Mr. Padilla and Council,

You make the point that the KKK didn't represent Christian's, but they did represent Democrats. The point of this is that CAIR helps fund terrorism, and is the KKK of Muslims; and they don't belong in Chula Vista at all! I am sure if the Democrats and CAIR weren't looking to forward their agenda of racketeering, and continuous unlawful assembly to cover up their own bigotry, then maybe Hector would have someone to make amends, and apologies to! Leave him alone! And for those of you whom think government officials need to be held to a higher standard, start with upholding our immigration laws!

PS, my best friend, and CPA is Gay, I am also a strong supporter of Carl DeMaio they would both tell you, and the snow-flakes you coddle to buck up. I also warn you that if you, and the Mayor, and council do not enforce our immigration laws, the federal government will sooner or later come here, and enforce our laws in spite of you.
