20. What do you hope to accomplish in the role of a Housing Advisory Commissioner? (250 words or less)

I am applying to be an Ex-Officio Member of the Housing Advisory Commission. As home prices continue to rise and rents on the increase, many hardworking citizens of Chula Vista are being pushed out of the city. I will fight for those families that do not have the means or cannot afford to live with increasing home and rent prices. As a renter, I know firsthand the effects of not being able to pay rent has on the livelihood of families. As a future homebuyer, I know how hard it is to being able to afford a home in Chula Vista. Chula Vista needs to be affordable to everyone in the community, not just a select few. There needs to be policies that promote affordable housing for the hardworking families. Even though I will not get a vote in the Housing Advisory Commission, I hope to be a voice for hardworking families that strive to live in Chula Vista.
