PURSUANT TO THE APPROVED FORMULAS

WHEREAS, the City of Chula Vista entered into a franchise renewal agreement for Solid Waste Services with Republic Services in August 2014; and

WHEREAS, the Agreement contains specific language and formulas for calculating annual rate adjustments, which includes limitations that ensure the Chula Vista ratepayers will continue to have some of the lowest rates for service in San Diego County; and

WHEREAS, although the rates are being implemented pursuant to a franchise agreement, out of an abundance of caution, the City is complying with the notice and majority protests requirements of Proposition 218 (California Constitution, Article XIII D, Section 6); and

WHEREAS, a Public Notice was mailed to property owners/customers of record on July 25, 2014 which started the 45 day opportunity to protest the rate adjustment formulas for Solid Waste General Service Rates, periodic Market Adjustment of the General Service Rates for Large Quantity Generators for solid waste, green waste and recycling, and the adjustment in the governmental fees to 20% of gross receipts; and

WHEREAS, the City has conducted the majority protest process per State regulations; culminating with a public hearing, on September 9, 2014; and

WHEREAS, California Government Code section 53756 permits the adoption of a schedule of fees authorizing automatic adjustments for a period not to exceed five years; and

WHEREAS, the final tally of written protests received by the City Clerk, (less than 32,999+1) approves the solid waste service rates adjustment formulas and the adjustment in the governmental fees.

Now therefore, be it resolved that the City Council of the City of Chula Vista does hereby accept the results of the majority public protest process, approving the rate adjustment formulas for the General Service Rates with subsequent annual adjustments, for the five-year period beginning in 2014.
