acquisition and Construction Fund, and (v) that such amounts have not been the

subject of a prior disbursement from the Acquisition and Construction Fund, in each case together with a statement or invoice for each amount requested thereunder. The Trustee shall rely conclusively on such Written Request of the City and shall have no duty to investigate or verify any statements made therein.

Upon the later of the third anniversary of the Closing Date of the Series 2017A Bonds, or the date of termination of any period of time negotiated with the IRS that extends the date by which the proceeds of the sale of the Series 2017A Bonds must be expended, as evidenced in writing from the IRS, all amounts in the Series 2017A Bonds Account of the Acquisition and Construction Fund shall be transferred to the Redemption Fund and be applied to the redemption of Series 2017A Bonds pursuant to Section 4.01(e) hereof.

Upon the filing of a Written Certificate of the City stating that the Project has been completed and all costs relating to the Project have been paid, the Trustee shall transfer the amount, if any, remaining in the Acquisition and Construction Fund to the Base Rental Payment Fund to be used for the purposes thereof and the Acquisition and Construction Fund shall be closed.

#### **Section 5.06 Rebate Fund.**

(a) The Trustee shall establish and maintain a special fund designated the “Rebate Fund” and shall establish a Series 2017A Account and a Series 2017B Account therein. There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Tax Certificates, as specified in a Written Request of the Authority. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust, to the extent required to satisfy the Rebate Requirement, for payment to the United States of America. Notwithstanding defeasance of a Series the Bonds pursuant to Article X hereof or anything to the contrary contained herein, all amounts required to be deposited into or on deposit in the Rebate Fund for such Series shall be governed exclusively by this Section and by the Tax Certificate for such Series (which is incorporated herein by reference). The Trustee shall be deemed conclusively to have complied with such provisions if it follows the written directions of the Authority, and shall have no liability or responsibility to enforce compliance by the Authority with the terms of the Tax Certificates. The Trustee may conclusively rely upon the Authority’s determinations, calculations and certifications required by the Tax Certificates. The Trustee shall have no responsibility to independently make any calculation or determination or to review the Authority’s calculations.

(b) Any funds remaining in the Account of the Rebate Fund for a Series of Bonds after payment in full of all of the Bonds of such Series and after payment of any amounts described in this Section, shall be withdrawn by the Trustee and remitted to the Authority.

**Section 5.07 Investment of Moneys.** Except as otherwise provided herein, all moneys in any of the funds or accounts established pursuant to this Indenture and held by the Trustee shall be invested by the Trustee solely in Permitted Investments, as directed in writing by the Authority. Moneys in all funds and accounts held by the Trustee shall be invested in Permitted Investments maturing not later than the date on which it is estimated that such moneys will be required for the purposes specified in this Indenture. Absent timely written direction from the Authority, the Trustee shall hold any funds held by it in Permitted Investments of the type described in paragraph (7) of such definition.

All interest, profits and other income received from the investment of moneys in any fund or account established pursuant to this Indenture shall be retained in such fund or account.

Permitted Investments acquired as an investment of moneys in any fund established under this Indenture shall be credited to such fund. For the purpose of determining the amount in any fund, all Permitted Investments credited to such fund shall be valued by the Trustee at the fair market value thereof, such valuation to be performed not less frequently than semiannually on or before each April 15 and October 15. In determining fair market value, the Trustee may use and rely conclusively on any generally recognized securities pricing service available to it (including brokers and dealers in securities).

The Trustee may act as principal or agent in the making or disposing of any investment. Upon the Written Request of the Authority, the Trustee shall sell or present for redemption any Permitted Investments so purchased whenever it shall be necessary to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund to which such Permitted Investments is credited, and the Trustee shall not be liable or responsible for any loss resulting from any investment made or sold pursuant to this Section. For purposes of investment, the Trustee may commingle moneys in any of the funds and accounts established hereunder.

The Trustee may make any investments hereunder through the bond or investment department or trust investment department of the entity acting as Trustee hereunder, or those of such entity's parent or any affiliate, and such entity, or its parent or affiliate, as applicable, shall be entitled to its normal, customary and reasonable compensation for such services.

The Trustee, or any of its affiliates, may act as sponsor, advisor or manager in connection with any investments made by the Trustee hereunder and such entity, or its affiliate, as applicable, shall be entitled to its normal, customary and reasonable compensation for such services.

The Authority and the City acknowledge that, to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Authority and the City the right to receive brokerage confirmations of security transactions as they occur, at no additional cost, the Authority and the City specifically waive receipt of such confirmations to the extent permitted by law.

## ARTICLE VI

### COVENANTS

**Section 6.01 Compliance with Agreements.** The Trustee will not authenticate or deliver any Bonds in any manner other than in accordance with the provisions hereof, and the Authority and the City will not suffer or permit any default by them to occur hereunder, but will faithfully comply with, keep, observe and perform all the agreements, conditions, covenants and terms hereof required to be complied with, kept, observed and performed by them.

**Section 6.02 Compliance with Site Lease and Lease Agreement.** The Authority and the City will faithfully comply with, keep, observe and perform all the agreements, conditions, covenants and terms contained in the Site Lease and the Lease Agreement required to be complied with, kept, observed and performed by them and, together with the Trustee, will enforce the Site Lease and the Lease Agreement against the other party thereto in accordance with their respective terms.

**Section 6.03 Observance of Laws and Regulations.** The Authority, the City and the Trustee will faithfully comply with, keep, observe and perform all valid and lawful obligations or regulations now or hereafter imposed on them by contract, or prescribed by any law of the United States of America or of the State of California, or by any officer, board or commission having jurisdiction or control, as a condition of the continued enjoyment of each and every franchise, right or privilege now owned or hereafter acquired by them, including their right to exist and carry on their respective businesses, to the end that such franchises, rights and privileges shall be maintained and preserved and shall not become abandoned, forfeited or in any manner impaired.

**Section 6.04 Other Liens.** The City will keep the Leased Property and all parts thereof free from judgments and materialmen's and mechanics' liens and free from all claims, demands, encumbrances and, except as to Permitted Encumbrances, other liens of whatever nature or character, other than as expressly permitted by the Lease Agreement, and free from any claim or liability which materially impairs the City in conducting its business or utilizing the Leased Property, and the Trustee at its option (after first giving the City ten days' written notice to comply therewith and failure of the City to so comply within such ten-day period) may, but is in no event obligated to, defend against any and all actions or proceedings, or may pay or compromise any claim or demand asserted in any such actions or proceedings; provided, however, that, in defending against any such actions or proceedings or in paying or compromising any such claims or demands, the Trustee shall not in any event be deemed to have waived or released the City from liability for or on account of any of its agreements and covenants contained herein, or from its liability hereunder and to perform such agreements and covenants.

So long as any Bonds are Outstanding, none of the Trustee, the Authority or the City shall create or suffer to be created any pledge of or lien the amounts on deposit in any of the funds or accounts created hereunder, other than the pledge and lien hereof.

The Authority, the City and the Trustee shall not encumber the Leased Property other than in accordance with the Site Lease, the Lease Agreement, the Indenture and the Assignment Agreement.

**Section 6.05 Prosecution and Defense of Suits.** The City will promptly, upon request of the Trustee (which request the Trustee is not required to make), take such action from time to time as may be necessary or proper to remedy or cure any cloud upon or defect in the title to the Leased Property or any part thereof, whether now existing or hereafter developing, will prosecute all actions, suits or other proceedings as may be appropriate for such purpose and will indemnify and save the Trustee harmless from all cost, damage, expense or loss, including attorneys' fees and expenses, which it or the Owners may incur by reason of any such cloud, defect, action, suit or other proceeding.

**Section 6.06 Accounting Records and Statements.** The Trustee will keep proper accounting records in which complete and correct entries shall be made of all transactions made by the Trustee relating to the receipt, deposit and disbursement of the Base Rental Payments, and such accounting records shall be available for inspection by the Authority and the City at reasonable hours and under reasonable conditions upon reasonable prior notice.

**Section 6.07 Recordation and Filing.** The City will record, or cause to be recorded, with the San Diego County Recorder, the Lease Agreement, the Site Lease and the Assignment Agreement, or memoranda thereof.

**Section 6.08 Tax Covenants.**

(a) Neither the Authority nor the City will take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of interest on any tax-exempt Bonds under Section 103 of the Code, or would cause the Series 2017A Bonds not to be New Clean Renewable Energy Bonds under Section 54C of the Code or Specified Tax Credit Bonds under Section 6431(f)(3) of the Code. Without limiting the generality of the foregoing, the Authority and the City will comply with the requirements of the Tax Certificates, which are incorporated herein as if fully set forth herein. This covenant as it applies to a Series of Bonds shall survive payment in full or defeasance of such Series of the Bonds.

(b) In the event that at any time the Authority is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any moneys held by the Trustee in any of the funds or accounts established hereunder, the Authority shall so instruct the Trustee in writing, and the Trustee shall take such action as may be necessary in accordance with such instructions.

(c) Notwithstanding any provisions of this Section, if the Authority shall provide to the Trustee an Opinion of Counsel to the effect that any specified action required under this Section is no longer required or that some further or different action is required (i) to maintain the exclusion from federal income tax of interest on any Bonds issued as tax-exempt Bonds under Section 103 of the Code, or (ii) in order for the Series 2017A Bonds to be New Clean Renewable Energy Bonds under Section 54C of the Code and Specified Tax Credit Bonds under Section 6431(f)(3) of the Code, the Trustee may conclusively rely on such opinion in complying with the requirements of this Section and the Tax Certificates, and the covenants hereunder shall be deemed to be modified to that extent.

**Section 6.09 Continuing Disclosure.** The City will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Indenture, failure of the City to comply with the Continuing Disclosure Agreement shall not constitute an event of default hereunder; provided, however, that the Trustee may (and, at the written direction of any Participating Underwriter or the holders of at least 25% of the aggregate principal amount of Outstanding 2017 Bonds, and upon being indemnified to its reasonable satisfaction therefor, shall) or any holder or Beneficial Owner of the 2017 Bonds may take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

**Section 6.10 Further Assurances.** Whenever and so often as requested to do so by the Trustee, the Authority and the City will promptly execute and deliver or cause to be executed and delivered all such other and further assurances, documents or instruments and promptly do or cause to be done all such other and further things as may be necessary or reasonably required in order to further and more fully vest in the Trustee all advantages, benefits, interests, powers, privileges and rights conferred or intended to be conferred upon it hereby or by the Assignment Agreement, the Site Lease or the Lease Agreement.

## ARTICLE VII

### DEFAULT AND LIMITATIONS OF LIABILITY

**Section 7.01 Action on Default.** If an event of default (within the meaning of Article VI of the Lease Agreement) shall happen, then such event of default shall constitute an event of default hereunder. The Trustee shall give notice, as assignee of the Authority, of an event of default under the Lease Agreement to the City. In each and every case during the continuance of an event of default, the Trustee may, and upon being indemnified to its reasonable satisfaction therefor, shall, upon notice in writing to the City and the Authority, exercise any of the remedies granted to the Authority under the Lease Agreement and, in addition, take whatever action at law or in equity may appear necessary or desirable to enforce its rights as assignee pursuant to the Assignment Agreement or to protect and enforce any of the rights vested in the Trustee or the Owners by this Indenture or by the Bonds, either at law or in equity or in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement or for the enforcement of any other legal or equitable right, including any one or more of the remedies set forth in Section 7.02 hereof.

**Section 7.02 Other Remedies of the Trustee.** Subject to the provisions of Section 7.01 hereof, the Trustee shall have the right:

(a) by mandamus or other action or proceeding or suit at law or in equity to enforce its rights against the Authority or the City or any member, director, officer or employee thereof, and to compel the Authority or the City or any such member, director, officer or employee to perform or carry out its or his or her duties under law and the agreements and covenants required to be performed by it or him or her contained herein;

(b) by suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Trustee; or

(c) by suit in equity upon the happening of any event of default hereunder to require the Authority and the City to account as the trustee of an express trust.

Nothing herein shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Owner any plan of reorganization, arrangement, adjustment or composition affecting the Bonds or the rights of any Owner thereof, or to authorize the Trustee to vote in respect of the claim of any Owner in any such proceeding without the approval of the Owners so affected.

**Section 7.03 Non-Waiver.** A waiver of any default or breach of duty or contract by the Trustee shall not affect any subsequent default or breach of duty or contract or impair any rights or remedies on any such subsequent default or breach of duty or contract. No delay or omission by the Trustee to exercise any right or remedy accruing upon any default or breach of duty or contract shall impair any such right or remedy or shall be construed to be a waiver of any such default or breach of duty or contract or an acquiescence therein, and every right or remedy conferred upon the Trustee by law or by this Article may be enforced and exercised from time to time and as often the Trustee shall deem expedient.

If any action, proceeding or suit to enforce any right or to exercise any remedy is abandoned or determined adversely to the Trustee or any Owner, then subject to any adverse determination, the

Trustee, such Owner, the Authority and the City shall be restored to their former positions, rights and remedies as if such action, proceeding or suit had not been brought or taken.

**Section 7.04 Remedies Not Exclusive.** Subject to the provisions of Section 7.01 hereof, no remedy herein conferred upon or reserved to the Trustee is intended to be exclusive of any other remedy, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing in law or in equity or by statute or otherwise and may be exercised without exhausting and without regard to any other remedy conferred by any law. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

**Section 7.05 No Liability by the Authority to the Owners.** Except as expressly provided herein, the Authority shall not have any obligation or liability to the Owners with respect to the payment when due of the Base Rental Payments by the City, or with respect to the performance by the City of the other agreements and covenants required to be performed by it contained in the Lease Agreement or herein, or with respect to the performance by the Trustee of any right or obligation required to be performed by it contained herein.

**Section 7.06 No Liability by the City to the Owners.** Except for the payment when due of the Base Rental Payments and the performance of the other agreements and covenants required to be performed by it contained in the Lease Agreement, the Site Lease or herein, the City shall not have any obligation or liability to the Owners with respect to the Trust Indenture or the preparation, execution, delivery or transfer of the Bonds or the disbursement of the Base Rental Payments by the Trustee to the Owners, or with respect to the performance by the Trustee of any right or obligation required to be performed by it contained herein.

**Section 7.07 No Liability of the Trustee to the Owners.** Except as expressly provided herein, the Trustee shall not have any obligation or liability to the Owners with respect to the payment when due of the Base Rental Payments by the City, or with respect to the performance by the Authority or the City of the other agreements and covenants required to be performed by them contained in the Lease Agreement, the Site Lease or herein.

**Section 7.08 Application of Amounts After Default.** All payments received by the Trustee with respect to the rental of the Leased Property after a default by the City pursuant to Article VI of the Lease Agreement (including, without limitation, any proceeds received in connection with the sale, assignment or sublease of the Authority's right, title and interest in the Site Lease), and all damages or other payments received by the Trustee for the enforcement of any rights and powers of the Trustee under Article VI of the Lease Agreement, shall be deposited into the Base Rental Payment Fund and as soon as practicable thereafter applied, together with all other funds held hereunder (except funds in the Rebate Fund) in the following order of priority:

- (a) to the payment of all amounts due the Trustee under Article VIII hereof;
- (b) to the payment of all amounts then due for interest on the Bonds, in respect of which, or for the benefit of which, money has been collected (other than Bonds which have become payable prior to such event of default and money for the payment of which is held by the Trustee), ratably without preference or priority of any kind, according to the amounts of interest on such Bonds due and payable; and

(c) to the payment of all amounts then due for principal of the Bonds, in respect of which, or for the benefit of which, money has been collected (other than Bonds which have become payable prior to such event of default and money for the payment of which is held by the Trustee), ratably without preference or priority of any kind, according to the amounts of principal of such Bonds due and payable.

**Section 7.09 Trustee May Enforce Claims Without Possession of Bonds.** All rights of action and claims under this Indenture or the Bonds may be prosecuted and enforced by the Trustee without the possession of any of the Bonds or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Owners in respect of which such judgment has been recovered.

**Section 7.10 Limitation on Suits.** No Owner of any Bond shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or Trustee, or for any other remedy hereunder, unless (a) such Owner shall have previously given written notice to the Trustee of a continuing event of default, (b) the Owners of not less than 25% of the aggregate principal amount of Bonds then Outstanding shall have made written request to the Trustee to institute proceedings in respect of such event of default in its own name as Trustee hereunder, (c) such Owner or Owners shall have afforded to the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request, (d) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity shall have failed to institute any such proceedings, and (e) no direction inconsistent with such written request shall have been given to the Trustee during such 60 day period by the Owners of a majority of the aggregate principal amount of Bonds then Outstanding; it being understood and intended that no one or more Owners shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Owner, or to obtain or seek to obtain priority or preference over any other Owner or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Owners.

## ARTICLE VIII

### THE TRUSTEE

**Section 8.01 Employment of the Trustee.** The Authority hereby appoints and employs the Trustee to receive, deposit and disburse the Base Rental Payments, to authenticate, deliver and transfer the Bonds and to perform the other functions contained herein, all in the manner provided herein and subject to the conditions and terms hereof. By executing and delivering this Indenture, the Trustee accepts the appointment and employment hereinabove referred to and accepts the rights and obligations of the Trustee provided herein, subject to the conditions and terms hereof. Other than when an event of default has occurred and is continuing, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee. In case an event of default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs. The Trustee hereby

covenants and agrees that it will not encumber the Leased Property, other than Permitted Encumbrances.

**Section 8.02 Duties, Removal and Resignation of the Trustee.** The Authority may, by an instrument in writing, remove the Trustee initially a party hereto and any successor thereto unless an event of default shall have occurred and then be continuing, and, shall remove the Trustee initially a party hereto and any successor thereto if at any time (a) requested to do so by an instrument or concurrent instruments in writing signed by the Owners of a majority of the aggregate principal amount of Bonds at the time Outstanding (or their attorneys duly authorized in writing), or (b) the Trustee shall cease to be eligible in accordance with the following sentence, and shall appoint a successor Trustee. The Trustee and any successor Trustee shall be: (i) a national banking association in good standing authorized to exercise trust powers or having the powers of a trust company and duly authorized to exercise trust powers within the State having a combined capital and surplus of at least \$250,000,000, and subject to supervision or examination by federal or state authority, or (ii) a state-chartered commercial bank that is a member of the Federal Reserve System having at least \$1,000,000,000 of assets. If such entity publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section the combined capital and surplus of such entity shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Trustee may at any time resign by giving written notice of such resignation to the Authority and the City and by giving notice, by first class mail, postage prepaid, of such resignation to the Owners at their addresses appearing on the Registration Books. Upon receiving such notice of resignation, the Authority shall promptly appoint a successor Trustee by an instrument in writing; provided, however, that in the event the Authority does not appoint a successor Trustee within 30 days following receipt of such notice of resignation, the resigning Trustee may, at the expense of the Authority, petition the appropriate court having jurisdiction to appoint a successor Trustee. Any resignation or removal of a Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee.

Any corporation, association or agency into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, provided that such entity meets the combined capital and surplus requirements of this Section, ipso facto, shall be and become successor trustee under this Indenture and vested with all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

**Section 8.03 Compensation of the Trustee.** The City shall from time to time, subject to any written agreement then in effect with the Trustee, pay the Trustee reasonable compensation for all its services rendered hereunder and reimburse the Trustee for all its reasonable advances and expenditures (which shall not include “overhead expenses” except as such expenses are included as a component of the Trustee’s stated annual fees) hereunder, including but not limited to advances to and reasonable fees and reasonable expenses of accountants, agents, appraisers, consultants or other experts, and counsel not directly employed by the Trustee but an attorney or firm of attorneys retained by the Trustee, employed by it in the exercise and performance of its rights and obligations

hereunder. The Trustee may take whatever legal actions are lawfully available to it directly against the Authority or the City.

The City shall, to the extent permitted by law, indemnify and save the Trustee harmless against any liabilities, costs, claims or expenses, including those of its attorneys, which it may incur in the exercise and performance of its powers and duties hereunder, under the Lease Agreement, or in connection with any document or transaction contemplated hereunder or thereunder, including the enforcement of any remedies and the defense of any suit, and which are not due to its negligence or its misconduct. The duty of the City to indemnify the Trustee shall survive the termination and discharge of this Indenture and the earlier removal or resignation of the Trustee.

No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers hereunder.

Upon an event of default, and only upon an event of default, the Trustee shall have a first lien with right of payment prior to payment on account of principal of and premium, if any, and interest on any Bond, upon the trust estate for the foregoing fees, charges and expenses incurred by it. When the Trustee incurs expenses or renders services after the occurrence of an event of default, such expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

**Section 8.04 Protection of the Trustee.** The Trustee shall be protected and shall incur no liability in acting or proceeding in good faith upon any affidavit, bond, certificate, consent, notice, request, requisition, resolution, statement, telegram, voucher, waiver or other paper or document which it shall in good faith believe to be genuine and to have been adopted, executed or delivered by the proper party or pursuant to any of the provisions hereof, and the Trustee shall be under no duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument, but may accept and rely upon the same as conclusive evidence of the truth and accuracy of such statements. The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Owners of the Bonds pursuant to this Indenture, unless such Owners shall have offered to the Trustee security or indemnity, reasonably satisfactory to the Trustee, against the reasonable costs, expenses and liabilities which might be incurred by it in compliance with such request or direction. The Trustee may consult with counsel, who may be counsel to the Authority or the City, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect to any action taken or suffered by it hereunder in good faith in accordance therewith.

The Trustee shall not be responsible for the sufficiency of the Bonds or the Lease Agreement, or of the assignment made to it by the Assignment Agreement, or for statements made in any preliminary or final official statement relating to the Bonds, or of the title to the Leased Property.

Whenever in the administration of its rights and obligations hereunder the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Written Certificate of the City or a Written Certificate of the Authority, and such certificate shall be full warrant to the Trustee for any action taken or suffered under the provisions hereof upon the faith thereof, but in its discretion the

Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as it deems reasonable.

The Trustee may buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Owner may be entitled to take with like effect as if the Trustee were not a party hereto. The Trustee, either as principal or agent, may also engage in or be interested in any financial or other transaction with the Authority or the City, and may act as agent, depository or trustee for any committee or body of Owners or of owners of obligations of the Authority or the City as freely as if it were not the Trustee hereunder.

The Trustee may, to the extent reasonably necessary, execute any of the trusts or powers hereof and perform any rights and obligations required of it hereunder by or through agents, attorneys or receivers, and shall be entitled to advice of counsel concerning all matters of trust and its rights and obligations hereunder, and the Trustee shall not be answerable for the negligence or misconduct of any such agent, attorney or receiver selected by it with reasonable care; provided, however, that in the event of any negligence or misconduct of any such attorney, agent or receiver, the Trustee shall in a commercially reasonable manner pursue all remedies of the Trustee against such agent, attorney or receiver. The Trustee shall not be liable for any error of judgment made by it in good faith unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts.

The Trustee shall not be answerable for the exercise of any trusts or powers hereunder or for anything whatsoever in connection with the funds established hereunder, except only for its own willful misconduct, negligence or breach of an obligation hereunder.

The Trustee shall not be deemed to have knowledge of an event of default unless it has actual knowledge thereof.

The Trustee may, on behalf of the Owners, intervene in any judicial proceeding to which the Authority or the City is a party and which, in the opinion of the Trustee and its counsel, affects the Bonds or the security therefor, and shall do so if requested in writing by the Owners of at least 5% of the aggregate principal amount of Bonds then Outstanding, provided the Trustee shall have no duty to take such action unless it has been indemnified to its reasonable satisfaction against all risk or liability arising from such action.

The Trustee's rights to immunities and protection from liability hereunder and its rights to payment of its fees and expenses shall survive its resignation or removal and final payment or defeasance of the Bonds.

All indemnifications and releases from liability granted herein to the Trustee shall extend to the directors, officers, employees and agents of the Trustee.

The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful default. The Trustee shall have no responsibility or liability with respect to any information, statements or recitals in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of these Bonds. The Trustee shall not be accountable for the use or application by the Borrower of any of the Bonds or the proceeds thereof or for the use or

application of any money paid over by the Trustee in accordance with the provisions of this Indenture or for the use and application of money received by any paying agent.

The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods; provided, that the Trustee shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. If the Authority or the City elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The Authority and the City agree to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including, without limitation, the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

In acting or omitting to act pursuant to the Lease Agreement or Site Lease, the Trustee shall be entitled to all of the rights, immunities and indemnities accorded to it under this Indenture and the Lease Agreement, including, but not limited to, this Article VIII.

## **ARTICLE IX**

### **MODIFICATION OR AMENDMENTS**

#### **Section 9.01 Modifications and Amendments Permitted.**

(a) This Indenture and the rights and obligations of the Authority, the City, the Owners of the Bonds and the Trustee may be modified or amended from time to time and at any time by a Supplemental Indenture, which the Authority, the City and the Trustee may enter into with the written consent of the Owners of a majority in aggregate principal amount of all Bonds then Outstanding, which shall have been filed with the Trustee. No such modification or amendment shall (i) extend the fixed maturity of any Bonds, or reduce the amount of principal thereof or the rate of interest thereon, or extend the time of payment, without the consent of the Owner of each Bond so affected, or (ii) reduce the aforesaid percentage of Bonds the consent of the Owners of which is required to effect any such modification or amendment, or (iii) permit the creation of any lien on the Base Rental Payments and other assets pledged under this Indenture prior to or on a parity with the lien created by this Indenture or deprive the Owners of the Bonds of the lien created by this Indenture on such Base Rental Payments and other assets (except as expressly provided in this Indenture), without the consent of the Owners of all of the Bonds then Outstanding. It shall not be necessary for the consent of the Bond Owners to approve the particular form of any Supplemental Indenture, but it shall be sufficient if such consent shall approve the substance thereof.

(b) This Indenture and the rights and obligations of the Authority, the City, the Trustee and the Owners of the Bonds may also be modified or amended from time to time and at any time by a Supplemental Indenture, which the Authority, the City and the Trustee may enter into without the consent of any Bond Owners for any one or more of the following purposes:

(1) to add to the covenants and agreements of the Authority or the City in this Indenture contained other covenants and agreements thereafter to be observed, to pledge or assign additional security for the Bonds (or any portion thereof), or to surrender any right or power herein reserved to or conferred upon the Authority or the City;

(2) to make such provisions for the purpose of curing any ambiguity, inconsistency or omission, or of curing or correcting any defective provision contained in this Indenture;

(3) to provide for the issuance of one or more Series of Additional Bonds, and to provide the terms and conditions under which such Series of Additional Bonds may be issued, subject to and in accordance with the provisions of Article III hereof;

(4) to modify, amend or supplement this Indenture in such manner as to permit the qualification hereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect, and to add such other terms, conditions and provisions as may be permitted by said act or similar federal statute;

(5) to modify, amend or supplement this Indenture in such manner as to cause interest on a Series of Bonds issued in accordance with Section 103 of the Code to be or continue to be excludable from gross income for purposes of federal income taxation by the United States of America or to maintain the status of the Series 2017A Bonds as New Clean Renewable Energy Bonds under Section 54C of the Code and as Specified Tax Credit Bonds under Section 6431(f)(3) of the Code; and

(6) in any other respect whatsoever as the Authority and the City may deem necessary or desirable, provided that such modification or amendment does not materially adversely affect the interests of the Bond Owners hereunder, in the opinion of Bond Counsel filed with the Authority, the City and the Trustee.

(c) Promptly after the execution by the Authority, the City and the Trustee of any Supplemental Indenture, the Trustee shall mail a notice (the form of which shall be furnished to the Trustee by the Authority), by first class mail postage prepaid, setting forth in general terms the substance of such Supplemental Indenture, to the Owners of the Bonds at the respective addresses shown on the Registration Books. Any failure to give such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such Supplemental Indenture.

(d) No Supplemental Indenture shall modify any of the rights or obligations of the Trustee without the Trustee's prior written consent.

**Section 9.02 Effect of Supplemental Indenture.** Upon the execution of any Supplemental Indenture pursuant to this Article, this Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the Authority, the City, the Trustee and all Owners of Bonds Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

**Section 9.03 Endorsement of Bonds; Preparation of New Bonds.** Bonds delivered after the execution of any Supplemental Indenture pursuant to this Article may, and if the Authority so determines shall, bear a notation by endorsement or otherwise in form approved by the Authority and the Trustee as to any modification or amendment provided for in such Supplemental Indenture, and, in that case, upon demand of the Owner of any Bonds Outstanding at the time of such execution and presentation of his Bonds for the purpose at the Office of the Trustee a suitable notation shall be made on such Bonds. If the Supplemental Indenture shall so provide, new Bonds so modified as to conform, in the opinion of the Authority and the Trustee, to any modification or amendment contained in such Supplemental Indenture, shall be prepared and executed by the Authority and authenticated by the Trustee, and upon demand of the Owners of any Bonds then Outstanding shall be exchanged at the Office of the Trustee, without cost to any Bond Owner, for Bonds then Outstanding, upon surrender for cancellation of such Bonds, in equal aggregate principal amount of the same interest rate and maturity.

**Section 9.04 Amendment of Particular Bonds.** The provisions of this Article shall not prevent any Bond Owner from accepting any amendment as to the particular Bonds held by such Owner.

## ARTICLE X

### DEFEASANCE

**Section 10.01 Discharge of Indenture.** If the Authority shall pay or cause to be paid or there shall otherwise be paid to the Owners of all or a portion of the Outstanding Bonds, the principal thereof and the interest and premium, if any, thereon at the times and in the manner stipulated herein and therein, then the Owners of such Bonds shall cease to be entitled to the pledge of the Base Rental Payments and the other amounts as provided herein, and, except as provided below, all agreements, covenants and other obligations of the Authority and the City to the Owners of such Bonds hereunder shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall execute and deliver to the Authority and the City all such instruments as may be necessary or desirable to evidence such discharge and satisfaction, and if all of the Outstanding Bonds have been paid or deemed paid, the Trustee shall pay over or deliver to the City all money or securities held by it pursuant hereto which are not required for the payment of the principal of and interest and premium, if any, on such Bonds.

Notwithstanding the satisfaction and discharge of this Indenture or the discharge of this Indenture in respect of any Bonds, those provisions of this Indenture relating to the maturity of the Bonds, interest payments and dates thereof, exchange and transfer of Bonds, replacement of mutilated, destroyed, lost or stolen Bonds, the safekeeping and cancellation of Bonds, non-presentment of Bonds, and the duties of the Trustee in connection with all of the foregoing, shall remain in effect and shall be binding upon the Trustee and the Owners of the Bonds and the Trustee shall continue to be obligated to hold in trust any moneys or investments then held by the Trustee for the payment of the principal of and interest and premium, if any, on the Bonds, to pay to the Owners of Bonds the funds so held by the Trustee as and when such payment becomes due. Notwithstanding the satisfaction and discharge of this Indenture or the discharge of this Indenture in respect of any Bonds, those provisions of this Indenture relating to the compensation and indemnity of the Trustee, the payment of rebate and compliance with the Tax Certificate shall remain in effect and shall be binding upon the Trustee, the City and the Authority.

**Section 10.02 Bonds Deemed To Have Been Paid.** If moneys shall have been set aside and held by the Trustee for the payment or redemption of any Bonds and the interest thereon at the maturity or redemption date thereof, such Bonds shall be deemed to have been paid within the meaning and with the effect provided in Section 10.01 hereof. Any Outstanding Bonds shall prior to the maturity date or redemption date thereof be deemed to have been paid within the meaning of and with the effect expressed in Section 10.01 hereof if (a) in case any of such Bonds are to be redeemed on any date prior to their maturity date, the Authority shall have given to the Trustee in form satisfactory to it irrevocable instructions to mail or send, on a date in accordance with the provisions of Section 4.02 hereof, notice of redemption of such Bonds on said redemption date, said notice to be given in accordance with Section 4.02 hereof, (b) there shall have been deposited with the Trustee either (i) money in an amount which shall be sufficient, or (ii) Federal Securities that are not subject to redemption other than at the option of the holder thereof, the interest on and principal of which when paid will provide money which, together with the money, if any deposited with the Trustee at the same time, shall, as verified by an independent certified public accountant, be sufficient to pay when due the interest to become due on such Bonds on and prior to the maturity date or redemption date thereof, as the case may be, and the principal of and premium, if any, on such Bonds at maturity or upon redemption, and (c) in the event such Bonds are not by their terms subject to redemption within the next succeeding 60 days, the Authority shall have given the Trustee in form satisfactory to it irrevocable instructions to mail or send notice of redemption of such Bonds on a specified redemption date in accordance with Section 4.02 hereof, and to give as soon as practicable, a notice to the owners of such Bonds that the deposit required by clause (b) above has been made with the Trustee and that such Bonds, are deemed to have been paid in accordance with this Section and stating the maturity date or redemption date upon which money is to be available for the payment of the principal of and premium, if any, on such Bonds.

**Section 10.03 Payment of Bonds After Discharge of Indenture.** Notwithstanding any provisions of this Indenture, to the extent permitted by law, any moneys held by the Trustee in trust for the payment of the principal of, or premium or interest on, any Bonds and remaining unclaimed for one year after the date of deposit of such moneys, shall be repaid to the Authority (without liability for interest) free from the trusts created by this Indenture, and all liability of the Trustee with respect to such moneys shall thereupon cease; provided, however, that before the repayment of such moneys to the Authority as aforesaid, the Trustee may (at the cost of the Authority) first mail, by first class mail postage prepaid, to the Owners of Bonds which have not yet been paid, at the respective addresses shown on the Registration Books, a notice, in such form as may be deemed appropriate by the Trustee with respect to the Bonds so payable and not presented and with respect to the provisions relating to the repayment to the Authority of the moneys held for the payment thereof.

## ARTICLE XI

**Section 11.03 Execution of Documents by Owners.** Any declaration, request or other instrument which is permitted or required herein to be executed by Owners may be in one or more instruments of similar tenor and may be executed by Owners in person or by their attorneys appointed in writing. The fact and date of the execution by any Owner or his attorney of any declaration, request or other instrument or of any writing appointing such attorney may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state or territory in which he purports to act that the person signing such declaration, request or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution duly sworn to before such notary public or other officer, or by such other proof as the Trustee may accept which it may deem sufficient.

The ownership of any Bonds and the amount, payment date, number and date of owning the same may be proved by the Registration Books.

Any declaration, request or other instrument in writing of the Owner of any Bond shall bind all future Owners of such Bond with respect to anything done or suffered to be done by the Authority, the City or the Trustee in good faith and in accordance therewith.

**Section 11.04 Waiver of Personal Liability.** Notwithstanding anything contained herein to the contrary, no member, officer or employee of the Authority or the City shall be individually or personally liable for the payment of any moneys, including without limitation, the principal of or interest on the Bonds, but nothing contained herein shall relieve any member, officer or employee of the City or the Authority from the performance of any official duty provided by any applicable provisions of law, by the Lease Agreement or hereby.

**Section 11.05 Destruction of Bonds.** Whenever in this Indenture provision is made for the cancellation by the Trustee and the delivery to the Authority of any Bonds, the Trustee may, in lieu of such cancellation and delivery, destroy such Bonds.

**Section 11.06 Funds and Accounts.** Any fund or account required to be established and maintained herein by the Trustee may be established and maintained in the accounting records of the Trustee either as an account or a fund, and may, for the purposes of such accounting records, any audits thereof and any reports or statements with respect thereto, be treated either as an account or a fund, but all such records with respect to all such funds and accounts shall at an times be maintained in accordance with sound accounting practice and with due regard for the protection of the security of the Bonds and the rights of the Owners.

The Trustee may commingle any of the moneys held by it hereunder for investment purposes only; provided, however, that the Trustee shall account separately for the moneys in each fund or account established pursuant to this Indenture. The Trustee may establish such funds and accounts as it deems necessary or appropriate to perform its obligations hereunder.

The use herein of a pronoun of any gender shall include correlative words of the other genders. The headings or titles of the several Articles and Sections hereof and the table of contents appended hereto shall be solely for convenience of reference and shall not affect the meaning, construction or effect hereof. **Section 11.08 Partial Invalidity.** If any one or more of the agreements, conditions, covenants or terms required herein to be observed or performed by or on the part of the Authority, the City or the Trustee shall be contrary to law, then such agreement or agreements, such condition or conditions, such covenant or covenants or such term or terms shall be null and void to the extent contrary to law and shall be deemed separable from the remaining agreements, conditions, covenants and terms hereof and shall in no way affect the validity hereof or of the Bonds, and the Owners shall retain all the benefit, protection and security afforded to them under any applicable provisions of law. The Authority, the City and the Trustee hereby declare that they would have executed this Indenture, and each and every Article, Section, paragraph, subsection, sentence, clause and phrase hereof and would have authorized the execution and delivery of the Bonds pursuant hereto irrespective of the fact that any one or more Articles, Sections, paragraphs, subsections, sentences, clauses or phrases hereof or the application thereof to any person or circumstance may be held to be unconstitutional, unenforceable or invalid.

**Section 11.09 Disqualified Bonds.** In determining whether the Owners of the requisite aggregate principal amount of Bonds have concurred in any demand, request, direction, consent or waiver under this Indenture, Bonds which are actually known by the Trustee to be owned or held by or for the account of the Authority or the City, or by any Person directly or indirectly controlling or controlled by, or under direct or indirect common control with, the Authority or the City, shall be disregarded and deemed not to be Outstanding for the purpose of any such determination; except that, in determining whether the Trustee shall be protected in relying upon any such demand, request, direction, consent or waiver of an Owner, only Bonds which the Trustee actually knows to be owned or held by or for the account of the Authority or the City, or by any Person directly or indirectly controlling or controlled by, or under direct or indirect common control with, the Authority or the City, shall be disregarded unless all Bonds are so owned or held, in which case such Bonds shall be considered Outstanding for the purpose of such determination. The Principal Amount hereof is payable upon surrender hereof upon maturity or earlier redemption at the Office of the Trustee (as hereinafter defined). Interest hereon is payable by U.S. Bank National Association, as Trustee (the "Trustee") on each Interest Payment Date to the

"Office of the Trustee" means the principal corporate trust office of the Trustee in Los Angeles, California, or such other office as may be specified to the Authority and the City of Chula Vista (the "City") by the Trustee in writing, except that with respect to presentation of Bonds for payment or for registration of transfer and exchange such term shall mean the office or the agency of the Trustee at which, at any particular time, its corporate trust agency shall be conducted as specified to the Authority and the City by the Trustee in writing.

This Bond is part of a duly authorized issue of bonds issued for the purpose of financing the acquisition, construction and installation of certain public capital improvements within the City and described in the proceedings for the issuance of the Bonds (the "Project"), and designated as the "Chula Vista Municipal Financing Authority Lease Revenue Bonds Series 2017A (New Clean Renewable Energy Bonds) (Federally Taxable)" (the "Series 2017A Bonds") in the aggregate principal amount of \$\_\_\_\_\_. Pursuant to and as more particularly provided in the Indenture, the Series 2017A Bonds have been issued concurrently and on a parity with the Chula Vista Municipal Financing Authority Lease Revenue Bonds Series 2017B (Tax-Exempt) (the "Series 2017B Bonds") and Additional Bonds ("Additional Bonds") may be issued by the Authority secured by a lien on a parity with the lien securing the Series 2017A Bonds and the Series 2017B Bonds. The Series 2017A Bonds, the Series 2017B Bonds and any Additional Bonds are collectively referred to as the "Bonds." The Indenture is entered into, and this Bond is issued under, the Marks-Roos Local Bond Pooling Act of 1985 (the "Act") and the laws of the State of California.

Subject only to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein, all of the Base Rental Payments and any other amounts (including proceeds of the sale of the Bonds) held in the Base Rental Payment Fund, the Interest Fund, the Principal Fund and the Redemption Fund established under the Indenture are pledged to secure the payment of the principal of, premium, if any, and interest on the Bonds in accordance with their terms, the provisions of the Indenture and the Act. Said pledge constitutes a first lien on such assets.

The Series 2017A Bonds are authorized to be issued in the form of fully registered bonds without coupons in denominations of \$5,000 or any integral multiple thereof ("Authorized Denominations").

The Series 2017A Bonds shall be subject to redemption, in whole or in part, on any date, in Authorized Denominations, from and to the extent of any Net Proceeds (as defined in the Indenture) received with respect to all or a portion of the property leased under the Lease Agreement, deposited by the Trustee in the Redemption Fund established under the Indenture, at a Redemption Price equal

The Series 2017A Bonds maturing on December 1, 20\_\_ are subject to mandatory redemption prior to their maturity at a redemption price of 100% of the principal amount to be redeemed plus accrued interest thereon to the redemption date on each June 1 commencing December 1, 20\_\_ in the principal amounts and on the scheduled mandatory redemption dates as follows:

Series 2017A Term Bonds Maturing December 1, 20__	
Date	
<u>(December 1)</u>	<u>Principal Amount</u>

<sup>(1)</sup> Final Maturity

The Series 2017A Bonds are subject to extraordinary mandatory redemption, in whole or in part, within 90 days following the third anniversary of the Closing Date of the Series 2017A Bonds, or 90 days following the date of termination of any period of time negotiated with the IRS that extends the date by which the proceeds of the sale of the Series 2017A Bonds must be expended, as evidenced in writing from the IRS, in authorized denominations, at a redemption price equal to the principal amount of the Series 2017A Bonds called for redemption, in an amount equal to the unexpended proceeds of the sale of the Series 2017A Bonds held by the Authority, but only to the extent that the Authority fails to expend all of the proceeds of the Series 2017A Bonds for certain qualified purposes as required by Section 54A(d)(2)(B)(i) of the Code within three years of issuance thereof.

The Trustee on behalf and at the expense of the Authority shall give notice of any redemption to the Registered owners of any Series 2017A Bonds designated for redemption in the manner provided in the Indenture, at least 30 but not more than 60 days prior to the date fixed for redemption. Neither failure to receive any such notice so mailed or given, nor any defect therein, shall affect the validity of the proceedings for the redemption of such Series 2017A Bonds or the cessation of accrual of interest thereon from and after the date fixed for redemption. The Redemption Price of the Series 2017A Bonds to be redeemed shall be paid only upon presentation and surrender thereof at the Office of the Trustee. From and after the date fixed for redemption of any Series 2017A Bonds, interest on such Series 2017A Bonds will cease to accrue and become payable.

Subject to the limitations and upon payment of the charges, if any, provided in the Indenture, fully registered Series 2017A Bonds may be exchanged at the Office of the Trustee for a like aggregate principal amount and maturity of fully registered Series 2017A Bonds of other Authorized Denominations.

This Bond is transferable by the Registered Owner hereof, in person or by his duly authorized attorney, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture, and upon surrender and cancellation of this Bond. Upon such transfer a new fully registered Series 2017A Bond or Series 2017A Bonds, in Authorized Denominations, for the same aggregate principal amount will be issued to the transferee in exchange herefor. The Authority, the City and the Trustee may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the Authority, the City and the Trustee shall not be affected by any notice to the contrary.

The Indenture and the rights and obligations of the Authority, the City, the owners of the Bonds and the Trustee may be modified or amended from time to time and at any time in the manner, to the extent, and upon the terms provided in the Indenture; provided that no such modification or amendment shall (a) extend the fixed maturity of any Bonds, or reduce the principal thereof or the rate of interest thereon, or extend the time of payment, without the consent of the owner of each Bond so affected, or, (b) reduce the percentage of Bonds the consent of the owners of which is required to effect any such amendment or modification, or (c) permit the creation of any lien on the Base Rental Payments and other assets pledged under the Indenture prior to or on a parity with the lien created by the Indenture or deprive the owners of the Bonds of the lien created by the Indenture on such the Base Rental Payments and such other assets (except as expressly provided in the Indenture), without the consent of the owners of all Bonds then outstanding.

The Indenture contains provisions permitting the Authority to make provision for the payment of interest on, and the principal and premium, if any, of any of the Bond so that such Bonds shall no longer be deemed to be outstanding under the terms of the Indenture.

All obligations of the Authority under the Indenture shall be special obligations of the Authority, payable solely from Rental Payments (as defined in the Indenture) and the other assets pledged therefor under the Indenture; provided, however, that all obligations of the Authority under the Bonds shall be special obligations of the Authority, payable solely from Base Rental Payments and the other assets pledged therefor under the Indenture. Neither the faith and credit nor the taxing power of the Authority, the City or the State of California, or any political subdivision thereof, is pledged to the payment of the Bonds.

**IN WITNESS WHEREOF**, the Authority has caused this Bond to be signed in its name and on its behalf by the facsimile signatures of its Chairperson and Secretary, all as of the Dated Date identified above.
