Hello Leah,

Would you be so kind as to pass this along for me? I think it is best for me to focus on CVCF and allow someone else to fill the available seat...

Dear Mayor and Council Members,

I am torn, but I feel that it would be best for me to withdraw my application for the Cultural Arts Commission at this time. My expanding leadership of the Chula Vista Charitable Foundation (current Grants Committee Chair and Chair Elect) is demanding much more attention than anticipated as the foundation adopts additional responsibilities formerly conducted by The San Diego Foundation.

I am deeply sorry that I cannot serve at this time. It is a commission that is a perfect fit for my skill set and experience, but my work with CVCF is critical to our community and I feel that I must not compromise that in any way.

I respectfully ask that you keep my application for a future seat on the commission. As I mentioned, the expanding responsibilities of the CVCF have been extremely challenging and time-consuming, but it is likely that as the CVCF "settles in" to new protocols and procedures, I will have the time necessary to participate in this important commission.

Thank you in advance for your understanding,

Lisa Moctezuma
