Subject: HRC Resination

Hi, Courtney,

I've mulled over sending this e-mail for weeks and have finally made the unfortunate decision to resign from my role as a member of Chula Vista's Human Relations Commission.

Life is dramatically different now with the arrival of our sweet boy. Our family requires my attention. I've already seen how the conflicting commitments have impacted my ability to participate in HRC's goals to the extent I had planned.

Please let me know what else needs to be done to tender my resignation, and please do share with the Commissioners and Mayor Salas my regret in this decision.

Thanks,

Audrey Bordeaux
